Dean’s Scholarships are awarded to students who demonstrate financial need and academic merit. Applicants must submit a complete Dean’s Scholarship Application by the application deadline: Wednesday, March 15th, 2017.

** Scholarship applicants must be citizens or permanent residents of the United States **

Please be advised that financial awards are meant to assist students who could not otherwise attend the Pre-College Program. Awards provide partial assistance only; they do not cover the entire residential and/or commuter program fee. All students are required to submit a program deposit to confirm their attendance, regardless of award status. Awards are made until funds are depleted, and funds may be depleted before the application deadline. We cannot guarantee that all applicants who apply before the deadline will receive scholarship assistance.

** HOW TO APPLY FOR A DEAN’S SCHOLARSHIP:**

Scholarship applicants must have a completed and submitted 2017 Pre-College program application on file. Each Pre-College program has a “How To Apply” page on our website, which you may visit for more information. You are not able to apply for financial aid without first applying to the program.

Dean’s Scholarship applications will not be reviewed until the applicant has been accepted to the program of his/her choice. Incomplete scholarship applications will not be reviewed.

A complete Dean’s Scholarship application consists of:

- Dean’s Scholarship Application form
- A copy of a filed and signed, 2015 or 2016 federal tax return* showing adjusted gross income (include a copy of each parent or guardian’s tax return, if filed separately)
- Copies of W-2 form(s) from the same year as the submitted tax return

* The first two pages of a 1040 tax return are required, with the "Profit or Loss from Business" page only if the taxpayer is self-employed. Do not include supplemental schedules/forms, as they are not required for financial aid determination.

Please send the completed application in its entirety to Brown University using one method. Do not split up your application materials (ex. emailing your application page, and faxing your tax forms). This will delay your scholarship processing.
