Grant Achilles Summer Exposure Camp Session 1

The Brown University Baseball coaching staff is proud to offer a can’t miss opportunity for the student-athlete with aspirations of playing collegiate baseball at the Division I and Ivy League level. The Grant Achilles 2016 Summer Exposure Camp will have two sessions, June 4-5, 2016 and August 13-14, 2016, on the campus of Brown University in Providence, RI. Top-level instruction is provided from the coaches of Brown University, and other collegiate coaches from academic institutions. For the player looking to take their game to the next level, the demonstrated skills and instruction can allow each player to continue to develop long after the conclusion of camp.

Eligibility
Boys in 10th - 12th grades as of September 2016

Check-In/Out
Check-in times will be provided by the coaching staff as camp approaches. Camp will conclude by 6pm on the second day.
Due to anticipated demolition and renovation to Brown’s current on-campus baseball field, Murray Stadium, the primary site for the camp will be Berylson Field, a practice field facility located adjacent to Murray Stadium. The camp will also utilize other athletics facilities as necessary.

Early/Late Arrivals
While we strongly recommend arriving to check in during the designated timeframe, we understand things come up. If you are unable to arrive on campus during the above mentioned check-in times, please email sportscamps@brown.edu to arrange your arrival plans.

Camp Format
Each camp session is designed to improve each player’s individual skill set, strengthen their concept of team baseball, and encourage competition in a number of different settings for the collegiate coaches in attendance. The camp will consist of position specific drills, fundamental skill sessions, pro-style workouts, and game play. Each player is guaranteed two games with registration—playing time at a camper’s primary position is guaranteed, while playing time at a secondary position depends on the positional breakdowns within the camp. Other topics pertaining to collegiate baseball which may be covered include but are not limited to strength & conditioning, speed work, nutrition and the mental game.
