Excellence Awards

The University provided awards to recognize and reward staff members whose extraordinary efforts contributed to the University in significant and meaningful ways during the past year.

Facilities Management had four employees who were recognized with Excellence Awards.

Grounds Equipment Mechanic
George Bell and Grounds Worker
Michael Hamel, Service

Custodial Supervisor Richard Hilton,
Innovation

(Photo not available)
Service Response Manager
Derek Henries, Managing for
Excellence

Congratulations to all Facilities staff who were both nominated and won Excellence Awards!

Sincerely,

Stephen M. Maiorisi, AIA
Vice President for Facilities Management
