

Manuel Portela é professor da Faculdade de Letras da Universidade de Coimbra, onde dirige o Programa de Doutoramento em Materialidades da Literatura (Programa de Doutoramento FCT). É membro do Centro de Literatura Portuguesa da Universidade de Coimbra, sendo o investigador responsável pelo *Arquivo LdoD* (<https://ldod.uc.pt/>), um arquivo digital dedicado ao *Livro do Desassossego*, a publicar em 2017. O seu último livro intitula-se *Scripting Reading Motions: The Codex and the Computer as Self-Reflexive Machines* (MIT Press, 2013).

Manuel Portela teaches at the School of Arts and Humanities at the University of Coimbra, where he directs the PhD Program in Materialities of Literature (FCT PhD Program). He is a member of the Center for Portuguese Literature at the University of Coimbra, and the principal investigator for the *LdoD Archive* (<https://ldod.uc.pt/>), a digital archive dedicated to Fernando Pessoa's *Book of Disquiet*, forthcoming in 2017. His latest book, *Scripting Reading Motions: The Codex and the Computer as Self-Reflexive Machines*, was published by MIT Press in 2013.
