

ASTC Travel Passport Program Participants - May 1, 2005 to October 31, 2005

Local Restrictions May Apply

Museums located within 90 miles of each other are **excluded** from the program unless that exclusion is lifted by mutual agreement. Your museum is responsible for **removing** local nonparticipating museums from this list. Be sure to acquaint yourself with the admittance policies (denoted by "Family" definition) of participating Passport Program sites. The Passport Program entitles visitors to free general admission. It does not include free admission to planetarium and larger-screen theater presentations nor does it include museum store discounts and other discounts associated with museum membership unless stated otherwise. Visit www.astc.org/sciencecenters/participating.htm for a list in larger type font or call your science center or museum.
