The Office of Women in Medicine and Science cordially invites you to the Inaugural Irene J. Owens Memorial Lecture for House Staff

**Food for Thought: Recipes for Creating a Life Stew**

*Guest presenter*

Judith Owens, MD, MPH  
*Director, Center for Pediatric Sleep Disorders*  
*Boston Children’s Hospital*  
*Professor of Neurology*  
*Harvard Medical School*

Irene J. Owens was the Continuing Medical Education (CME) Officer at the Alpert Medical School of Brown University for many years. She was devoted to the career development of physicians in this community.

The Irene J. Owens Endowment Fund was established in her memory by her late husband, Matthew, and daughter, Judy, our guest speaker, friends and colleagues.

Tuesday, October 17, 2017  
12:00 noon  
Rhode Island Hospital – George Auditorium

*Please join us for this luncheon program. Sandwiches, salads and beverages from Au Bon Pain!*

**To Register**
