

LOCATION OF MEETINGS

Most of the conference activities will take place on the Pembroke Campus, a quadrangle bordered by Thayer, Meeting, Brown and Bowen streets. The best way to access the Pembroke Campus is through the Meeting Street entrance directly across from the Sidney E. Frank Hall for the Life Sciences, between Thayer and Brown streets.

Registration, coffee breaks, and all Saturday sessions will be held in Smith-Buonanno Hall. Thursday and Friday sessions will take place in the Crystal Room (Alumnae Hall), the Commons Room (Alumnae Hall), the Cogut Center for the Humanities (Pembroke Hall), and the Hillel House (80 Brown Street, at the corner of Angel Street, two blocks south of the Pembroke Campus).

The keynote addresses will take place in the Salomon Center for Teaching, on the Main Green. The best way to reach Salomon Hall from the Pembroke Campus is to walk up Meeting Street, turn left onto Brown Street, go three blocks south on Brown Street, cross Waterman Street, and enter the Main Green through Faunce Hall Arch (Stephen Robert Campus Center on your right).

On Thursday evening a reception will take place at the Faculty Club on Magee Street, off George Street and the Main Green, immediately following the keynote address by Silvano Santiago. On Friday evening a wine-and-cheese will take place in the Salomon Center lobby immediately following the keynote address by Maria Alzira Seixo.
