

Support for You and Your Family

Spring Health is your personal mental health benefit that offers confidential access to:

Wellness exercises

Digital exercises for stress relief, better sleep, and more.

Personalized care

An online mental health assessment finds the right care for you and tracks your progress.

Confidential therapy

Meet with a trusted therapist in as soon as two days. Get up to 10 free sessions per person, per year.

Work-life services

Resources and experts to help you navigate life's challenges.

Dedicated support

Your Spring Health Care Navigator is a licensed clinician who guides your journey.

Coaching

Set and reach goals, create healthier habits, build new skills, and more.

"I just had my first session ... I already feel a sense of relief and hope that I haven't felt in a long time."
