Admission Office
Brown University
Box 1876
45 Prospect Street
Providence, RI 02912

Please print or type

Check here if you indicated on Form 1 that you are ☐ an Early Decision applicant

Name of Applicant: _____
FIRST MIDDLE LAST (FAMILY NAME)

Home Address: _____
STREET ADDRESS/CITY/STATE/ZIP CODE

School Now Attending: _____

Complete this form if your primary interest is an Sc.B. or A.B. degree in one of the following: Chemistry, Computer Science, Engineering, or Physics.

Check one:

☐ **Chemistry** ☐ **Computer Science**

☐ **Engineering** ☐ **Physics**

1. Many applicants to college are unsure about eventual majors. What factors led you to an interest in the field of science you have selected above?

2. What experiences, beyond school work, have broadened your interest in this particular field of science?*

*These might include science fair projects, summer jobs, reading, etc.

3. Answer the appropriate question(s) in your intended major.

Chemistry, Computer Science, or Physics

a.) What concept in your anticipated major were you most proud of mastering?

b.) Briefly describe the course (or courses) you have taken up to the present in your chosen field of science. If possible, please include the title of the textbook and a short syllabus.

Engineering

Brown offers programs in Biomedical, Chemical, Civil, Computer, Electrical, Materials and Mechanical Engineering. Because there is a common core curriculum within Engineering, students need not select a specific area until their junior year. We are curious, however, as to whether any particular program within Engineering presently appeals to you. Please discuss that choice if you have one.
