

## FOR STUDENTS NEW TO THE PROGRAM IN THE FALL 2010

Placement decisions are based on either SAT II or AP scores, if you have them, or on the score of the **Brown placement test** (for more information, check the course catalog in BANNER, the CAB just published, or Placement and Course Description in the Hispanic Studies Website,

[http://www.brown.edu/Departments/Hispanic\\_Studies/undergraduate/placement.html](http://www.brown.edu/Departments/Hispanic_Studies/undergraduate/placement.html)

**IMPORTANT:** The Brown Placement Exam has already been offered before pre-registration, but if you missed it, **please contact Andrew Ross**, Director of the [Educational Technology Center/Language Resource Center \(LRC\)](#), 115 Waterman Street.

These exams will be offered again in the Fall on dates to be announced. They will be posted on the Language Resource Center website, <http://www.brown.edu/Departments/LRC/>

Note that you **will not be admitted into any Spanish course other than the one in which you placed based on one of these measures**. You **MUST** attend the first day of class in the course in which you placed and talk to your instructor or the course supervisor if you are concerned about your level. We will do our best to ensure you are appropriately placed. But please understand that **ONLY** the course supervisor of the course where you place can authorize you to change the level

If you have further questions about the Language Program or appropriate language placement, contact the Director of the Language Program, Prof. Nidia Schuhmacher, at [nidia\\_schuhmacher@brown.edu](mailto:nidia_schuhmacher@brown.edu)
