

Energy Self-Reliance in Rhode Island

Gwenn Sewell

April 25, 1982

Environmental Studies

CONTENTS

| <u>Chapter</u> | <u>page</u> |
|--|-------------|
| 1. INTRODUCTION | 1 |
| 2. EXPLANATION OF THE SURVEY DATA USED | 5 |
| 3. SELF-RELIANCE THROUGH BURNING WOOD | 8 |
| Introduction | 8 |
| Perceived Advantages and Disadvantages | 9 |
| Cost and Access | 10 |
| Problems with Residence | 11 |
| Other disadvantages | 12 |
| Socio-Economic Characteristics of Wood Users | 13 |
| Residence | 14 |
| Education | 15 |
| Income | 16 |
| Age | 17 |
| Characteristics of Those People Changing to Wood- Burning | 18 |
| Marital Status | 19 |
| Policy Incentives | 19 |
| Forested Land | 20 |
| 4. SELF-RELIANCE THROUGH SOLAR ENERGY | 21 |
| Introduction | 21 |
| Perceived Advantages and Disadvantages | 21 |
| Policy Incentives | 22 |
| Other Policy Incentives | 26 |
| Cost Disincentives | 27 |
| Mobility | 28 |
| Residence and Houses | 29 |
| Other Disadvantages | 30 |
| Consumer Assurance | 33 |
| Perceptions of Solar Energy | 35 |
| Socio-Economic Characteristics of Solar Energy Users | 37 |
| 5. CHANGES TOWARDS GREATER SELF-RELIANCE | 41 |
| Introduction | 41 |
| Socio-Economic Characteristics | 41 |
| Residence | 42 |
| Education | 43 |

| | |
|--------------------------------|----|
| Age | 44 |
| 6. CONCLUSIONS | 45 |
| Introduction | 45 |
| Wood-Burning Energy | 46 |
| Solar Energy | 47 |
| Policy Recommendations | 50 |
| Education | 50 |
| Incentives | 51 |
| Research and Development | 52 |

Appendix
