## **SYLLABUS QUESTIONNAIRE** *(to be returned at the second class)*

Rebecca S. More, Ph.D.  
Director, Harriet W. Sheridan Center for Teaching and Learning

**Name:**

*Please read through the entire syllabus and answer the following questions. Your answers should be based on your reading of the course goals, objectives, schedule and assessment criteria. Provide an example to support each point you make.*

**1. What are the Course Goals?**

**2. How will the objectives (the Assignments) help you achieve the goal(s) of the course?**

**3. Where will you go to understand how your performance of those assignments will be assessed by the instructor?**

**4. Which *type* of assignments have been assigned the most value by the instructor?**

**5. Based on the Syllabus, what do YOU expect to learn from this course?**
