

Wendy Roth

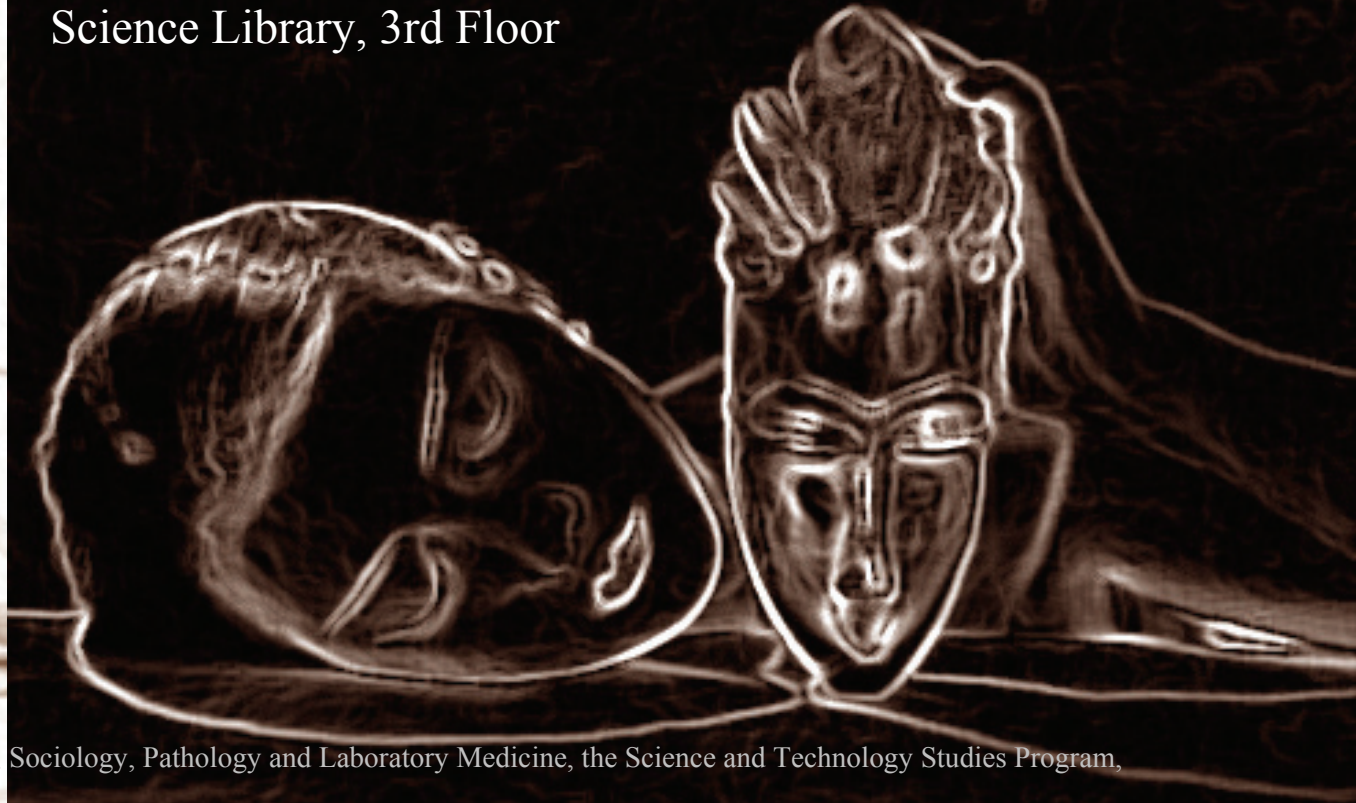

Sociology
University of British Columbia

Not
Everybody
Knows
that I'm
Actually
Black

November 18, 2010
12:00pm
Science Library, 3rd Floor

The Effects of
DNA Ancestry
Testing on
Racial and Ethnic
Boundaries

Sponsored by the Wayland Collegium with generous support from the Departments of Africana Studies, Sociology, Pathology and Laboratory Medicine, the Science and Technology Studies Program, the Cogut Center for the Humanities, and the Office for Institutional Diversity.
