PERSONAL LEAVES OF ABSENCE

Students wishing to take a personal leave of absence from Brown should meet with an academic dean to discuss their plans for time away. The expectation is that students will be engaged in some meaningful activity while on leave. Once approved for a personal leave, students complete a Request for Leave of Absence form and notify the appropriate offices of their leave.

This document details the steps to take for personal leaves of absences. Students who have been suspended from Brown or who are on medical leave must complete additional steps when leaving Brown and when petitioning for readmission. Consult the Office of Student Life for procedures regarding medical leaves and suspensions for non-academic reasons. The Dean of the College Office handles petition for readmission from academic suspension.
