PERSONAL ALARMS NOW AVAILABLE AT DPS!

The Brown University Department of Public Safety is now offering personal alarms to community members. Any student, faculty or staff member who are concerned about their personal safety may purchase a personal safety alarm device to carry and use for alerting individuals nearby that they are in danger. The personal alarm can be carried in a purse, pocket, or attached to a belt. It can be used in an emergency situation to call for help, draw attention to a situation, or to scare off an attacker. DPS is subsidizing the cost of the personal safety alarms which can be purchased for \$5.00 at the Brown Cashiers Office, located on the 2nd floor of the Brown Office Building (BOB). Once the payment has been made, bring your receipt to the DPS Crime Prevention Unit to claim your personal safety alarm. For additional information regarding personal alarm devices, please contact Crime Prevention Officer, Mark J. Perry at 863-1438 or Michelle Nuey at 863-2542 between the hours of 8:00 a.m. and 4:00 p.m., Monday – Friday.
