In 2005 Literary Arts became a program separate from Literatures in English.

In 2005 East Asian Studies and Community Health were moved from Social Sciences to Humanities and Life Sciences, respectively, in accordance with the faculty rules.

In this table previous years' data for these concentrations were moved retroactively.

One-on-One enrollments are included.

<sup>1</sup> Note: In 2000, Women's Studies was renamed Gender Studies.

In 2005 East Asian Studies and Community Health were moved from Social Sciences to Humanities and Life Sciences, respectively, in accordance with the faculty rules.

In this table previous years' data for these concentrations were moved retroactively.

One-on-One enrollments are included.

Due to data limitations prior to 2007, in those years graduate special students were included in undergraduate counts.
