Times may vary due to weather and traffic conditions: Please allow 3 minutes’ variance either way.

Within the times above, a shuttle will come every five minutes. If you have been waiting at a marked shuttle stop for more than eight (8) minutes, please call the Shuttle Supervisor at 401 837-1941.

safeRIDE Campus Shuttle FAQ

What if the shuttle travels by where I am but doesn't have a stop nearby? Also, what if I'm halfway to the stop when I see the shuttle coming?

You can flag the shuttle down, as you would a taxi. Make sure you waive your arms and attract the driver's attention—it's really dark out there! safeRIDE vehicles providing shuttle service carry an internally lit roof sign that says "Shuttle."

How do I go to a building that the shuttle passes but doesn't stop at?

Ask the drivers to let you out near that building—be sure to give them advance notice so that they can stop in a safe place near where you want to get out.

I flagged a shuttle vehicle down but it didn't stop. Why not?

One of two things happened: either the shuttle driver didn't see you, or the vehicle you saw was an onCall escort vehicle, not a fixed route shuttle. When you flag a fixed route shuttle, be sure to make yourself visible to the driver. onCall vehicles can't stop and pick you up because they are on a timed run to or from a place off campus. Fixed route shuttles are marked with a lit rooftop sign that says "Shuttle" so that you can tell which vehicle is a fixed route shuttle and which is an onCall vehicle.

I've been waiting at a marked shuttle stop for a shuttle, and none has come for a long time. What should I do?

Remember that occasionally shuttles will be delayed by traffic and weather conditions beyond their control. If you have been waiting longer than 8 minutes at a marked shuttle stop, call the Shuttle Supervisor at 401 837-1941 to find out where the shuttle is. DO NOT call the onCall escort dispatch line, because it is the Shuttle Supervisor, not the dispatchers, who is in constant radio contact with the shuttle vans. We need to keep the onCall escort line free for onCall operations, which rely heavily on the telephone.

I need to get somewhere the shuttle doesn't go.

If you are a Brown-community member and live off-campus within the onCall coverage area ([see www.brown.edu/saferide/brownon-call](http://www.brown.edu/saferide/brownon-call)) and need a ride from your off-campus residence to a building on the Brown campus or vice versa, call the onCall dispatch line at 863-1778 (3-1778 on the Brown campus).

If you live on the Brown campus in a location not served by the fixed route shuttle, call SafeWalk at 3-1778 to request a safe walk (note this service is subject to availability). In addition, based on a master agreement between Brown University and RISD, Brown students may ride RISD shuttles with a proper Brown I.D. Please visit Brown's SafeRIDE website at www.brown.edu/saferide for more information and a link to RISD's shuttle webpage.

If you want to go to other non-campus locations, call one of the many excellent Providence taxi services or take advantage of Brown's UPass Program and ride a RIPTA bus for free with your Brown I.D. See UPass details at www.brown.edu/transportation/RIPTA/. To view RIPTA routes and schedules, visit the RIPTA website at www.ripta.com.

I asked the driver if the shuttle goes to the Rock and he didn't know what I was talking about. I couldn't tell him the street address. What should I do?

The drivers have a Building Address List that gives the Brown building name ("Rockefeller Library"), the Brown nickname ("the Rock"), and its street address (10 Prospect Street) so that they can look it up. If you have difficulty communicating to the driver where you want to go, ask to see the Brown Building Address List and look up the street address of the building you want to go to.

POLICIES AND DETAILS

- Have your ID card ready before entering the vehicle. **You must show a valid Brown ID to the driver when boarding.** This is to ensure the safety of both our drivers and our riders.
- If you damage the shuttle vehicle, you will be billed for the repairs.
- No pets.
- No smoking.
- No alcohol (in open or closed containers).
- You are required by law to wear a seatbelt.
- You have the right to be driven in a safe manner and the right to be treated with courtesy and respect. You also have the obligation to treat safeRIDE employees with the same courtesy and respect.
- safeRIDE reserves the right to deny transport to any passenger if, in the judgment of the driver, the passenger's behavior is a danger to the vehicle, the driver, or other passengers.

By entering the shuttle vehicle, you agree to abide by these rules and regulations. Those who violate them will be denied service.

CONTACT INFORMATION

General safeRIDE information or for questions or complaints	tel: 863-2322, e-mail: saferide@brown.edu , or Web site: www.brown.edu/saferide
On-duty evening supervisor	401 837-1941
Brown Emergency	3-4111 (internal phone) or 401 863-4111

If registering a complaint, please have ready the date and time of the incident and the number of the vehicle (painted in fluorescent paint on the front and back of each safeRIDE vehicle) which is the subject of your complaint so that we may effectively address the issue.
