

Personalize Your Graduate's 2009 Liber Brunensis

Display your pride in your graduate's accomplishments. A message from family and friends seals the memories of college with just the perfect touch!

Both traditional and digital photographs will be accepted.

PLEASE USE THE ENCLOSED ORDER FORM AND FOLLOW THE SPECIFICATIONS BELOW SO THAT YOUR MESSAGE WILL APPEAR AS YOU INTEND.

On a separate sheet of paper, clearly write your message and a rough sketch of your layout. Our design team will replicate your sketch. If no sketch is submitted, the staff will create a layout using the text and photos provided.

Only original pictures (**no** photo copies or ink jet images) can be accepted. There is no need to cut your photographs. If you indicate which portion of the photograph you would like to include, our staff can digitally crop the photograph to that specification.

Your original photos can be returned to you **AFTER** publication, as long as you provide a self addressed stamped envelope and a return label on the back of each photograph including your name and address written clearly.

You may also submit digital images and text on a clearly identified CD. Please be sure that digital images are submitted in .jpeg format, are close to exact size, and have a resolution of no less than 300dpi (dots per inch).
