List Art Center, Room 120

6:00 – 7:30 pm

The last film ever made by the great Fritz Lang (*Metropolis*, *M*, *The Big Heat*), this fascinating thriller combines elements of film noir, horror, and science fiction. Gert Fröbe (*Goldfinger*) stars as police commissioner Kras, trying to uncover the sinister secret of the mysterious Hotel Luxor, ground zero for a massive crime wave. The crimes show all the hallmarks of evil genius Dr. Mabuse--but he died 30 years ago!
