COBRA

COBRA enables you to continue your currently enrolled health, dental and/or vision coverage. Sentinel Benefits will mail COBRA information to your home address in Workday after your termination date. You have 60 days from the date of your termination to sign up for COBRA. The coverage will then be retroactive to the first of the month after your active coverage with Brown ends.

FLEXIBLE SPENDING ACCOUNTS (FSA’s)

Health Flexible Spending (HFSA) will terminate on your last day of employment. You may be reimbursed for eligible expenses incurred up until your date of termination. You may submit for reimbursement until June 30 of the following year.

You may continue your current Health Flexible spending accounts through COBRA coverage on an after-tax basis until the end of the plan year. Information about continuing your health flexible spending account will be included in your COBRA notification from Sentinel Benefits. If you continue coverage through COBRA, you will be able to use your flexible spending current election for eligible expenses through the end of the plan year.

Dependent Care Flexible Spending (DCFSA) expenses incurred after the date of separation are able to be reimbursed up to the plan year end. You may submit qualified expenses up to your available balance for reimbursement through the plan year end in which you terminated employment. If you do not have any qualifying expenses, any remaining balance in the plan will be forfeited.

LIFE INSURANCE

Voluntary life insurance coverage may be ported or converted provided the coverage has been in place for 12 months prior to separation. You also have the option of porting or converting Employee Basic, Voluntary and Dependent Life Insurances to an individual policy for the amounts that were in place at the time of separation. Please contact the Benefits Office for the required forms. Please note, your completed application must be submitted to the insurance company within 31 days of your coverage ending.
