Dean’s Scholarships are awarded to students who demonstrate financial need and academic merit. Applicants must submit a complete Dean’s Scholarship Application by the application deadline: March 31, 2016.
Applicants will be notified of their award status on or before April 8th, 2016.

** International students are not eligible for Dean’s Scholarships **

Please be advised that financial awards are meant to assist students who could not otherwise attend the Pre-College Program. Awards provide partial assistance only; they do not cover the entire residential and/or commuter program fee.

Awards are made until funds are depleted, and funds may be depleted before the application deadline. We cannot guarantee that all applicants who apply before the deadline will receive scholarship assistance.

** HOW TO APPLY FOR A DEAN’S SCHOLARSHIP **

Scholarship applicants must have a completed and submitted 2016 Global Studies program application on file. Please visit the “How To Apply” page on our website for the program of your preference. You are not able to apply for financial aid without first applying to the program.

Dean’s Scholarship applications will not be reviewed until the applicant has been accepted to the program of his/her choice. Incomplete scholarship applications will not be reviewed.

A complete Dean’s Scholarship application consists of:

- Dean’s Scholarship Application form
- A copy of a filed and signed 2014 or 2015 federal tax return* showing adjusted gross income (include a copy of each parent or guardian’s tax return, if filed separately)
- Copies of W-2 form(s) from the same year as the submitted tax return

* The first two pages of a 1040 tax return are required, with the “Profit or Loss from Business” page only if the taxpayer is self-employed. Do not include supplemental schedules/forms, as they are not required for financial aid determination.

Please send the completed application in its entirety to Brown University using one method. Do not split up your application materials (ex. emailing your application page, and faxing your tax forms). This will delay your scholarship processing.
