Students traveling alone are strongly encouraged to arrive on Saturday. Residential staff will be available to accompany SPARK students to and from the TF Green Airport, Providence train station, or Providence bus station. Please note that students will be billed \$150 for early arrival and \$75 - each way - for accompanied travel. Parents who are sending their student alone must complete this "Travel Alone" form and return it to us no later than June 30, 2009. We may not be able to accommodate requests received after this date. One week prior to the start of the program, we will provide you with the name and phone number of the staff member who will meet your student.

Please fax your completed form to (401) 863 3916. Attention: SPARK Residence Director
