Registration: register
Graduate students & postdocs, will you be submitting an NIH F-series fellowship and need guidance on navigating all the instructions, resources, and regulations associated with the application? Join Wendy Virgadamo from BioMed Grad & Postdoc Studies for a walk through the forms and process to familiarize you with what you'll need, where to get it from, and the resources available to you in the submission process.
OGPS Seminar - Components of a Grant: Exploring the Features of a Standard Funding Application

Date: Wednesday, June 27, 2012
Time: 2:00 – 3:00pm
Location: 69 Brown St, J Walter Wilson 202
Registration: register

Graduate students, are you confused about the way a standard grant application is put together? Want a better understanding of the components involved, and the best way to approach them? Join Associate Dean Elizabeth O. Harrington for a look into the primary elements of a funding application that will help explain how the different pieces fit together and how best to focus your efforts for your own submissions. This is a small session, and space is limited... register today!

Sponsored by: Office of Graduate & Postdoctoral Studies, Graduate School, and CareerLAB
