You do not need a separate user name and password if you log in to Interfolio through Brown's Shibboleth system. To do this:

1. Go to Interfolio.com

2. Click the Sign In button (outlined in red), on the upper right hand side of the screen

3. The next page reads "Sign in through your institution." Begin typing “Brown University” and the field will autofill. Click the Sign In button.
4. You will be routed through Shibboleth (Brown’s web authentication) to the landing page for Interfolio. You will then see a list of all cases that are currently available to you.
