**Leader Name:**

**Evaluating Mentor Names:**

**Date:**

**WFA Certified by June 1st: Yes \_\_\_ No: \_\_\_**

**WFR Certified by June 1st: Yes \_\_\_ No: \_\_\_**

**Leader Pairings:**

\*\*As a leader, please be prepared to lead with anyone in your class.

To do so, we ask that you work throughout the semester to expand your skills as a leader in order to work with various co-facilitation styles. We also ask that you practice your outdoor skills and group skills throughout training to be able to compliment any leader pairing possible.

**What are some strengths?**

**What type of leader (style, qualities, and skills) would best compliment this leader for both outdoor skills and facilitation skills for the Fall Trip?**

**What are some challenges or areas for growth?**

**What leadership styles and qualities in a co-leader would be a challenge for this leader in terms of creating successful leader team?**

**Are there particular technical or non-technical skills this leader should work on or receive further training in?**

**Are you comfortable with co-leading a BOLT trip in all of its aspects?**  
**Yes \_\_\_ No \_\_\_\_\_**

**Comment on overall qualifications and preparedness:**

**Mentor Note:** We will need to make 16 leader pairings with 2-3 leaders per group that complement each other in skills and styles in order to best serve a BOLT group. Each group must also have at least one leader certified in WFR. Leaders must be prepared to work with a large portion of their leader class.
