THE AMERICAN CIVILIZATION HONORS PROGRAM

Dear Faculty Member:

This form is being presented to you by a student who wishes to be considered for candidacy in the American Civilization Honors Program. All potential candidates must obtain a recommendation from a faculty member who has had the student in a course requiring a major research paper. We would appreciate your assistance in helping us to identify those Am. Civ. concentrators who are capable of doing the prolonged research and writing required for the successful completion of an Honors thesis. A recommendation should be made on the basis of your having worked with the student and your final evaluation of his/her research paper.

If you are willing to endorse the student whose name is listed below, please sign this form and he/she will return it to the Am. Civ. concentration advisor.

Thank you for your cooperation.

I believe that _____ should be considered as a candidate for Honors in American Civilization.
