8. Once a student applies for and is granted advanced standing, the request for advanced standing may not be rescinded.
9. Credits granted for work completed prior to enrollment at Brown may not be combined with transfer credits granted for work completed after enrollment at Brown.
10. All transfer credits earned after enrollment at Brown, except for summer work (which is not eligible for advanced standing), are cumulative for eligibility for advanced standing and enrollment credit.
11. In all cases, the awarding of one or more semesters of advanced standing involves a corresponding reduction of entitlement to semesters of enrollment.
