Donation Instructions Continued

We can accept monetary donations in two ways:

- A. You may write a check made out to Brown University. Please make a note that the check is intended as a donation to the Brown Formula SAE team. Mail checks to:

Brown University
Attn: Tina Trahan
182 Hope Street
Providence, RI 02912

- B. You may also donate online at <https://gifts.development.brown.edu> (this address may not work unless you type the full URL, including the “https://”).
1. Click “Give Now”
 2. Under “Other Current-Use Priorities”, check the box for “Other” and type in “Engineering – FSAE Car Team”.
 3. Click “Continue” at the bottom of the page and continue through the rest of the steps.

Either way you choose to donate, please send an email to our team account (fsae@brown.edu) to let us know that you have donated, and indicate if you would like to sponsor a specific item from our Wish List. This helps us keep track of donations and allows us to check the status of your donation to ensure that it makes it to our account. Additionally, if you would prefer to make a donation in kind please contact team captain Graham Keeth (graham_keeth@brown.edu) to discuss that option.

Please feel free to contact us with any questions or suggestions that you may have. Thank you again for your generosity.
