THIS AGREEMENT made as of this 12th day of October 2011, by and between BROWN UNIVERSITY IN PROVIDENCE IN THE STATE OF RHODE ISLAND, AND PROVIDENCE PLANTATIONS, hereinafter called the “University” and UNITED SERVICE AND ALLIED WORKERS OF RHODE ISLAND, hereinafter called the “Union”.

WITNESSETH:

WHEREAS, it is the purpose of this Agreement to promote good relations between the University, the Union, and the employees represented by the Union and to make clear the basic provisions upon which such relations depend; and

WHEREAS, it is the intent of both the University and the Union to work together to provide and maintain mutually satisfactory terms and conditions of employment and to prevent as well as adjust misunderstandings or grievances relating to employment; and

WHEREAS, both the University and the Union believe in and accept bargaining as a means of carrying out the purpose and intent of this Agreement;

NOW, THEREFORE, in consideration of the premises and of their mutual assent hereto as the terms and provisions of the contract between them, the University and the Union agree as follows:

Article I

Recognition of the Union

The University recognizes the Union as the sole and exclusive collective bargaining agency for all full-time and regular part-time building service employees of Brown University who are employed in the job classifications set forth in Article XX of this Agreement and Stores Clerks in the stores operations division, but excluding all other employees, student employees, office clerical employees, miscellaneous employees, professional employees, guards, and watchmen and all supervisors as defined in the Act, for the purpose of all bargaining with respect to wages, hours and working conditions. The University accordingly will make reasonable arrangements to enable representatives of the Union to confer with representatives of the University during working hours. The University will also arrange for representatives of the Union Local to confer with bargaining unit members or with cognizant supervisors and managers in connection with grievances or other matters directly relating to the Agreement between the parties, during working hours. The Chief Steward, shop steward or other representative of the Union wishing to confer with an employee on Union business during working hours shall make arrangements to do so with the employee's Division Supervisor, or his or her designated representative. In order to properly implement the grievance and representation provisions of the Agreement and at the same time ensure good faith utilization of time away from work by Stewards for these purposes, the parties agree as follows:

Union Stewards, Chief Stewards and, if applicable, the President who need to be excused from work assignments for representation purposes shall contact their immediate supervisor and make the necessary arrangements.

The request shall include the stated purpose of the representation activity. Granting of said requests shall not be arbitrarily withheld by supervision.

Upon completion of the representation activity and before returning to work, the representative shall report back to his/her supervisor.

The supervisor is responsible for keeping a record of elapsed time charged for representation and jointly with the representative to assure representation time is used efficiently.

The representative will advise the supervisor(s) of any employee(s) he/she intends to meet with of his/her presence to ensure that the representation activity will have the least possible interference with or interruption to other employee's regular work duties.

The representative is responsible for reasonableness in the execution of his/her representation duties, especially scheduling activities with the least possible interference with or interruption to his or her regular work duties.

It is the Administration's responsibility to ensure that employees and their representatives are free to exercise, in good faith, their rights pursuant to the Agreement. There shall be two (2) Chief Stewards from the Facilities Management Department, one who shall represent Division 4 Custodial and one who shall represent the remaining Facilities Management personnel, who shall have super seniority in regard to layoff and recall in their respective Departments, provided they are capable of performing the available work. Chief Stewards shall have up to a maximum of four hours each month to confer with Union members on Union business during working hours.

The President of the Union, if employed in the Facilities Management Bargaining Unit shall have up to a maximum of four hours each month to confer with Union members on Union business during working hours, provided further that if the President is also a designated Chief Steward, then the time allotted shall be a

maximum of eight hours each month.

In addition to the Chief Stewards, the Union may designate members of the Units as Stewards for the purpose of adjusting grievances under the terms of the Agreement. The Union shall designate in writing to Director of Labor Relations those employees appointed Chief Steward or Steward and the employees holding officer positions in the Union. Each Steward, other than Chief Stewards, shall be allowed, without loss of pay, up to a maximum of two (2) hours each month to confer with Union members on Union business during working hours.

A good faith effort will be made to schedule union and management meetings during stewards and employees work hours.

The Union may appoint one Facilities Management employee to the University Benefits Review Committee.

The President, Vice President, Recording Secretary, Executive Board Member(s) or any trustee of the Union who is assigned to work on the second shift in Facilities Management shall have up to a maximum of three hours off each month, without pay, to attend executive board/membership meetings which occur during that shift.

Article II

Union Membership

All employees covered by this Agreement shall as a condition of continued employment become members of the Union in good standing on or after the 30th day following the beginning of such employment or on or after the 30th day following the execution of this Agreement, whichever is later, and shall thereafter maintain their membership in the Union in good standing during the term of this Agreement. The obligation to become a member of the Union in good standing and to maintain good standing in the Union is defined as the duty to tender periodic dues and the initiation fees uniformly required as a condition of acquiring or retain-

ing membership in the Union.

The Union will accept as members all present and future employees who are covered by this Agreement on the same terms and conditions generally applicable to other members. Whenever the Union shall charge that any employee covered by this Agreement has failed to become and remain a member of the Union in good standing during the term of this Agreement as required by Article II paragraph 1 and shall request the discharge of such employee, the University and the employee shall be so notified by the Union in writing and the University shall have thirty (30) calendar days following receipt of such notice within which to discharge such employee. If during such 30 day period the employee shall pay or tender his initiation fees and/or delinquent dues as the case may be, the University shall not be required to discharge such employee.

The Union shall indemnify and save the University harmless against any and all claims, demands and other forms of liability that may arise out of any action taken by the University in fulfilling the terms of this Article II. Upon receipt of a valid assignment in writing, in a form approved by the University, executed by an employee assigning a portion of his wages to the Union for payment of an initiation fee and of dues, the University shall cooperate with the Union in the collection of an initiation fee and of its dues, by recognizing such assignment, and by deducting from wages paid each employee, who makes such assignment, in exactly equal amounts from the first four paychecks in each calendar month the amount assigned. Said deductions shall begin on the first such regular payday in each calendar month which starts one or more days after receipt by the University of said assignment and shall continue thereafter so long as specified in the assignment or until receipt of instructions from the assignor to the contrary. All sums so assigned shall be paid by the University to the Union as soon as possible. The Financial Secretary of the Union shall certify to the University on an annual basis, or whenever there is a change in initiation fee and/or Union dues, the current initiation fee and/or Union dues and notice of any change will be made in writing to

the University thirty days prior to the effective date of the change. Whenever it is determined that a fee and/or dues are in arrears through no fault of any member/employee the parties will mutually agree on a method of recovering said fee and/or dues.

In the event an employee is on vacation at a time when said employees dues are to be deducted and thereafter paid to the Union under an assignment as aforesaid, the University will advance said dues and pay them to the Union, such advance to be repaid to the University by the employee promptly following said vacation. The University agrees to carry out this arrangement in good faith but the University shall not be responsible to the employee or to the Union for unintentional error. In the event the employee does not repay the University for the dues advanced within one month following the end of employee's vacation, the Union agrees to repay the University upon notice.

The respective Chief Steward or designee may meet with newly hired permanent (not limited duration) employees for up to a maximum of one hour, approximately once each sixty day interval, maximum six (6) meetings per year.

Limited Duration (formerly "miscellaneous") Employee Service Charge. The University may hire a temporary employee for a duration, at any one time, of 180 days. The 180 days may be extended by mutual agreement between the Union and University. It is agreed that any employee hired by the University after the execution date of this Agreement who is assigned to work on the Limited Duration Payroll in a job classification covered by this Agreement and who works at least 40 hours a week in such classification for more than 15 consecutive work days, shall, upon completion of such 15 day period, pay to the Union each month thereafter while continuously employed in the bargaining unit at least 40 hours per week, a service charge as a contribution toward the costs of administration of this Agreement. The amounts of such service charge shall be equivalent to the amount required to be paid as minimum Union dues by those employees who become mem-

bers of the Union. The University shall automatically deduct from said temporary employee's pay the equivalent monthly dues, and said employees shall assign dues on the customary form at the start of their temporary service. The University will be responsible for distributing the customary form.

Article III

Employment Management

The parties agree that operation of the University, including supervision of the employee and of their work, is a right of the University. Accordingly, subject to the provisions of this Agreement, the making of reasonable rules to assure orderly and effective work; the determination of what duties shall be performed and of employee competency; the hiring, transfer, promotion, demotion, layoff and discharge or suspension of employees for just cause without regard to Union membership and without discrimination; and the right to discuss terms and conditions of employment directly with employees and to inform them directly concerning employment matters, are privileges of the University. None of these rights shall be exercised in an arbitrary manner. The University at its discretion may employ its students without reference to this Agreement. The term "students" shall be defined as persons enrolled in a degree program at Brown and taking a course load or the equivalent equal to half or more of the normal academic program for such degree. The University will not layoff or dismiss a regular or regular part-time employee for the purpose of hiring a student.

Employees will be evaluated by one supervisor who reserves the right to receive performance input from appropriate sources. Management reaffirms the "comply with last order concept."

The University reserves the right to consider extending additional benefits to members of the bargaining unit when deemed practical. The University will advise the Union of anticipated

changes prior to implementation, but such matters are beyond the scope of the Agreement and therefore not grievable. This provision shall not be used in individual cases.

The University also agrees that the interests and viewpoints of the employees will be considered and that the right of the Union to represent any of the employees for collective bargaining and in dealing with individual grievances shall be observed.

The University agrees to furnish the Union on the tenth business day following the close of each month, the names of newly hired employees, their addresses, social security numbers, classification of work, their dates of hire, names of terminated employees, names of employees on leave of absence, and names of employees on limited duration payroll in Facilities Management.

On the tenth business day following the close of the month the respective Chief Steward will receive a listing of newly hired and permanently promoted employees showing date of action and classification.

Article IV **Seniority**

A seniority listing by job classification and division including pay level and step will be maintained by the University for all employees covered by this agreement and upon request, but not more than once a year, the Union may obtain a copy thereof.

A. *Reduction in the Workforce*

1 . The University will recognize the seniority principle with respect to regular employees, and when the qualifications such as ability, training, skill and other relevant qualities are considered equal, the University will give preference in temporary and seasonal layoffs and subsequent recalls to employee having the longest service with the University. Subject to qualifications as aforesaid,

in the event that a layoff becomes necessary, regular employees with the same job title shall be laid off in the order inverse to that in which they were hired, that is, employees last hired shall be first laid off. No new employee shall be hired until a list of qualified laid off employees has been first exhausted.

2. In the event of a permanent reduction in the workforce, the following procedure shall apply:

a) The least senior employee (in terms of job classification seniority) in the job classification to be reduced shall be removed and shall be permitted to fill an open job in his/her division provided that he/she is then qualified to perform that job, or in the event no such open job exists, he/she shall be permitted to exercise his/her division seniority to replace the least senior employee in his/her division provided that he/she is then qualified to perform the job of the least senior employee. Such replaced employee shall then be removed from the division.

In the event the least senior employee removed from the classification to be reduced is not then qualified to perform the job of a less senior employee (in terms and in the inverse order of division seniority), he/she shall be the employee removed from the division.

b) An employee removed from a division in accordance with (a) above, shall be permitted to exercise his/her seniority obtained in another division to displace any junior employee (in terms and in the inverse order of division seniority) in such division, provided that he/she is then qualified to perform the job of such displaced employee.

c) Any employee so displaced from his/her job in accordance with (b) above, shall be permitted to exercise his/her seniority obtained in another division to displace any junior employee (in terms and in the inverse order of division seniority) in such division, provided that he/she is then qualified to perform the job of

such displaced employee. This procedure shall be continued until the least senior employee (in terms of division seniority) is laid-off.

d) In the event an employee removed from the division in accordance with (a) above possesses neither the qualifications nor the seniority to displace another employee in accordance with (b) above, he/she will be allowed to bump laterally or to a lower level position he/she is qualified to perform based on Facilities Management Department seniority.

e) In the application of the above procedure for reduction in the workforce, newly hired probationary employees, temporary employees and ‘regular part-time employees’ within the division shall be laid-off before any “regular employee” is laid-off, provided there is a “regular employee” available and qualified to perform the job.

f) The terms “qualify” or “qualified” or “qualifications” as used in the foregoing provisions shall mean that an employee shall have satisfactorily performed the required work in the past or the employee meets the minimum job requirements and can become competent to perform the required work within a reasonable trial period, not to exceed 20 working days.

g) For the purposes of the foregoing provisions, the “divisions”, “job families” and “job classifications” included therein are as follows:

Facilities Management, by specified Divisions: 1. Structural, 2. Plumbing, 3. Electrical, 4. Custodial, 5. Grounds, 6. Stores, 7. Heat Plant, 8. HVAC-Mechanical & Steam Fitting, 9. HVAC-Controls.

Equipment Mechanics will be assigned to specific divisions. If a vacancy is posted it will be division specific. The University reserves the right to pool and/or transfer Equipment Mechanics for projects and programs.

B. *Expansion in the Workforce*

1. Laid-off or displaced employees will be recalled to job classifications in accordance with their division seniority, provided they are qualified, as defined in Article IV Section A paragraph 2.f, to perform the job.

It is the intention of the parties, by the preceding sentence, to first return to their former job, employees who, because of a reduction in the work force, were laid-off or displaced from such former job.

2. In the event that a vacancy cannot be filled by the return of the former job occupant thereto, in accordance with the preceding paragraph, such vacancy shall be deemed a permanent vacancy and shall be filled in accordance with the procedures established by Article VIII Section B. An employee who has been employed for three or more months shall not be laid off without one week's prior notice unless paid wages for one normal work week.

The University will notify the Union at least thirty (30) calendar days in advance, in writing, whenever practicable, of any anticipated reduction in force and the University will agree to meet with the Union in order to find some other solution before any layoffs are made.

In the event a regular employee resigns from a position covered by this Agreement and thereafter indicates, within thirty (30) days from leaving that position, a desire to return to that same position or any other position covered by this Agreement, the University will reinstate that employee's seniority earned prior to resignation if it should decide to rehire that employee.

In the event an employee covered by this Agreement becomes a regular employee as defined below, the seniority of that employee for the purposes of this Agreement shall continue without interruption. In the event an employee transfers into a position

covered by this Agreement from a position not covered by this Agreement, such employee's seniority for purposes of layoff and recall shall commence with the employee's first day of employment in the position covered by this Agreement. If an employee transfers from a position in the Bargaining Unit to a position within the University outside the Unit and subsequently returns to the same position in the Unit without a break in continuous University service, his/her seniority in the position will be adjusted to reflect prior seniority in said position. In any event, service for specified benefits will be based upon continuous University service. Employees hired into bargaining unit positions on a temporary basis who become regular employees under this Agreement will have for the purposes of seniority, time-in-grade increases (except as hereinafter modified), vacation and sick time, their initial date of hire.

A break in service (layoff) of less than 40 days will be bridged for limited duration employees so that time before and after will be counted in the application of this provision.

An employee who rolls-over in the same classification from limited duration to a regular job will have time spent on limited duration payroll counted toward the 3 month probationary period. In any event any employee must serve a minimum 1 month probation to be a regular employee.

For the purpose of this Agreement 'regular employees' means those employees who have satisfactorily completed their probationary period in a position covered by this Agreement and who work at least twenty-five (25) hours a week; and "regular part-time employees" means those employees who have satisfactorily completed their probationary period in a position covered by this Agreement and who work at least eighteen and three-quarters (18 3/4) hours a week, but less than twenty-five (25) hours a week. The normal three months probationary period shall apply to all employees covered by this Agreement. By mutual agreement between the University and Union an employee's probationary period may be extended and during such extension period the employee will

remain a probationary employee for purposes of this Agreement.

Prior to the completion of such probationary period employment, any employee may be terminated by the University at any time without reference to the seniority provisions or grievance procedures set forth in this Agreement. However, at least once a month during the probation period an employee shall be appraised of his/her job performance to that date, in writing, and at least one weeks advance notice shall be given to said employee except in cases warranting immediate discharge. The employee shall be given a copy of the probationary review. Probationary reviews are not grievable. Upon the satisfactory completion of probationary period service, the employee will be advised as to his or her job classification and rate of pay under this Agreement and his or her seniority under this Agreement shall date from that employee's first day of work. Thereafter, the employee's performance shall be reviewed on an annual basis by the employee's supervisor who shall discuss the review with the employee and show the employee his or her performance review sheet. The employee shall be given a copy of the review. A regular employee may grieve that the annual review unjustly includes a warning regarding performance or conduct. Such grievances are not arbitrable. Except for termination, probationary reviews or wherever specifically prohibited, probationary employees shall have the same rights to use the grievance procedure as regular employees.

An employee who has been laid off pursuant to the Seniority provisions of this Agreement shall have recall rights pursuant to this Agreement as follows:

Employees who have completed their probationary period and been continuously employed for greater than six (6) months shall be eligible for recall rights during a period equal to their length of continuous service prior to lay off, up to a maximum of twenty-four (24) months. It is understood that an employee's right to return to work under this provision is contingent upon the employees capability to fully perform the requirements of the job for which recalled. Employees who return to work pursuant to this provision shall not suffer a break of continuous service in the Bar-

gaining Unit.

Article V

Grievance Procedure

This Agreement sets forth the basic terms and conditions of employment, and is intended to continue the present and good relations between the University, its employees, and their Union. In the event of any grievance arising from and during the life of this Agreement between the employees and the University, the representatives of both agree to make prompt and earnest efforts to settle such matter. Except as provided hereafter all grievances shall be handled as follows:

Step 1: The Union Steward and employee shall take up the matter with the immediate supervisor of the employee involved, within five (5) working days after the occurrence first giving rise to the grievance. If the matter is not settled as a result of their discussion, the Steward will submit the grievance to the immediate supervisor in writing within ten (10) working days after the occurrence first giving rise to the grievance, explaining as specifically as possible the nature of the complaint and the contract provision affected. The immediate supervisor shall give a written answer to the written grievance within two (2) working days after receipt of the written grievance.

Step 2: If the grievance is not adjusted, the grievance shall be taken up at a meeting between a representative of the Union and the department head concerned, or his designated representative, provided the request for a meeting is made in writing five (5) working days after the Step 1 answer. The meeting will be held within five (5) working days after having been requested and answered within five (5) working days after the Step 2 meeting.

Step 3: If the matter is not settled at the second step, it shall be taken up by the principal officers of the University and the Union, or their designated representatives provided the appeal request is made in writing within five (5) working days after the Step

2 answer. Every effort shall be made to arrange the meeting within five (5) working days, but in any event the meeting will be held and the University's written decision shall be given within fifteen (15) working days after the third step meeting has been requested.

Step 4: If settlement is not reached in Step 3, and if the matter in dispute involves the interpretation or application of this Agreement, then either party may, by written notice to the other, submit the grievance to an arbitrator appointed under the rules of The Federal Mediation and Conciliation Service, or American Arbitration Association, as determined by the filing party, provided that such notice is given within fifteen (15) working days after the University has given its decision in Step 3. The written notice of appeal to arbitration will restate, as specifically as possible, the nature of the complaint, the Agreement provision(s) affected, the position of the appealing party and the remedy requested. The decision of the arbitrator shall be final and binding, except that the arbitrator shall have no authority to add to, subtract from, change or disregard any of the terms or provisions of the Agreement. The fees and other charges of the arbitrator shall be equally divided between the parties. If the parties mutually agree, an expedited arbitration procedure may be utilized.

Special Procedure in Discharge Cases: The procedure set forth above will be modified in discharge cases as follows: A grievance, if any, must be presented in writing, signed by the affected employee, within three working days after notice of discharge. Any such grievance must state the nature of the complaint and the Agreement provisions affected and shall constitute a grievance entered at Step 3 and be handled as hereinafter provided.

a) The Step 3 meeting will be held within three (3) working days after having been requested, unless mutually agreed otherwise.

b) The University's answer in Step 3 will be given within three (3) working days after Step 3 meeting.

c) Otherwise the procedure will be as above.

If it is ultimately decided that such suspension and/or discipline is unjust, the employee may be reinstated without loss of pay, as agreed to by the parties.

Prior to disciplining or discharging an employee, the employee's supervisor shall make reasonable efforts to contact the Steward to arrange for a meeting between the supervisor, the employee, and the Steward. If the supervisor is unable to reach the Steward, the supervisor may suspend the employee in cases of discharge and arrange for a meeting with the employee and the Steward held on the next working day. If the employee's condition constitutes a danger to himself, others or property, the supervisor may suspend him immediately without making any efforts to arrange a meeting with the Steward, except that the supervisor will arrange for such a meeting to be held on the next working day. This sub-section applies only to written reprimands and more severe discipline.

Any individual employee or a group of employees shall have the right at any time to present grievances to their employer and to have such grievances adjusted, without the intervention of the bargaining representative, as long as the adjustment is not inconsistent with the terms of a collective-bargaining contract or agreement then in effect: Provided further, that the bargaining representative has been given opportunity to be present at such adjustment.

A. *Pay for Grievance Time.* Where Steps 1, 2 and 3 of the grievance procedure take place during working hours, the University will pay for any regular straight-time wages actually lost by the Union representatives and the employee involved in the grievance meeting. The University shall not be bound to pay for the time lost in attending Step 4 of the grievance procedure. The Union agrees that this provision will not be abused and will be utilized in a reasonable manner.

The grievance procedure and arbitration provided herein

shall constitute the sole and exclusive method of determination, decision, adjustment or settlement between the parties of any and all grievances and the grievance and arbitration procedure provided herein shall constitute the sole and exclusive remedy to be utilized.

An employee who feels aggrieved by an order to perform a certain task shall not refuse to perform the task; but shall perform the same and then submit his or her protest as a grievance. Otherwise a refusal shall be grounds for discharge, but such discharge shall be subject to the grievance and arbitration procedure.

The University shall have the right to initiate Steps 2 and 3 of the grievance procedure with respect to any grievance, dispute or difference. Such initiation shall be by letter from the University to the President of the Union with a copy of same to the Business Agent of the Union.

The time limits specified in this section shall be deemed to be substantive provisions and failure to observe each and every such time limitation shall be a complete bar to any further action by reason of such grievance, unless extended by written consent signed by the University and the Union, which consent shall not be unreasonably withheld by either party. The terms “working day” and “working days” wherever used in this section shall mean and include any calendar day other than a Saturday, Sunday or holiday.

B. *Group Grievance.* A designated spokesperson may file a “group” grievance pertaining to the interpretation and/or application of this Agreement when it is deemed impractical to process individual grievances from a large and well defined group of employees having an identical complaint; said grievances shall be filed in writing, list by name the employees involved, be signed by the spokesperson and presented at Step 2 of the procedure.

C. *General Policy Grievance.* The Union may, in its own behalf, file a “general policy” grievance when the Union can substantiate that an employee or group of employees has failed to file

a grievance alleging improper application or interpretation of the Agreement and said failure jeopardizes the Union's right to maintain the integrity of the Agreement between the parties. General policy grievances shall not be used as a substitute for individual grievances, by way of example discipline and/or discharge when the employee affected refuses or fails to file a grievance in his or her own behalf. General policy grievances shall be filed in writing at Step 2 of the procedure and signed by a representative of the Union Local.

Article VI Strikes-Lockouts

During the consideration of a grievance no one concerned therewith, whether directly or indirectly, shall utilize any coercive or retaliatory measures to attempt to influence any party involved. It is also agreed between the parties that during the term of this Agreement or any renewal, or extension hereof, whether or not there shall be a grievance dispute pending, there shall be no strike, lockout, stoppage of work, sit-in, demonstrations, displays, banners, picketing or advertisement concerning any matter in dispute arising out of this Agreement. This paragraph shall not apply where the University or the Union refuses to follow the grievance procedure or refuses to arbitrate or comply with a valid arbitration award.

The Union and its members agree that during the term of this Agreement there will not be any sympathy strike whether sanctioned or not sanctioned.

Article VIII Working Conditions

The University agrees to maintain the following provisions relating to working conditions insofar as circumstances permit. If circumstances develop which, in the judgment of either the University

or the Union, warrant changes in these provisions, readjustments shall be worked out through the process of collective bargaining. Since changes may be warranted by circumstances beyond the control of either the University or the Union, either is entitled to request consideration of proposals to revise these provisions at any time. Such requests are to be made in writing, and agreed changes may be made without the necessity of otherwise revising the basic Agreement.

A. *Equal Employment Opportunity.* The University through its representatives, the Union through its representatives, and all employees covered by this Agreement agree there will be no discrimination against any employee or applicant for employment because of race, religion, color, national origin, age, sex, handicap, sexual preference, political affiliation or because he/she is a disabled or Vietnam Era veteran. The aforesaid provision shall include, but not be limited to, the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay and other forms of compensation; and selection for training, including apprenticeship.

B. *Employment, Transfer Promotion.* Qualified present bargaining unit employees and employees who have transferred out of the Unit as provided for in Article IV, Paragraph 4 shall be given preference over applicants for work when jobs are available and particularly for jobs offering advancement. Whenever it is necessary for the University temporarily to transfer or promote an employee to another job covered by this Agreement, the employee shall receive his or her regular rate of pay or the rate of pay for the job, whichever is higher. Employees permanently transferred or promoted shall be entitled only to the rate of pay for the job to which they are transferred or promoted.

In addition to the foregoing, it is agreed that a referral plan for promotion and permanent transfers shall be maintained, for consideration by the University in the event a vacancy occurs that can be filled by promotion or permanent transfer. The University

however, may fill all such vacancies irrespective of said referral plan. Referral cards for employees seeking promotions or permanent transfers will be made available through the Union Stewards and University's Human Resources Department.

For the purposes of this Agreement, a "promotion" is defined as an advancement by an employee covered by this Agreement to a higher paying job classification covered by this Agreement, a "transfer" is defined as a move by an employee covered by this Agreement to a job classification covered by this Agreement which is in the same or lower pay scale as the employee's present position, "permanent" is defined as no expectation of returning to former position and "temporary" is defined as expectation of returning to former position upon completion of assignment.

All permanent bargaining unit job vacancies in the workforce which the University intends to fill will be posted in a timely manner on the employee bulletin boards throughout the University for a period of five (5) working days. Management will post a notice if the status of a posted position changes. The postings will list promotions, salary, hours, and job requirements. One copy of each vacancy posting will be sent to the respective Chief Steward on or before the date of the posting. When more than one (1) job is posted, employees desiring to bid for more than one (1) job shall note their preference next to their names by number (1), (2), (3), etc. Employees interested in applying for each such posted job or jobs shall express their interest in writing to the University's Human Resources Department, stating their qualifications for the posted job or jobs. Except in cases of emergency or after consultation with the business agent or chief steward of the Union, no person shall be hired for a posted job until the expiration of the posting period. The Human Resources Department shall thereafter schedule any necessary interviews and shall inform the employees of their acceptance or rejection for the posted job or jobs. The determination as to whether an employee is qualified to fill a vacancy shall rest with the University. However, the University will recognize the seniority principle with respect to filling vacancies within the

bargaining unit. When the ability, training, skill and other relevant qualifications of applicants are considered equal, the University will give preference to the applicants having the longest bargaining unit seniority.

It is the University's intent to make training and schooling available on an equal basis to qualified candidates, when offered. When the number of opportunities is limited, seniority will be given consideration, unless not practical for business reasons.

All promotional and transfer tests determining the ability, training, and skill of an applicant for a vacancy shall be job related and objective.

If a unit employee is promoted or transferred, that employee shall serve the same probationary period on the new job as that required for a new hire. If the promoted or transferred employee is removed from the new job during the probationary period for reasons other than termination, the employee shall be returned to his or her former job, if available, or to an available equivalent one, without loss of seniority or benefits. An employee permanently transferred or promoted to a position covered by this Agreement may elect to return to the position from which he/she was transferred, provided the position has not been offered to anyone else and, in any event, provided the request to return is made within fifteen (15) working days of his/her transfer or promotion.

Trades Summer Training Program

The University agrees to institute a Trades Summer Training Program ("Program") intended to foster and encourage the career advancement of bargaining unit members. The Program shall include the following provisions:

1. Application into the Program

A. Available slots in the program will be determined by

management on an as-needed basis each year.

B. The number of available slots for each trade will be posted by December 15th of each year.

C. Interested bargaining unit members must meet the prerequisites set forth below and must submit a completed application by May 15th to qualify for participation in the Program.

2. Prerequisites

A. Applicants for the participation in the program must complete the courses identified by each trade leader at the education institutions identified by the Department. Whenever possible, the University will offer more than one option to bargaining unit members.

B. Employees must complete the required courses on their own time. Employees must complete the required courses and other reasonable prerequisites established by the Department prior to his/her participation in the Program. In lieu of completion of a prerequisite course, an employee may receive credit for prior experience by attaching documentation of his/her proficiencies to his/her application. Such documentation must demonstrate that the applicant has acquired through experience the skills and knowledge that he/she would have acquired by taking the required course(s). The means to verify the proficiencies shall include professional references from a structured and licensed business. If the proficiencies were gained through an informal and/or non-licensed organization, the employee will make every attempt to provide a relevant reference and sign an affidavit attesting to the fact that the employee possesses the required proficiencies.

C. Credit for completing a prerequisite will be given for up to seven years after completing the course. If more than seven years have past before the employee is

accepted into the program then the prerequisite course must be taken again.

D. Costs of the required courses will be reimbursed in accordance with the University's Employee Education Program, which include, but are not limited to, the following:

- The employee has not exceeded the fiscal year cap as determined by HR (the current cap is \$2500);
- The employee has met the grading criteria set forth by the Brown University Employee Education Program;
- The course is offered by an institution approved by the Brown University Employee Education Program; and
- The employee is enrolled in the particular course for the first time.

If any of the above conditions are not met, the employee shall be responsible for the cost of the course.

E. If a particular prerequisite course is not covered by the Brown University Employee Education Program, the Department of Facilities Management shall pay specified reasonable out of pocket tuition expenses for the course not to exceed two (2) hundred dollars per course. The employee is responsible for gaining approval for this in advance of the start of the course.

3. Selection

A. The Department shall determine whether or not an employee is qualified for the program.

B. Such determination shall be based on whether an employee has completed the prerequisites established herein, or is reasonably expected to do so by the start of

the program.

C. An employee can be selected into the program for up to three summer periods, either consecutive or non-consecutive. An employee who has reached this threshold can apply for and be selected into the program beyond this three year cap if there are fewer qualified candidates for the program than there are slots available for a given program year.

D. Further criteria for selection will be:

- Past successful performance in the program
- Attendance and safety record
- Performance reviews
- Disciplinary actions in the previous year or multiple past disciplinary actions in the employee's career.
- EEO classification – this criterion will increase in significance if a particular trade is underutilized for a protected class of employees.
- Seniority (when all other selection criteria are considered equal).

E. Summer Program participants will be placed at Level 108.

4. Future Consideration for Positions

A. Completion of the program does not guarantee that that an employee will receive a permanent position in the trades divisions. Selections for all open positions will continue to follow the conditions laid out in the collective bargaining agreement. However, an employee's successful completion of the Program will be considered as part of the employee's experience when s/ he applies for an open position in the trades.

B. Trades Division Supervisors will be responsible for monitoring the progress of Program attendees. The Supervisors will also be responsible for completing a performance evaluation for participants at the end of a program cycle.

C. *Health and Safety.* The University shall continue, as heretofore, to comply with legal regulations, whether heretofore or hereafter made, governing safety of working conditions, and will otherwise provide as far as possible for protection of the health and safety of the employees. The Union agrees that the employees shall, as a condition of employment, observe reasonable safety rules. Specifically, employees shall immediately report to their Division Supervisor, or his or her designated representative, any accidental injury and shall comply with rules requiring medical examination or treatment. Notification of any accidental injury to any employee shall be given to the joint Labor-Management Safety Committee within 30 days of occurrence. Employees shall be free to consult their own physicians without cost to the University, but in any case of accidental injury, the University shall in no way be obligated to accept the opinion of physicians not retained by the University.

The University and the Union will cooperate in maintaining and making effective safety and good custodial rules that will eliminate hazards and make the plant a safe and sanitary place to work. A copy of each accident report involving a bargaining unit member will be sent to the respective Chief Steward within 5 working days of report being filed. The University and the Union agree to continue the joint committee known as the Safety Committee with membership of eight individuals, three to be appointed by the University, four by the Union, and the University's Director of Safety. This Committee shall meet monthly or as may be decided by the Committee for the purpose of maintaining and promoting maximum safety working conditions.

The Committee shall:

1. Meet for the purpose of discussing safety problems and shall inspect plant locations to verify that adopted safety recommendations have been complied with.

2. Make recommendations for the correction of unsafe or harmful work practices.

3. Review all disabling industrial injuries and illnesses, investigate causes of same, and recommend rules and procedures for the prevention of accidents and occupational illness and for the promotion of the health and safety of the employees.

4. Recommend safety and health training for supervisors, union stewards, and employees to include specifics for particular jobs and buildings, both ongoing and for new hires.

Members of the Labor-Management Safety Committee when accompanied by a Management representative may at any time perform their duties as outlined in the article. Employees who are working shall notify their supervisor of the necessity to perform Safety Committee duties. In the event a replacement is required to avoid production delay, every effort will be made to obtain a replacement as soon as possible. Time spent by Union Safety Committee members in performing their duties will be paid for at their normal hourly pay. The University will upon request cooperate in furnishing the Safety Committee data and information concerning materials and substances used in the University, whenever possible.

All Safety Committee members will be issued a badge indicating they are members of the Safety Committee. This will enable employees to identify a Committee member during hours of employment. The University will furnish the Union with copies of minutes of the Safety Committee meetings.

No employee shall be discharged or disciplined for refusing to work on a job if the employee makes a written claim that the job is unsafe or might endanger the employee's health. A representative of the University and Union shall meet within 24 hours to determine if the job is or has been made safe and will not endanger the employee's health. Pending this determination, the employee shall be transferred to other available comparable work which the employee is qualified to perform. If said representatives agree that the job is safe and will not endanger the employee's health, the employee shall be required to return to the job. If said representatives are unable to so agree, the matter shall be submitted to arbitration under the Expedited Rules of the American Arbitration Association or other process as mutually agreed. The cost of the process will be borne by the party whose position is not sustained. If there is a determination by the arbitrator that the employee's original claim was not made in good faith, the employee may be subject to discipline, including discharge.

D. Comp. Time/ Inclement Weather. The University, its employees and the Union recognize the importance of providing essential services for students and others in the University community, especially during periods of severe storm conditions. Accordingly, employees required to report for work or remain at work when the Administrative Offices of the University are closed due to emergencies, including but not restricted to stormy weather, will earn twice the pay normally received when working under normal conditions. The doubling of pay during administrative closure also applies to hours worked at the overtime and double time rates. Employees unable to report for work will not receive pay per se. Employees sent home or instructed not to report for work will receive their regular pay. (See Side Letter E attached hereto)

E. Pension Plan. The University shall continue to provide coverage, at no cost to member employees, under the Pension Plan described in the booklet prepared by the University. The Pen-

sion Plan is a defined benefit plan providing eligible employees a monthly benefit calculated as follows: one and seventy-six hundredths of one percent (1.76%) of the average monthly compensation received (based on best five years) multiplied by the employee's total number of years of credited service. The retiree multiplier shall be increased to 1.78% on October 13, 2013.

An employee whose combination of age and credited service in the Dining Services and Facilities Management Employees' Pension Plan is equal to eighty (80) may retire. The retirement benefit will not be reduced per se by virtue of retiring under this 'rule of 80' provision.

An employee age 50 or older may request an estimate of their retirement benefit from the Pension Plan. The summary plan description will include beneficiary language to cover un-married participants.

All present employees who are members of that Pension Plan shall continue to be members. All new employees covered by this Agreement shall be enrolled in that Pension Plan. Those employees covered by this Agreement who elected to continue participating in an annuity plan offered by the University with TIAA shall have the right of continuing to participate in such annuity plan by continuing to contribute a minimum of two (2) percent by weekly payroll deduction and the University shall continue its eight (8) percent contribution to TIAA/CREF.

The University will, in a timely manner, forward to the Union's Business Agent a list showing the name, type or benefit, retirement date, monthly benefit (or lump sum payment) and other pertinent information relating to an employee's retirement.

F. *Voluntary Pension Contributions.* For eligible employees who elect to make voluntary contributions to a tax deferred annuity offered by the University, the employee contributions will be based on wages that include overtime earnings.

G. *Notice of Intention to Leave.* If and when an employee leaves the service of the University, on his or her own initiative, he or she shall give seven (7) calendar days written notice of such intention to his/her supervisor. If such notice is not given by the employee, such employee shall not be entitled to receive compensation for any accumulated vacation rights to which he or she would otherwise be entitled.

H. *Severance Pay.* In the event the employment of any regular employee (as defined in Article IV) shall be terminated because of inefficient or other similar unsatisfactory performance of such employee's work (other than misconduct as provided below) the dismissed employee shall be paid, in addition to any unpaid wages earned for work performed prior to the actual date of termination of employment, severance pay as provided herein, provided however, no severance pay or severance benefit, including without limitation accumulated vacation pay, will be paid or given in the event of termination of employment for misconduct or other violations of University regulations.

1. If the dismissed employee has been continuously employed by the University over one year but under two years, one week's regular wages without overtime;
2. If the dismissed employee has been continuously employed by the University for two years or more, two weeks regular wages without overtime; or accrued and unused vacation pay whichever is greater.

I. *Bereavement Pay.* In the event of a death in the immediate family of any employee covered by this Agreement, said employee shall be entitled to a leave of absence with pay up to a maximum of five (5) working days, paid at the employee's regular pay for all work days missed within that period. The bereavement period need not commence on the actual day of the death of an immediate family member. For the purpose of this provision,

‘immediate family’ shall mean mother, father, step-mother, step-father, current mother-in-law, current father-in-law, grandparent, sister, brother, child, step-child, current son or daughter-in-law, grandchild, current spouse or current domestic partner (for one year or more) of the employee. The University recognizes extenuating circumstances may arise whereby an employee may wish to defer using some or all of his/her entitlement pursuant to this sub-provision. Accordingly, as a matter of administrative policy, an employee may request using some or all of his/her entitlement to attend funeral or memorial services during the six months following a death in the immediate family as defined above, and the granting of such request will not be arbitrarily withheld.

In the event of the death of the spouse’s grandparent, child’s grandparent, spouse’s brother or sister, current brother-in-law or sister-in-law or the death of an employee’s aunt or uncle, an employee will be granted up to a maximum of two days off with pay to attend the funeral or memorial service.

In the event of the death of the domestic partner’s parent, grandparent, brother or sister, an employee will be granted up to a maximum of two days off with pay to attend the funeral or memorial service.

Staff are permitted to take up to one day of paid bereavement time off to attend the funeral or memorial service of family members not listed above.

J. Jury Duty. Any employee who is absent from scheduled work with the University for jury duty shall receive the difference between what the employee would have earned at his or her regular straight time rate of pay had he or she been at work and the payment received for such jury duty provided (a) the employee furnishes the University with evidence of jury pay from the clerk of the court wherein he or she served as a juror and (b) the employee reports for work on a regularly scheduled work day when he or she is excused from jury duty at such time as will permit

the employee to work at least four hours. Jury duty pay shall be limited to one call for Federal jury duty in any twelve (12) month period, and shall be limited to one call for non-Federal jury duty in any twelve (12) month period.

K. Reserve Duty. A regular employee with a Reserve or National Guard commitment who attends required annual duty training or who is activated due to national, state, or local emergency, shall receive up to a maximum of ten (10) working days in any twelve (12) month period, the difference between what the employee would have earned at his or her regular rate of pay had he or she been at work for that period and the payment received for such duty.

In order to receive this differential, the employee must present the University with an order from the Federal or State Government ordering him or her to duty and a statement from the paymaster of his or her Reserve or National Guard Unit indicating the amount of pay received for his or her training.

For purposes of computing vacation, time spent in the required annual training or required active duty described in this paragraph shall be considered time employed by the University.

If an employee continues to serve in a Reserve or National Guard Unit beyond the period of obligatory service, periods of absence caused by training or active duty shall be considered leave without pay and no benefits under this Agreement shall be accrued during such periods of absence, except as may be required by law.

L. Daycare. Employees covered by this agreement may participate in the Taft Avenue Infant Toddler Daycare Center program in accordance with its policies and procedures.

Article IX

Medical and Life Insurance

The University will provide all employees covered by this Agreement with the same health coverage options offered to other Brown employees. The current options offered are: Blue Cross Blue Shield Health Mate Coast-to-Coast, and United Health Care – Choice Plus. Commencing with plan year 2012, the University can substitute these named carriers with any other carrier or carriers provided that it does so for all other Brown employees and that the benefits are substantially comparable to the terms existing at the time.

If the University exercises its right to substitute or change carriers, it will provide notification to the union and bargaining unit members by August 15, or as soon thereafter as possible, but in no event later than September 30 for the upcoming benefit year beginning January 1.

In the event that during the term of this agreement any health insurance carrier or HMO or other provider refuses to renew its relationship with the University for a new plan year or, in the case of insurance coverage, refuses to guarantee a fixed premium rate for a new plan year, or makes it a condition that the University cease offering any other plan or plans, (in each case with respect to the bargaining unit) the University will have the right to drop that carrier, HMO or provider from its health care package provided, however, that the University will replace the dropped carrier, HMO or provider with a plan that provides substantially comparable benefits and premiums.

If the University substitutes a named carrier(s) with any other carrier or carriers, the provider networks of new carriers will be substantially comparable to those of existing carriers.

The University will use its best efforts to negotiate a waiver

of preexisting conditions clause for the members of the dropped plan. In any event, the University will reimburse employees for expenses incurred related to pre-existing condition provisions.

An eligible full-time or part-time employee's share of the premium cost shall automatically be deducted from his/her pay through the University Flexible Premium Plan. A full-time employee will continue to pay ten percent (10%) of the cost of the premium for the plan selected effective on January 1, 2012. Effective on January 1, 2016, full-time employees in grades above 106 will pay 12% of the cost of the premium for the health plan selected.

The University will provide all eligible employees covered by this Agreement with individual coverage under the University's Group Life Insurance Plan, including Accidental Death and Dismemberment coverage. Additional voluntary insurance also is available through the plan. The benefit awarded pursuant to the University's Group Life Insurance Plan shall be an amount equal to the employee's annual base wage earnings rounded to the next higher \$1,000 to a maximum of \$50,000.

The University will provide all eligible employees the opportunity to subscribe to its Brown University Dental Insurance Plan provided the employee pays his or her share of the premium by automatic payroll deduction through the University's Flexible Premium Plan.

The University will continue to provide medical and life insurance during absence due to personal illness, pregnancy disability (or if such is the case a combined pregnancy related disability/maternity leave of absence) and injury for a maximum of twelve (12) months, provided the employee makes monthly cash payments to the University for that portion of the premium he/she is obligated to pay pursuant to the terms of the Agreement. The above provision will be extended an additional twelve (12) months for employees on leave of absence due to an occupational illness or injury.

The surviving spouse of a deceased employee may elect to have hospital/surgical coverage continued for six (6) months, provided he/she makes monthly cash payments to the University for that portion of the premium the deceased employee would have been obligated to pay pursuant to the terms of the Agreement. The election must be made as soon as possible, but in any event within thirty (30) days of the spouse's death.

Federal law provides that if your employment terminates for any reason other than gross misconduct you have the right to continue your group health insurance coverage. In addition, your dependents may be entitled to continue coverage as a result of one of the following qualifying events: death of enrollee, termination of enrollee, reduction in enrollee's hours of employment, and divorce or legal separation from enrollee. In all cases the enrollee or eligible dependent is required to pay the applicable premium cost. The University is responsible for informing employees and eligible dependents of their rights and enrolling them for coverage if they so choose.

An otherwise eligible full time employee who elects to waive health insurance coverage in accordance with University policy shall in consideration of such election receive a buy-out payment in accordance with University policy. If the University changes, modifies or eliminates this buyout benefit, the benefit received by bargaining unit members will also be changed, modified or eliminated in the same manner provided further that if the University eliminates the Brown to Non-Brown buy-out benefit, any bargaining unit members who then currently receives the Brown to Non-Brown buy-out benefit will continue to do so for the duration of the Agreement.

A. Long Term Disability. All regular full-time employees who meet the eligibility requirements will be covered by the University's Long Term Disability Plan.

B. Flexible Plans. All employees who meet the eligibility requirements may participate in the University's Flexible Health Benefits Plan and/or Flexible Dependent Care Plan.

C. Retiree Health Benefit. All employees who meet the eligibility requirements may participate in the University's Retiree Health Benefit Plan.

Article X Bulletin Boards

The Union shall have the privilege of posting notices of Union meetings, election of officers and stewards, appointments and social affairs on bulletin boards to be designed by the University. The Union may request the use of alternate University services to notify members of the bargaining unit with regard to the above mentioned subjects. If the University grants use of an alternative method of communication the Union agrees to purchase said service and pay the customary charge.

Article XI Military Service

It is agreed that any employee who enters the military service of the United States shall, when available, be restored to his former position, provided application for reinstatement is made as required by law after honorable discharge and the applicant is mentally and physically fit. It is understood that service of any employee so reinstated shall be cumulative to his seniority rating. Any layoff of other employees in order to make room for such reinstatement shall not be considered a grievance, and any employee so laid off shall be given first preference to an opening for which the employee is capable of performing.

Article XII.1 Tuition Benefits

If an employee's son or daughter is accepted for admis-

sion into Brown University as an undergraduate, tuition costs up to a maximum of \$5,050 per year, per child, are covered by the University provided the employee has five (5) years of continuous full-time service. In order to be eligible for the benefit an employee must have been hired on or before September 30, 1978. Counseling for Brown Admissions:

A. Pre-application counseling - if a son or daughter of an employee expresses an interest in admission to counseling to supplement that provided by his or her high school, he or she should not hesitate to make an appointment with the Admissions officers. The employee may ask the Director of Labor Relations to make this appointment and he/she will do so.

B. Pre-decision counseling - after the application of an employee's son or daughter is received, the employee or the applicant may wish to discuss the application and the student's college planning with the Admission Office. The Director of Admission is willing to counsel the student at this time and appointments may be arranged through the Director of Labor Relations.

C. Financial Aid counseling - after the application of an employee's son or daughter is received, the University is willing to counsel the student and parents regarding financial aid. Appointments may be arranged through the Director of Labor Relations.

Article XII.2 Tuition Aid Program

All employees may participate in the University's Tuition Aid Program in accordance with policy and procedures established by the University. The program provides assistance in paying undergraduate tuition costs for dependent children of eligible employees.

Article XIII.1
Paid Maternity Leave

Women who have completed at least four years of continuous service and request a leave to give birth to a child will be granted a leave of six weeks with full regular pay. Said pay will not be charged against any other entitlement, except it will be credited toward statutory Parental Leave.

Article XIII.2
Unpaid Leave

Employees covered by this Agreement shall be eligible for unpaid leave as follows:

A. *Disability Leaves.* If any employees disability due to illness or injury, including pregnancy related disabilities, continues beyond the period covered by paid leave of absence as provided for elsewhere in this Agreement or in the case of any employee who is not eligible for paid leave of absence, the employee may request a leave for the period during which such disability continues if the employee is unable to work. All requests for such disability leaves must be made in writing prior to the commencement of the leave if possible and shall indicate the approximate date of the return, and upon request by the University medical evidence must be submitted that the employee is so disabled.

Upon return from disability leave, an employee who is certified as able to resume his/her normal duties shall be reinstated in his/her former position unless the former position has been permanently filled or eliminated, in which case, the employee shall be placed in a comparable position, without decrease in rate of compensation or loss of promotional opportunities.

The initial disability leave, whether a combination of paid and unpaid or unpaid shall not exceed twelve months. Prior to the

expiration of initial leave an employee may request an extension of the leave at which time and periodically thereafter the University shall have the right to review the circumstances to determine at its discretion consistent (with applicable laws) whether the leave should be extended or the employee/employer relationship should be terminated pursuant to Article VIII (G) of this Agreement.\

An employee may request a maternity leave immediately following a pregnancy related disability leave of absence provided, however, that the combined duration of the pregnancy related disability leave of absence and the subsequent maternity leave of absence shall not exceed nineteen (19) weeks.

The intent of this provision is to continue the employees status up to the maximum duration as provided herein, together with related benefit entitlements, unless the employees status changes from one of leave of absence to, by way of example, disability retirement, negotiated lump sum settlement, or similar situations.

B. Union Business. At the written request of the Union, the University shall grant either an officer of the Union or a duly elected or appointed representative of the Union, not to exceed one (1) employee at any one time, leave of absence without pay for a period not to exceed one (1) year or the period of elected office, provided that such leave will not interfere with the operations covered by this Agreement. The purpose of this leave is to permit the representative to work for the International, District Council and/or the Local Union on Union business. During the period of such leave of absence an employee will not accrue seniority, nor will the University have any obligation for continuation of benefits as specified elsewhere in this Agreement. Such leaves may be extended upon written request thirty (30) days prior to the termination thereof

C. Other Leaves. Unpaid leaves of absence may be granted at the discretion of the University to all employees for a specific

period and for a specified reason such as family illness, study or travel, All requests for such leave shall be made in writing at least one (1) month, prior to the desired commencement of the leave, if possible, and shall indicate the approximate date of return. Such leaves may be granted for a period of up to six (6) months, and the granting of such leaves will not be arbitrarily withheld.

D. *Returning From Leave.* Except as provided for in XIII (A), when an employee returns following all authorized unpaid leaves of absence, the employee shall be reinstated to the employee's former position unless the position has been filled. In such event, the University shall offer a position covered by this Agreement requiring similar or comparable skills if such a position is available. If such a position is not available, the University shall offer the employee the first available job opening covered by this Agreement requiring such similar or comparable skills. Should a position of comparable or similar skills be made available to the employee either upon the employees return from unpaid leave or subsequently, and should the employee refuse to accept such position, the University's responsibilities to the employee shall cease.

E. *Medical Leave Acts.* Both parties agree to adhere to the Family Medical Leave Act of 1993 (FMLA) and the RI Parental and Family Medical Leave Act of 1987 (RIFMLA) and its regulations for all bargaining unit employees. Any family or medical leaves made available through this contract are intended to run concurrent with the leave time available through the Family Medical Leave Act of 1993 and the RI Parental and Medical Leave Act of 1987, where applicable.

An employee shall be eligible for parental leave for child birth, adoption or foster care, and medical leave for his or her serious health condition or the serious health condition of a member of the immediate family as defined by the applicable Act. Such leave shall be unpaid and will be granted for either a maximum of thirteen (13) weeks (RIFMLA) or twelve (12) weeks (FMLA) in accordance with the provisions of the applicable Act. An employee

is expected to give thirty (30) days notice unless the need for the leave is unforeseen. At the expiration of the leave, if additional leave is desired, the employee may request leave under Article XIII.2 (A) or Article XIII.2(C), whichever may be applicable.

Benefits will be continued in accordance with the Acts. The employee may be required to pay in advance for health and dental insurance and request reimbursement when s/he returns to work. Vacation and sick time shall continue to accrue during such leaves.

Upon return from either a RJFMLA or FMLA leave, an employee shall be restored to his/her former position unless the former position has been permanently filled or eliminated, in which case the employee shall be placed in a position with equivalent seniority, status, employment benefits, pay and other terms and conditions of employment.

Article XIV Voluntary Retirement

No employee will be subject to involuntary retirement because of attainment of a specified age. Nothing contained herein, however, shall limit the right of the University to terminate the employment of any employee if and when, in the judgment of the University, the employee is no longer qualified to perform the duties of employment.

Article XV Disciplinary Slips

An employee will be entitled to receive a copy of any disciplinary slips placed in his or her file. A copy of such slips will be sent to the union. A copy of all written warnings shall be issued to the respective Chief Steward within in five (5) working days of the infraction. Upon request, an employee may look at his or her personal file at any time in accordance with University policy. Warnings shall be considered current and in effect for twelve (12)

months from time of issuance. The parties may agree to a longer period if warranted.

An employee and the respective Chief Steward will receive a copy of complimentary letters placed in an employee's file.

Article XVI Subcontracting

The University shall have the right to subcontract. However, the University shall notify the Union and provide the Union with an opportunity to discuss any subcontract of a major operation on a permanent basis.

Article XVII Invalidity Under the Law

If any provision of this Agreement is held to be in violation of the law, the invalidity of such provision will not affect the remainder of the Agreement.

Article XVIII Union Conventions

At the written consent of the Union, employees, not to exceed two (2) at any one time, shall be granted days off without pay for attendance at the Unions National Convention, State Convention, AFL-CIO Conventions and/or the Union's District Convention provided that the absence of such employees will not interfere with the operations covered by this Agreement.

Article XIX Parking Permit

Employees covered by this Agreement will be able to purchase parking permits and pay for them through a payroll deduction plan as determined by the Parking Office. The current practice of allow-

ing 2nd and 3rd shift employees to use the day parking lots during off-peak hours without fee will be continued in accordance with regulations determined by the Parking Office.

All employees hired into step 104 after 10/12/03 will be compensated at the AA step for three years prior to continuing with the normal scale progression at Step B.

Employees will be hired at Step A of the classification they are to hold. Employees shall be advanced to Step B upon completion of three (3) years continuous employment in a position covered by this agreement. An employee will be advanced to Step C upon completion of two (2) continuous years at Step B in a position covered by this agreement. An employee will be advanced to Step D upon completion of seven (7) years at Step C in a position covered by this agreement or fifteen years Facilities Management seniority, whichever comes first.

Effective October 10, 2004, a new step will be added to the grid. Step “E” will be 1% higher than step D in the respective pay level on the grid. Employees will be advanced to this new step “E” upon completion of twenty years of Facilities Management seniority. Effective October 9, 2005, the value will increase an additional 1%.

Stationary Engineer Mechanic, Operator and Lead shall receive an additional 15% added to their respective base pay.

Employees who hold a Master’s license as recognized and controlled by the State of Rhode Island will receive a premium of fifty (50) cents per hour, provided only that the employee holds

a regular, full time position and also possesses an applicable, job related license as indicated below.

Category 1. If the employee holds a master electrician license and is employed on a regular, full time basis in the job classification of: electrician – electronics, electrician, electrician – lead/master, or high voltage technician, s/he is eligible for the premium pay.

Category 2. If the employee holds a master refrigeration license and is employed on a regular, full time basis in the job classification of: HVAC refrigeration mechanic, HVAC mechanic – lead/master, controls mechanic, or controls mechanic – lead, she is eligible for the premium pay.

Category 3. If the employee holds a master plumber license and is employed on a regular, full time basis in the job classification of: plumber – licensed, or plumber – lead/master, s/he is eligible for the premium pay.

Category 4. If the employee holds a master pipe fitter license and is employed on a regular, full time basis in the job classification of: stationary engineer operator, steamfitter, steamfitter – lead/master, stationary engineer – lead, HVAC refrigeration mechanic, stationary engineer mechanic, or controls mechanic, s/he is eligible for the premium pay.

Each of the four categories above is mutually exclusive. For example, an employee who possesses a master license contained in category 1, and is employed in a job classification contained in category 2, will not be eligible for the premium pay.

Any employee who is receiving the master pay premium as of October 12, 1997, but who does not hold the job classification and applicable master license as indicated in categories 1-4 above, will continue to receive the premium while he remains in his current job classification. Under no circumstances will the University

pay a duplicate master premium to any individual who holds more than one master's license.

An employee holding the classification "Lead" or "Lead/Master" will be paid an hourly rate (inclusive of shift differential and other differentials and premiums) which is five percent (5%) higher than the highest inclusive hourly rate paid an employee directly led.

Any new or substantially revised position established by the University during the life of this Agreement will, with regard to rate of pay, be negotiated with the Union and added to the contract by a Memorandum of Agreement. The University agrees to discuss the duties of any new or substantially revised positions with the Union but must reserve the right to make final determination pursuant to Article III, Employment Management, of this Agreement.

An employee promoted from a job in one level to a job in a higher level will be placed in a step not lower than the pay rate for the step permanently held immediately preceding promotion, except when that promotion takes place within a designated division, or job family with Facilities Management, in which case the employee will be placed in the same step in the new job as that permanently held immediately preceding promotion. Thereafter, an employee's progression through steps will be based upon continuous divisions/job family seniority. When the promotion is not with the division/job family, an employee's progression through the steps will be based upon continuous seniority within the new classification. For purposes of this section, "job family" is meant to reflect a preponderance of transferable skills between the two positions.

A shift differential of 3.5% of base hourly rate per hour shall be paid to employees whose regularly scheduled shift begins on or after 3:00 p.m. and before commencement of the so-called "first (day) shift", except that such shift differentials shall not be

paid to Stationary Engineer Mechanics, Operators or Leads who work regularly scheduled rotating shifts. Employees who substitute for Stationary Engineers working the schedule will receive the (5%) rotating shift premium for hours they work in the heating plant performing the duties of the Stationary Engineer they are replacing. Heat Plant personnel will receive a (15%) premium added to the base rate of pay for work performed inside vessels after the access hatch, manhole, door or other means of entry has been opened and work has actually begun in said vessel. Vessels are defined as boilers (waterside and fireside) generators (steam), receivers, soot re-injection system (hoppers and uptakes), converters, bilges and treated water tanks. Supervisors and/or lead men will estimate the time that each such assignment should take and record the actual time spend working inside the vessel. Bargaining unit members assigned to the 11:00 p.m. to 7:00 a.m., 11:30 p.m. to 7:30 a.m., or midnight to 8:00 a.m. shifts shall receive a 4.5% shift differential.

Shift premium and rotating shift premium will be considered as included in an employee's base pay for the purpose of calculating vacation pay.

Article XXI

Hours of Work and Overtime

The normal hours of work for employees covered by this Agreement shall be (40) hours per week, eight (8) hours per day, and five (5) days per week. All employees shall be paid one and one-half their regular straight time hourly rate of pay for all work performed in excess of their regularly scheduled eight (8) hours per day or forty (40) hours per normal work week, without duplication. Any regular employee required to work on Sunday, except employees working on the classifications set forth in the next paragraph, shall be paid one and one-half his or her regular straight time hourly rate of pay for all hours actually worked on Sunday.

The normal work week shall be Monday through Friday,

inclusive; provided that the employees in the following classifications, which require continuous operations, may be regularly scheduled on a shift basis which allows for five continuous days of work with overtime paid to the employees in such classifications for work performed by such employees in excess of eight hours per regularly scheduled work day or in excess of forty hours with any seven day consecutive period: HVAC Mechanic – Lead/Master, HVAC Refrigeration Mechanic, Stationary Engineer, Stationary Engineer – Lead, Stationary Engineer – Mechanic, Controls Mechanic, including Apprentices to these classifications and Custodian II – Dining Services. Provided the present five-man rotating shift schedule in the Heat Plant remains in effect, the obligation to pay overtime shall not apply to regularly scheduled work days which are in excess of forty hours within any seven day consecutive period.

An employee who works more than twelve (12) continuous hours shall receive double time for hours worked in excess of twelve (12) hours. Overtime will be equalized in so far as practicable between employees fully qualified to perform the work within their respective Division, by shift, provided however that the obligation to equalize overtime shall not apply in cases involving security requirements or continuation of work begun during the regular shift. Where no employee is available to fill a scheduled overtime assignment or an emergency assignment occurring before the end of the regular shift (as distinguished from overtime on recall), the assignment will be filled by the next person in rotation (low hour man). No individual employee can refuse the assignment except for overriding personal considerations. Employees who refuse overtime or those who accept and fail to report for overtime shall be charged for the assignment refused or missed. 48 hours notice shall be given of overtime opportunity, except in emergencies beyond the control of the University. For the purposes of this section, it is understood that the regular straight time hourly rate of pay for the purpose of computing overtime or shift differential shall never itself be increased by including in it any overtime, shift differential, vacation pay, or any other premium

pay, whether provided for in this Agreement or otherwise, or by adding any such pay to the regular rate of pay. There shall be no pyramiding or duplication of overtime, shift differential, vacation, or any other premium pay. Hours paid at overtime rates on one basis shall not be paid, or used to calculate, an additional overtime pay on another basis.

The University will provide direct payroll deposit to employees. Employees must complete forms provided by the University payroll office to access this benefit.

Sick leave with pay, vacation with pay and family death leave with pay will be considered as time worked for purposes of calculating overtime.

Article XXII

Division 4 Shift Preference Transfers

In consideration of the quad-shift operation in Division 4 exclusively a bidding employee who permanently holds the same classification as that being filled may be given credit for the position on a different shift because of the experience gained in the class, provided such credit is consistent with other terms of the Agreement. When Facilities Management administration determines that a vacancy exists in Division 4, Custodial, the vacancy will be posted within the Division for 3 full business days. Said posting will include the Key Station in which the vacancy exists and (if known) the building assignment (although transferring into the position is not a guarantee of that building assignment). All interested applicants may apply. An applicant's relevant experience, ability, excessive absenteeism as defined in Article XXVII, and discipline will be considered and, when equal, the candidate with the longest bargaining unit seniority will be offered the position. An employee who plans to be on vacation may file a pre-notice of interest and, if available for interview, will be considered for any openings which may occur in the employee's vacation absence.

In the event a candidate is not found through the above procedure, the University reserves the right to post a vacancy under regular procedures. Nothing herein shall modify any other terms or conditions of the Agreement.

Article XXIII Temporary Vacancies

Temporary vacancies within a division which the University intends to fill will first be offered as a promotional opportunity to qualified employees within the respective division. Eligible employees will be notified of such vacancies and shall indicate within two (2) working days that they wish to be considered for the position. If there is more than one qualified candidate, the position will be filled on the basis of seniority. If the University deems it necessary to fill any vacancy created by the application of this provision, the University has the right to fill the vacancy from outside the bargaining unit. If no employee is selected from within the division, temporary vacancies expected to last more than 60 days will be offered as a promotional opportunity to qualified employees within Facilities Management in the same manner as within the division. There is no intent to change existing practice for temporary jobs under 60 days or summer postings.

When a temporary assignment lasts more than thirty (30) consecutive days, an employee who takes time off for vacation, sick, bereavement, or holiday, will have his/her benefits paid at the rate of pay of the temporary assignment, beginning on the thirty-first (31) day.

When necessary the University will consider temporarily upgrading a Custodian II to Head Building Custodian for those whom the University designates as temporary Head Building Custodian and assign such work. It remains management's discretion whether to have someone serve in this role.

Article XXIV

Holidays

The following days, or the day following each of them falling on a Sunday, shall be recognized as holidays, whether or not a regularly scheduled work day, all eleven of which shall be with pay at straight time.

New Year's Day	Columbus Day
Martin Luther King, Jr. Day	Veterans Day
Memorial Day	Thanksgiving Day
Independence Day	Day Before Christmas (#2)
Victory Day (#1)	Christmas Day
Labor Day	

(#1). The University agrees to meet with the Union and determine a substitute holiday, if the State of Rhode Island discontinues observance of Victory Day.

(#2). When the day before Christmas falls on Saturday, it will be observed on the preceding Friday.

Any employee required to work on one of said holidays, whether or not it is a scheduled work day for such employee, shall receive in addition to his or her holiday's pay, payment at time and one-half for the hours actually worked on such holiday. Any employee required to work on a shift which commences after 3:00 p.m. on New Year's Eve shall receive payment at time and one-half for all the hours actually worked during that shift.

In order to be eligible for holiday pay, a regular employee must have worked his or her regularly scheduled shift immediately prior to and immediately following the holiday, unless (a) on approved sick leave; (b) by prior arrangement with the employee's supervisor or (c) on scheduled vacation. When a two or more day holiday situation occurs, if an employee is absent the day before or the day after he/she loses one holiday, if an employee is absent on the day before and day after, the employee loses all holidays in

between.

Except for employees in Division 7, employees who work a non-standard work week will in a week a holiday falls have their work week reduced by one day as agreed to between the employee and supervisor. If the employee is later scheduled to work on said day, he/she will be paid time and one-half for hours worked.

Article XXV Overtime on Recall

Any employee recalled to the University to do overtime work (as distinguished from overtime work not involving leaving the University without being recalled and/or scheduled early starts) shall, if recalled before midnight and if required to work less than two (2) hours, be paid for two (2) hours of overtime, and if recalled on Saturday, Sunday or a holiday or after midnight and before seven o'clock and if required to work less than four (4) hours, shall be paid four (4) hours of overtime. Employees will cooperate with the University in accepting overtime work on recall. The University will not discipline employees for refusing overtime assignments on recall.

Article XXVI Continuous Working Hours

The number of hours worked in a day or night shift period shall be worked continuously with the exception of the lunch period, where applicable. Subject to the foregoing the University shall have the right to fix and from time to time change the work hour schedules, except that the University will notify the Union of its intent to change a shift schedule at least one (1) week before posting notice of the change, and will provide the Union with an opportunity to discuss the change during that week. The University will also post a notice in the work area affected at least two (2) weeks in advance of the change becoming effective. The regular lunch period for all employees shall be one-half hour. Where applicable, all lunch periods may be scheduled by the University at

its reasonable convenience. Two rest periods of fifteen minutes each, portal-to-portal, shall be granted to all employees during a regularly scheduled shift during which they may be away from their assigned work.

All four shifts in Division 4 will be eight (8) continuous hours. Employees on these shifts will be entitled to one twenty and one fifteen minute portal-to-portal rest period during their regularly scheduled shift, as determined by the Division Manager.

Article XXVII

Sick Leave with Pay

All regular employees covered as of the date of this agreement, shall be entitled to eight (8) sick days with pay at their straight time rate during each subsequent benefit year (July 1 – June 30). All regular employees newly hired will earn, during the first benefit year in which they are employed, one (1) sick day with pay for each 1.5 months of service commencing with the end of their probationary period but retroactive to their date of hire. By prior arrangement between an employee and his/her supervisor, an employee may be excused from work and have the absence charged against the basic eight (8) sick days. Any employee who has not used the sick days to which he or she is entitled by the end of the contract year will be paid for such unused days at his or her regular straight time rate in effect as of the end of the benefit year. An employee who uses four or fewer sick days in a benefit year will have all unused days carries forward (banked) or paid off at the rate of one and one-half.

Absenteeism will be considered excessive, except in cases of major surgery and illness, when it exceeds a total of eight (8) days in a fiscal year (July 1 – June 30).

An employee may request to use her/his paid sick leave entitlement to care for a seriously ill or dying parent regardless of where the parent resides.

Employees have an option to have unused sick leave days “banked” in the following way. An employee under this option may have such unused sick days accumulated to be drawn upon at a later date if such employee becomes sick. In order to draw upon such accumulated sick leave the employee must actually be sick and have exhausted sick leave pay to which otherwise entitled under the contract. The University shall have the right to have an employee examined by its own physician. Upon termination of employment such accumulated banked sick leave shall be paid in full to the employee. Payment under this option will be at the employee’s rate in effect at the time of payment. All existing employees desiring to elect the “banking” option may do so within 30 days prior to each July 1. All existing employees not electing the above option within said 30 days will be deemed to have chosen to receive unused sick pay in accordance with the contract. New employees will have the same right to make a choice or waive such choice within 30 days of their employment.

A regular employee who qualifies for, and receives, Worker’s Compensation or Temporary Disability Insurance payments from the State of Rhode Island shall receive, after the applicable waiting period, supplemental sick leave pay equal to the difference between his or her gross pay for a normal work week and his or her weekly W.C. or T.D.I. payments. The supplemental benefit under this provision will be for a maximum of up to ten (10) weeks in any benefit year whether for W.C. or T.D.I. or any combination thereof. After exhausting this benefit an employee must return to work full time during a new benefit year in order to have the benefit reinstated. Provided further, that an employee shall be entitled to a maximum supplement of ten (10) weeks for a continuing illness or injury regardless of the fact such supplement may be payable across two benefit years and charged against said benefit years accordingly.

The amount of the supplement provided herein shall not exceed the supplement required had the employee worked full time

during the period used to determine the basic T.D.I. or W.C. benefit, except that absence due to illness or injury shall not, as such, reduce the supplemental benefit.

Whenever an employee become disabled by reasons of illness or injury compensable under the Worker's Compensation or Temporary Disability Insurance (Rhode Island) the University will pay him/her their normal forty-hour weekly wage for the first week of absence due to such disability; such compensation, however, shall not be deducted from any earned annual sick leave. If such employee later becomes entitled to the above mentioned statutory benefit for such first week the University shall have the right to deduct an amount equal to such benefits from his/her wages or from supplemental payments. (See Memorandum of Agreement dated June 19, 2000 attached hereto)

In order to be granted sick leave the employee or a designee must notify the employee's department head or supervisor prior to the employee's reporting time for work, except in cases of proven inability to furnish such notice. In any case, the University shall have the right, at any time and from time to time, to require an employee to submit to an examination by a physician designated by the University, both as to the question of the existence of and duration of any sickness or illness causing absence from work.

The Union agrees to cooperate with the University to prevent abuses of sick leave. Abuse by an employee of sick leave shall be grounds for disciplinary action or discharge. In view of this provision for paid sick leave, other employees shall assist in covering, at straight time rates of pay, the duties performed by the employees on sick leave.

Employees who are unable to work due to illness or injury must use a full day of paid sick leave for each full day of absence. This provision does not apply to employees who are eligible for and receiving supplemental pay. Notwithstanding the foregoing, employees who are on TDI or JRI and who have exhausted their

supplement will not be required to use a full day of paid sick leave for each full day of absence, however, any sick days not used pursuant to such an election will not be paid off at time and one half pursuant to the first paragraph of this Article, rather, straight time will be paid.

During the first six (6) months of continuing absence due to illness or injury and employee will continue to accrue sick pay entitlement. Sick leave with pay will be credited as time worked for calculating overtime.

Article XXVIII **Vacations**

Regular employees shall receive a vacation with pay, each year, of the length shown on the table below. Vacation pay shall be upon the basis of a normal work week and at the rate per hour in effect during the period of his or her vacation. Employees shall be given a choice of vacation time and duration on the basis of seniority standing, provided such choices shall be indicated no later than April 1 of each year and shall be consistent with work requirements. All employees shall have appropriate advance notice of when their vacations may be taken.

Employees may take vacations for periods of less than five (5) days provided appropriate advance notice has been given and the vacation is consistent with work requirements. All vacations shall be scheduled by the employee's immediate supervisor.

Employees who have completed the following lengths of continuous service retroactive to date of hire shall be entitled to the corresponding vacation with pay as shown in the following table to be taken during their respective anniversary year.

Employees reaching their 25th anniversary with the University shall receive a one time bonus of ten (10) vacation days.

During the first year of employment, following probation, an employee will earn one (1) day vacation per month up to a maximum of five (5) days, and the vacation must be used before the employee's first anniversary.

Employees with less than five (5) years service may accrue unused vacation up to a maximum entitlement at any one time (current + accrued) not to exceed twenty (20) days.

When issuance of pay would normally occur during an employees vacation period, the employee shall receive his/her pay prior to taking vacation provided the employee's supervisor is given ten working days notice prior to the last day work.

Any regular employee leaving the employment of the University shall receive at the time of such leaving, in addition to all other sums due him or her, a payment at his or her regular rate with respect to each day of accumulated vacation rights credited as of the preceding anniversary date and not yet used plus a pro-rata payment assumed to have been earned for the current benefit year, determined by the above schedule except if such employee is discharged for misconduct or other violation of University regulations.

In the event any of the holidays listed in this Agreement occurs on a day during the vacation of an employee, which would, except for said vacation, be a regularly scheduled work day or said employee, such employee shall be entitled to one additional day's

vacation with pay for each such holiday occurring during his or her vacation.

In the case of any employee whose period of employment by the University was interrupted by service with the Armed Forces of the United States, the period of such employee's service with the Armed Forces of the United States shall be deemed to be employment by the University for the purpose of determining vacation benefits, subject to the provisions of this Agreement.

Regular part-time employees shall be entitled to the above benefits on a pro-rata basis.

During the first six (6) months of continuing absence due to illness or injury an employee will continue to accrue entitlement. Vacation time will be computed as time worked for purposes of computing overtime.

Article XXIX Truck Driver Helper

Employees holding the classification of Truck Driver Helper will be utilized to assist Truck Drivers whenever needed and practicable. Truck Driver Helpers will not be utilized as replacements or fill-in personnel to perform custodial duties in buildings when a labor pool or other temporary employee is available to perform the custodial duties.

All storm gear so furnished any custodian shall be used and kept by the custodian in the custodian room and not elsewhere, and shall be returned to the University on or before the first of April following issue as directed. An employee will be entitled to one such payment in any twelve month period. Toe caps will be provided for custodians when requested.

Article XXXIII

Side Letters of Agreement

A. Dining Services - Custodians

The University agrees that it shall not utilize employees on the 11 p.m. to 7a.m. Dining Services shift to circumvent or eliminate overtime that it posts pursuant to the current practice. Said employees shall be primarily responsible for providing custodial services to the University's Dining Facilities. However, the Department reserves the right to deploy individuals assigned to the 11:00 p.m. to 7:00 a.m. shift to respond to emergencies, that is, situations that pose a safety hazard or, without immediate attention will likely result in property damage.

B. 11:00 p.m. to 7:00 a.m. shift

The parties agree to expand the custodial services in the University's classrooms and laboratories by adding an 11:00p.m. to 7:00a.m. shift. The shift shall be implemented in the following manner and consistent with the following terms:

1. The shift shall commence on Sunday at 11:00 p.m. and end on Friday at 7:00 a.m. of each week;
2. Immediately following the execution of the parties' successor agreement, the Department shall offer the incumbents of the assignments listed in Exhibit A (this document lists buildings and number of assignments that the department presently intends to convert to the 11:00 p.m. to 7:00 a.m. shift) the first opportunity to move to the 11:00p.m. to 7:00 a.m. shift in their current assignments;
3. The Department shall then offer the remaining 11:00 p.m. to 7:00 a.m. slots to all individuals currently assigned to the 4:00 a.m. to 12:00 p.m. shift that hold assignments not listed in Exhibit A. Any such individual will be able to bump a less senior

incumbent from an assignment listed in Exhibit A position on the 4:00 a.m. shift. The bumped employee, if he/she chooses, may remain on the 4:00 a.m. to 12:00 p.m. shift. The assignment that was held by the bumping employee on the 4 a.m. shift shall be offered to those who remain on the 4 a.m. shift based on seniority;

4. Thereafter, at the Department's sole discretion, if an employee leaves, for any reason, an assignment listed in Exhibit A, the position will be posted as an 11:00 p.m. to 7:00 a.m. vacancy;

5. If an employee on the 4:00 a.m. to 12:00 p.m. shift in an assignment/slot not listed in Exhibit A vacates his/her position, the Department shall post an 11:00 p.m. to 7:00 a.m. at an assignment listed in Exhibit A. The incumbent of the Exhibit A assignment will be given the option of remaining in his/her assignment on the 11:00 p.m. to 7:00 a.m. shift or being reassigned to the original 4:00 a.m. to 12:00 p.m. shift;

6. This provision shall not be construed as a minimum staffing provision. The University, consistent with its management rights, reserves the sole and ultimate discretion to set staffing levels.

C. Merit Pool Grievance

The USAW – RI agrees to withdraw its grievance dated July 7, 2006 (Merit Pool Increases) with prejudice as it relates to the Facilities Management bargaining unit.

D. Bargaining Unit Positions

The Department shall utilize bargaining unit members to provide custodial services at 10 Park Lane. The parties shall form a labor management committee to discuss work at new Brown buildings.

E. Inclement Weather

The University agrees to implement the following policy relative to inclement weather comp time during non-administrative work hours:

If the Chief of Public Safety, the Vice President of Facilities Management and the Director of Dining Services determine that the University would have been closed during non-administrative hours (e.g., on weekends and non-administrative hours during the normal workweek), bargaining unit members who work when the University would have been closed shall earn twice the pay normally received when working under normal conditions.

F. Uniforms

Effective February 2007, the Department shall institute a uniform leasing/cleaning service. The parties shall discuss the terms of its implementation at their labor management committee meetings.

Side Letters of Agreement 2011

The University agrees that it will not hold off making middle of the night calls for priority cleanups (such as vomit or blood spills) to save this work for the weekend cleanup shift. This does not mean these shifts might not have such cleanup duty – as in unreported or late reported situations.

The Union has made a good faith representation that bargaining unit members will chip in during extreme emergencies by working out of classification if assigned to do so.

The inclement weather assessment outlined in the side letters of agreement will be conducted by Facilities Management, Dining Services, and the Department of Public Safety before the end of the payroll week if practicable. Assessments are made on a case by case basis. The cancellation of all University events will be taken into consideration when making this assessment, although it will not necessarily be dispositive.

The University agrees with the principle that, in general, Facilities Management will maintain buildings that are entirely dedicated to University use. The University will make these assessments, however, on a case by case basis. Factors including, but are not limited to, location, relation to the overall portfolio, size, type of operation, type of building, future use, etc., all come into play.

Non-day shift employees may park in University lots at 4 pm rather than 5 pm during Summer Hours as designated by the University, but they must display the appropriate parking tag.

The University and Union agree to meet and consider in good faith, position upgrades that are recommended by either party during the term of this Agreement.

Brown University Memorandum

TO: Karen McAninch, Business Agent
SEIU, Local 134

FROM: Steven Rotondo
Director of Labor Relations

DATE: June 19, 2000
Amended by mutual agreement on October 24, 2007

The Service Employees International Union, Local 134, and Brown University agree that the above referenced grievance and arbitration are resolved and withdrawn on the following basis.

1. Where Brown University is the employee's only or successor employer, the term 'TDI payments' as it appears on page 71 of the Agreement shall mean an amount equal to the full check the employee receives from the Rhode Island Division of Temporary Disability Insurance (RITDI).
2. When the Benefit Computation Statement indicated concurrent employment (as distinct from successive employment) the term 'TDI payments' as it appears on page 71 of the Agreement shall mean the amount the employee would have received if Brown had been the only employer listed on the Benefit Computation Statement prepared by the RITDI.
3. The University is entitled to the information necessary to verify its obligations. The employee must submit the Benefit Computation Statement prepared by RITDI. The Benefit Computation Statement would be necessary to distinguish other employment as referred to above, and is needed for the University to discern the entitlement that the state will provide to the employee. Supplemental payments will only be made upon receipt of necessary documents or information.

4. The University will make supplemental payments based on the following schedule.

- a) The “first 40” and two weeks of supplement based on Brown’s estimate of its obligations will be paid following the employee’s notification to the University that s/he has an illness or injury for which s/he has or will apply for TDI benefits.
- b) Up to eight (8) weeks of additional supplements will be made (with an adjustment to correct for the estimate referred to in ‘a’ above) upon receipt of the Benefits Computation Statement. In lieu of weekly TDI check attachment memoranda the University will use the Benefits Computation Statement to provide the appropriate supplement to the employee.
- c) Once the TDI supplement period has ended it is the employee’s responsibility to confirm the specific weekly amounts that s/he received from TDI by providing either:
 - i. a Payment History document from RITDI;
 - ii. bank statements that confirm deposits directly from the state of RI for the purposes of TDI;
 - iii. a printout from the Electronic Payment Card account showing all the TDI deposits.

Note: Any amounts paid by Brown contingent upon subsequent receipt of supporting documentation will become repayable to Brown if said documentation is not submitted within twenty weeks of the first day of absence, or a time frame which is otherwise reasonable.

5. The ‘gross pay for normal work week’ as stated in the Contract shall be calculated according to the rate of pay in effect during the applicable week.

6. For all future requests for “first 40” and supplemental TDI payments, the University will not be obligated to provide back payments to employees who do not provide the information as

indicated in items 3 and 4 above. However, if the information is provided within twenty weeks of the first day of absence, or a time frame which is otherwise reasonable to the circumstances, the University will reimburse the employee.

7. This agreement shall be effective for payments due for weeks ending after September 1, 1998.
