

About Brown University

Brown University adheres to a collaborative university-college model in which faculty are as committed to teaching as they are to research, embracing a curriculum that requires students to be architects of their education.

### About Campus Life

#### What it's Like on Our Campus

Brown builds its relationships with undergraduates on the premise that students are capable adults. The open character of the Brown curriculum is designed to be responsive to a student's individual interests. For the curriculum to work, the University presumes that students will make an effort to articulate those interests.
