 - <http://www.archaeological.org/grants/708>
 - Provides \$1000 each for up to seven successful applicants to help pay expenses associated with participation on an archaeological excavation or survey project (minimum stay: one month). The scholarship is open to junior and senior undergraduate students and first-year graduate students who are currently enrolled at a college or university in the U.S. or Canada. Applicants must be at least 18 years old and have not previously participated in an archaeological excavation.
- **Brown Internship Award Program – “Students are encouraged to apply as soon as they accept an offer for an unpaid or low-paying summer internship”**
 - <http://brown.edu/campus-life/support/careerlab/undergraduates/internships/funding/funding>
 - Each year, BIAP/AIP offers funding for unpaid or low paying summer internships. The award programs encourage students to pursue career exploration through summer internships in all career fields.
 - BIAP: Funding awards in the amount of \$2,500 are available for career exploration.
 - AIP: Students who are on financial aid and eligible for University scholarship may apply for a waiver of their summer earnings requirement.
- **International Affairs**
 - <http://www.brown.edu/about/administration/international-affairs/undergraduate-students>
 - International Affairs Undergraduate Student Fund: supports on-campus events and short-term travel grants. Undergraduate students or student groups may apply for this Fund at any time by submitting a project proposal, a letter of support from a faculty adviser, and a budget to Ana_Wildman@brown.edu.
 - Brown International Scholars Program (BISP): BISP fellows will receive up to \$5,000 to pursue independent projects linking their academic interests with international experiences. Information Sessions: Monday, 10/17, 12-1pm and Monday, 10/24, 4-5pm, in Petterutti Lounge.
- **RAB Grants – Rolling deadline**
 - http://brown.edu/Administration/Dean_of_the_College/research/supplemental_grants.php
 - Research at Brown (RAB) grants support student-initiated research projects in the sciences, the humanities, and the fine arts. The Program supports student research and travel to present papers at conferences. Students may submit proposals for up to \$500 of funding at any time.
