The Blue Cross and Blue Shield networks offer the best geographic access to Providers and Hospitals of any Participating Provider in the nation. This national coverage is available through the BlueCard Program in which all Blue Cross and Blue Shield Plans participate. For more Provider information visit our website at www.MyHealthToolkitRI.com.

We welcome you to our family of healthcare coverage through Blue Cross and look forward to meeting your healthcare administration needs.

Blue Cross & Blue Shield of Rhode Island is an independent licensee of the Blue Cross and Blue Shield Association.
IMPORTANT INFORMATION ABOUT YOUR HEALTH COVERAGE

Under your Employer’s health Plan, the Benefits you receive will depend on whether the Provider of medical services is a Participating or Non-Participating Provider. You will receive the maximum Benefits that can be paid if you use Participating Providers and you get Preauthorization, when required, before getting medical care. The amount you have to pay will increase when you do not use Participating Providers and if you do not get Preauthorization.

Members of the Blue Cross and Blue Shield Association (BCBSA) attempt to contract with Providers that practice at participating Hospitals. For various reasons, some Providers may elect not to contract as Participating Providers. If you use a Non-Participating Provider, you have no protection from balance billing from the Provider.

Blue Cross (hereafter referred to as Corporation) is the Claims Administrator for this Preferred Provider Plan. Blue Cross has retained BlueCross BlueShield of South Carolina as a primary provider of claims processing, customer service, medical management, and other services.
IMPORTANT INFORMATION

How to get help on Preauthorization:

- 1-888-376-6544

Please do not call these numbers for claims inquiries.

Please note that Preauthorization is required for the procedures on the Schedule of Benefits that have a Preauthorization note.
HOW TO FILE CLAIMS

Participating Providers have agreed to file claims for healthcare services they rendered to you. However, in the event a Provider does not file a claim for such services, it is your responsibility to file the claim. If you choose to use a Non-Participating Provider, you are responsible for filing your claim.

Once the claim has been processed, you will have quick access to an EOB through our website or by contacting customer service. An EOB will also be mailed to you. The EOB explains who provided the care, the kind of service or supply received, the amount billed, the Allowable Charge, the Coinsurance rate and the amount paid. It also shows Benefit Year Deductible information and the reasons for denying or reducing a claim.

The only time you must pay a Participating Provider is when you have a Benefit Year Deductible, Coinsurance, Copayment or when you have services or supplies that are not Covered Expenses under your Plan of Benefits.

If you need a claim form, you may obtain one from us at the address below or print a copy from the website. Or, call us at the number listed or website on your Identification Card and we will send you a form. After filling out the claim form, send it to the address below:

BlueCross BlueShield
P.O. Box 100121
Columbia, South Carolina 29202

Please refer to Article VIII of the Plan of Benefits for more information on filing a claim.

ARTICLE I - DEFINITIONS

Capitalized terms that are used in this Plan of Benefits shall have the following defined meanings:

**Accountable Care Organization (ACO):** a group of healthcare Providers who agree to deliver coordinated care and meet performance benchmarks for quality and affordability in order to manage the total cost of care for their Member populations.

**Administrative Expense Allowance (AEA) Fee:** the AEA Fee is a fixed per-claim dollar amount charged by the Host Blue to Corporation for administrative services the Host Blue provides in processing claims for Employer’s Members. The dollar amount is normally based on the type of claim (e.g. institutional, professional, international, etc.) and can also be based on the size of your group enrollment. The amount of the AEA Fee is listed on the Schedule A.

**Admission:** the period of time between a Member’s Admission as a patient into a Hospital or Skilled Nursing Facility and the time the Member leaves or is discharged.

**Adverse Benefit Determination:** any denial, reduction or termination of, or failure to provide or make (in whole or in part) payment for a claim for Benefits, including any such denial, reduction, termination or failure to provide or make payment that is based on a determination of a Member’s eligibility to participate in a Plan, and including a denial, reduction or termination of, or failure to provide or make payment (in whole or in part) for a Benefit which results from the application of any utilization review as well as a failure to cover an item or services for which Benefits are otherwise provided because it is determined to be Experimental or Investigational or not Medically Necessary or appropriate. An Adverse Benefit Determination includes any cancellation or discontinuance of coverage that has retroactive effect (whether or not there is an adverse effect on any particular Benefit), except to the extent attributable to a failure to pay any required premiums or Employee contributions.

**Allowable Charge:** the amount the Corporation or a licensee of the Blue Cross and Blue Shield Association (BCBSA) agrees to pay a Participating Provider or Non-Participating Provider as payment in full for a service, procedure, supply or equipment. For a Non-Participating Provider, (i) the Allowable Charge shall not exceed the Maximum Payment and (ii) in addition to the Member’s liability for Benefit Year Deductibles, Copayments and/or Coinsurance, the Member may be balance billed by the Non-Participating Provider for any difference between the Allowable Charge and the Billed Charge.

**Alternate Recipient:** any child who is recognized under a Medical Child Support Order as having a right to enroll in this Plan of Benefits.

**Ambulatory Surgical Center:** a licensed facility that:

1. Has permanent facilities and equipment for the primary purpose of performing surgical procedures on an outpatient basis;
2. Provides treatment by or under the supervision of licensed medical doctors or oral surgeons and provides nursing services when the Member is in the facility;
3. Does not provide inpatient accommodations; and,
4. Is not, other than incidentally, a facility used as an office or clinic for the private practice of a licensed medical doctor or oral surgeon.

Ambulatory Surgical Center includes an endoscopy center.
Applied Behavioral Analysis (ABA): behavioral modification to target cognition, language and social skills.

Autism Spectrum Disorder: the following disorders as defined in the most recent edition of the Diagnostic and Statistical Manual of Mental Disorders of the American Psychiatric Association:

1. Autistic Disorder;
2. Asperger’s Syndrome;

Behavioral Health Provider: a Provider who renders Mental Health Services and/or Substance Use Disorder Services.

Benefit Year: the period of time set forth on the Schedule of Benefits. The initial Benefit Year may be more or less than twelve (12) months.

Benefit Year Deductible: the amount, if any, listed on the Schedule of Benefits that must be paid by the Member each Benefit Year before the Employer’s Group Health Plan will pay Covered Expenses. The Benefit Year Deductible is subtracted from the Allowable Charge before Coinsurance is calculated. Members must refer to the Schedule of Benefits to determine if the Benefit Year Deductible applies to the Out-of-Pocket Maximum.

Benefit(s): medical services or Medical Supplies that are:

1. Medically Necessary;
2. Preauthorized (when required under this Plan of Benefits or the Schedule of Benefits);
3. Included in this Plan of Benefits;
4. Not limited or excluded under the terms of this Plan of Benefits.

Benefits available under this Plan of Benefits are listed in Article II.

Benefits Checklist: the document completed by the Employer and submitted to the Corporation which outlines the Benefits to be offered under the Employer’s Group Health Plan. The Corporation shall administer the Group Health Plan in accordance with the terms of the Benefits Checklist.

Billed Charges: the actual charges as billed by a Provider.

Claims Amount: the amount paid (or payable) for Members’ claims (including fees such as Access Fees, AEA Fees and amounts paid as part of a VBP or in settlement of claims or in satisfaction of a judgement).

Clinical Trials: an Approved Clinical Trial is one that is approved or funded through the National Institutes of Health (NIH), the Centers for Disease Control and Prevention (CDC), the Agency for Health Care Research and Quality (AHRQ), the Centers for Medicare & Medicaid Services (CMS), the Department of Defense (DOD), the Department of Veterans Affairs (VA), a qualified non-governmental research entity identified in the guidelines issued by the NIH or is conducted under an investigational new drug application reviewed by the Food and Drug Administration (FDA).

COBRA: those provisions of the Consolidated Omnibus Budget Reconciliation Act of 1985, P.L. 99-272, as amended, which require certain Employers to offer continuation of healthcare coverage to Employees and dependents of Employees who would otherwise lose coverage.

COBRA Administrator: the Corporation or its designated subcontractor (who the Corporation has contracted with to provide administrative Services related to COBRA). For purposes of this Agreement, the COBRA Administrator may also provide Retiree Benefits Billing Services as outlined in the Agreement and Plan of Benefits if applicable.

Coinsurance: the sharing of Covered Expenses between the Member and the Employer’s Group Health Plan. After the Member’s Benefit Year Deductible requirement is met, the Employer’s Group Health Plan will pay the percentage of Allowable Charges as set forth on the Schedule of Benefits. The Member is responsible for the remaining percentage of the Allowable Charge. Coinsurance is calculated after any applicable Benefit Year Deductible or Copayment is subtracted from the Allowable Charge based upon the network charge or the lesser charge of the Provider.

Companion Benefit Alternatives (CBA): a behavioral healthcare company. CBA is responsible for managing behavioral healthcare Services, including pre-certifying Mental Health and Substance Use Disorder Benefits for inpatient and outpatient Services. CBA is an independent company that provides behavioral healthcare on behalf of Blue Cross.

Concurrent Care: an ongoing course of treatment to be provided over a period of time or number of treatments.

The Continued Stay Review process is outlined in Article II.

Copayment: the amount, if any, specified on the Schedule of Benefits that the Member must pay directly to the Provider each time the Member receives Benefits.

Corporation: Blue Cross & Blue Shield of Rhode Island (Blue Cross).
**Covered Expenses**: the amount payable by the Employer’s Group Health Plan for Benefits. The amount of Covered Expenses payable for Benefits is determined as set forth in this Plan of Benefits and at the percentages set forth on the Schedule of Benefits. Covered Expenses are subject to the limitations and requirements set forth in the Plan of Benefits and on the Schedule of Benefits. Covered Expenses will not exceed the Allowable Charge.

**Custodial Care**: non-skilled services that are primarily for the purpose of assisting an individual with daily living activities or personal needs (e.g., bathing, dressing, eating), which is not specific therapy for any illness or injury.

**Disabled Dependent**: When your unmarried child who is enrolled for coverage under this Plan reaches the maximum dependent child age and is no longer considered eligible for coverage, he or she continues to be an eligible person under this Plan if he or she is a disabled dependent.

If you have an unmarried child of any age who is medically certified as disabled and is chiefly dependent on you for support and care because of mental impairment or physical disability, which can be expected to result in death or can be expected to last for a continuous period of not less than twelve months, that child is an eligible dependent under this Plan. The child must have been covered under this Plan prior to reaching age twenty-six (26) and must be wholly dependent on you for support and maintenance.

If you have a child whom you believe satisfies these conditions, you must call us, Blue Cross & Blue Shield of Rhode Island, to obtain the form necessary to verify the child’s disabled status and show proof of the disability. This form must be filled out and submitted to us. Periodically thereafter, you may be asked to show proof that this disabling condition still exists to maintain coverage as a dependent for this child.

**Discount Services**: From time to time Benefits in the form of discounts for certain Provider services or products will be provided to Members by networks of complementary healthcare Providers with which the Administrator has an agreement for various programs. This discount applies to services the health Plan does not cover. The Corporation will not be responsible for any costs associated with these programs. The services available may include, but are not limited to: chiropractors, massage therapists, acupuncturists, fitness clubs and hearing aids.

To find a participating network hearing aid Provider in your area, call 1-800-235-8663 or you may check the Corporation’s website. To find any other participating network Provider in your area for the services listed above, you may call 1-877-327-2746 or you may check the Corporation’s website for a list of participating network Providers. You only need to show your ID card when you receive the service. The discount will be given to you at that time and there will be no claims to be filed.
Durable Medical Equipment (DME): medical equipment that:

1. Can withstand repeated use;
2. Is Medically Necessary;
3. Is customarily used for the treatment of a Member’s illness, injury, disease or disorder;
4. Is appropriate for use in the home;
5. Is not useful to a Member in the absence of illness or injury;
6. Does not include appliances that are provided solely for the Member’s comfort or convenience;
7. Is a standard, non-luxury item (as determined by the Employer’s Group Health Plan); and,

The Emergency Admission Review process is outlined in Article II.

Emergency Medical Care: Benefits that are provided in a Hospital emergency facility to evaluate and treat an Emergency Medical Condition.

Emergency Medical Condition: a medical condition manifesting itself by acute symptoms of sufficient severity, including severe pain, such that a prudent layperson who possesses an average knowledge of health and medicine could reasonably expect the absence of immediate medical attention to result in:

1. Placing the health of the Member, or with respect to a pregnant Member, the health of the Member or her unborn child, in serious jeopardy;
2. Serious impairment to bodily functions; or,
3. Serious dysfunction of any bodily organ or part.

Employee: any Employee of the Employer who is eligible for coverage and who is so designated to the Corporation by the Employer, even if such classification is determined to be erroneous or is retroactively revised.

Employer: the entity providing this Plan of Benefits.

Employer’s Effective Date: the date the Corporation begins to provide Services under this Agreement.

Employer’s Group Health Plan: the Group Health Plan adopted by the Employer as the Plan Sponsor. This Plan of Benefits outlines certain terms of the Employer’s Group Health Plan.

**Eye Examination**: an examination by a Provider which includes history, visual acuity determination, external examination of the eye, diagnostic ophthalmic examination with or without definitive Refraction, tonometry, binocular measure, and prescription of Lenses, with verification of Lenses, if required.

**Global Payment/Total Cost of Care**: a payment methodology that is defined at the patient level and accounts for either all patient care or for a specific group of services delivered to the patient such as outpatient, physician, ancillary, hospital services and prescription drugs.

**Group Health Plan**: an Employee welfare Benefit Plan to the extent that such Plan provides health Benefits to Employees or their dependents, as defined under the terms of such Group Health Plan, directly or through insurance, reimbursement or otherwise. This Plan of Benefits is a Group Health Plan.

**HIPAA**: the Health Insurance Portability and Accountability Act of 1996, as amended.

**Home Health Agency**: an agency or organization licensed by the appropriate state regulatory agency to provide Home Health Care.

**Hospital**: a short-term, acute care facility licensed as a Hospital by the state in which it operates. A Hospital is primarily engaged in providing medical, surgical or acute behavioral health diagnosis and treatment of injured or sick persons, by or under the supervision of a staff of licensed Providers, and continuous twenty-four (24) hour-a-day services by licensed, registered, graduate nurses physically present and on duty. The term Hospital does not include Long Term Acute Care Hospitals, chronic care institutions or facilities that principally provide custodial, rehabilitative or long-term care, whether or not such institutions or facilities are affiliated with or are part of a Hospital. A Hospital may participate in a teaching program. This means medical students, interns or residents participating in a teaching program may treat Members.

**Identification Card**: the card issued by the Corporation to a Member that contains the Member's identification number.

**Investigational or Experimental**: surgical procedures or medical procedures, supplies, devices or drugs which, at the time provided, or sought to be provided, are in the judgment of the Corporation not recognized as conforming to generally accepted medical practice, or the procedure, drug or device:

1. Has not received required final approval to market from appropriate government bodies;
2. Is one about which the peer-reviewed medical literature does not permit conclusions concerning its effect on health outcomes;
3. Is not demonstrated to be as beneficial as established alternatives;
4. Has not been demonstrated to improve net health outcomes; or,
5. Is one in which the improvement claimed is not demonstrated to be obtainable outside the Investigational or Experimental setting.
Legal Intoxication/Legally Intoxicated: the Member’s blood alcohol level was at or in excess of the amount established under applicable state law to create a presumption and/or inference that the Member was under the influence of alcohol, when measured by law enforcement or medical personnel.

Long-Term Acute Care Hospital: a long-term, acute care facility licensed as a long term care Hospital by the state in which it operates and which meets the other requirements of this definition. A Long-Term Acute Care Hospital provides highly skilled nursing, therapy and medical treatment to Members (typically over an extended period of time) although such Members may no longer need general acute care typically provided in a Hospital. A Long-Term Acute Care Hospital is primarily engaged in providing diagnostic services and medical treatment to Members with chronic diseases or complex medical conditions. The term Long-Term Acute Care Hospital does not include chronic care institutions or facilities that principally provide custodial, rehabilitative or long-term care, whether or not such institutions or facilities are affiliated with or are part of a Long-Term Acute Care Hospital. A Long-Term Acute Care Hospital may participate in a teaching program. This means medical students, interns, or residents participating in a teaching program may treat Members.

Maximum Payment: the maximum amount the Employer’s Group Health Plan will pay (as determined by the Corporation) for a particular Benefit. The Maximum Payment will not be affected by any Credit. The Maximum Payment will be one of the following as determined by the Corporation in its discretion:

1. The actual charge submitted to the Corporation for the service, procedure, supply or equipment by a Provider;

2. An amount based upon the reimbursement rates established by the Plan Sponsor in its Benefits Checklist;

3. An amount that has been agreed upon in writing by a Provider and the Corporation or a member of the Blue Cross and Blue Shield Association;

4. An amount established by the Corporation, based upon factors including, but not limited to, (i) governmental reimbursement rates applicable to the service, procedure, supply or equipment, or (ii) reimbursement for a comparable or similar service, procedure, supply or equipment, taking into consideration the degree of skill, time and complexity involved; geographic location and circumstances giving rise to the need for the service, procedure, supply or equipment; or,

5. The lowest amount of reimbursement the Corporation allows for the same or similar service, procedure, supply or equipment when provided by a Participating Provider.

Medical Child Support Order: any judgment, decree or order (including an approved settlement agreement) issued by a court of competent jurisdiction or a national medical support notice issued by the applicable state agency which:

1. Provides child support with respect to a child or provides for health benefit coverage to a child, is made pursuant to a state domestic relations law (including a community property law) and relates to the Plan of Benefits;

2. Enforces a law relating to medical child support described in Section 1908 of the Social Security Act (as added by section 13822 of the Omnibus Budget Reconciliation Act of 1993) with respect to a Group Health Plan.
A Medical Child Support Order must clearly specify:

1. The name and the last known mailing address (if any) of each participant Employee and the name and mailing address of each Alternate Recipient covered by the order;

2. A reasonable description of the type of coverage to be provided by the Group Health Plan to each such Alternate Recipient or the manner in which such type of coverage is to be determined;

3. The period to which such order applies; and,

4. Each Group Health Plan to which such order applies.

If the Medical Child Support Order is a national medical support notice, the order must also include:

1. The name of the issuing agency;

2. The name and mailing address of an official or agency that has been substituted for the mailing address of any Alternate Recipient; and,

3. The identification of the underlying Medical Child Support Order.

ARTICLE IV - COORDINATION OF BENEFITS

A. APPLICABILITY

The coordination of benefits rules are intended to prevent duplicate payments from different Plans that otherwise cover a Member for the same Covered Expenses. The rules determine which is the Primary Plan and which is the Secondary Plan.

Generally, unless a specific rule applies, where a claim is submitted for payment under this Plan of Benefits and one or more other Plans, this Plan of Benefits is the Secondary Plan. Additionally, special rules for the coordination of benefits with Medicare may also apply.

B. COORDINATION OF BENEFITS WITH AUTO INSURANCE

This is a self-funded ERISA Plan which does not provide benefits for claims which are paid or payable under automobile insurance coverage. Automobile insurance coverage shall include, but is not limited to, no-fault, personal injury protection, medical payments, liability, uninsured and underinsured coverage, umbrella or any other insurance coverage which may be paid or payable for the injury or illness.

Although benefits for claims which are paid or payable under automobile insurance coverage are not covered by this Plan of Benefits, the Employer’s Group Health Plan/Corporation may, in its sole discretion, agree to extend Benefits to a Member for the injury or illness. In this instance, if a Member has automobile no-fault, personal injury protection or medical payments coverage, or if such coverage is extended to the Member through a group or their own automobile insurance carrier, that coverage is primary to the Plan. The Plan will always be secondary to automobile no-fault, personal injury protection or medical payments coverage plans and the Plan will coordinate benefits for claims which are payable under those automobile policies.

If the Member resides in a state where automobile no-fault, personal injury protection or medical payments coverage is mandatory and the Member does not have the state mandated automobile coverage, the Plan will deny Benefits up to the amount of the state mandated automobile coverage.

This coordination of benefits provision applies whether or not the Member submits a claim under the automobile no-fault, personal injury protection or medical payments coverage.

As a condition of receiving Benefits, the Member must:

1. Immediately notify the Employer’s Group Health Plan/Corporation of an injury or illness for which automobile insurance coverage may be liable, legally responsible, or otherwise makes a payment in connection with the injuries or illness;

2. Execute and deliver an accident questionnaire within one hundred eighty (180) days of the accident questionnaire being mailed to the Member;

3. Deliver to the Employer’s Group Health Plan/Corporation a copy of your Personal Injury Protection Log, Medical Payments log and/or Medical Authorization within ninety (90) days of being requested to do so;
4. Deliver to the Employer’s Group Health Plan/Corporation a copy of the police report, incident or accident report, or any other reports issued as a result of the injuries or illness within ninety (90) days of being requested to do so; and,

5. Cooperate fully with the Employer’s Group Health Plan/Corporation in its exercise of its rights under this provision, do nothing that would interfere with or diminish those rights and furnish any information required by the Employer’s Group Health Plan/Corporation.

Failure to cooperate with the Plan as required under this section will entitle the Employer’s Group Health Plan/Corporation to invoke the Auto Accident Exclusion and deny payment for all claims relating to the injury or illness up to the amount of available or state mandated coverage.

C. ORDER OF DETERMINATION RULES FOR EMPLOYEE MEMBERS

When a Member’s claim is submitted under the Employer’s Group Health Plan and another Plan, the Employer’s Group Health Plan is a Secondary Plan unless:

1. The other Group Health Plan has rules coordinating its benefits with those of the Employer’s Group Health Plan;

2. There is a statutory requirement establishing that the Employer’s Group Health Plan is the Primary Plan and such statutory requirement is not pre-empted by ERISA; or,

3. Both the other Plan’s rules and the Employer’s Group Health Plan’s rules require that benefits be determined under the Employer’s Group Health Plan before those of the other Plan.

D. ADDITIONAL ORDER OF DETERMINATION RULES

The Employer’s Group Health Plan coordinates Benefits using the first of the following rules that apply:

1. Dependents
   a. The Plan that covers an individual as an Employee or retiree is the Primary Plan.

2. Dependent Child - Parents not Separated or Divorced

When the Employer’s Group Health Plan and another Plan cover the same child as a dependent then benefits are determined in the following order:

a. The Plan of the parent whose birthday falls earlier in the year (month and date) is the Primary Plan.

b. If both parents have the same birthday, the Plan that has covered a parent longer is the Primary Plan.

c. If the other Plan does not have the rule described in (a) above but instead has a rule based upon the gender of the parent and if, as a result, the Plan and the Corporation do not agree on the order of benefits, the gender rule in the other Plan will apply.

The “birthday rule” does not use the years of the parents’ birth in determining which has the earlier birthday.
3. Dependent Child - Separated or Divorced Parents

If two (2) or more Plans cover a person as a dependent child of divorced, separated, or unmarried parents, benefits for the child are determined in the following order:

a. First, the Plan of the parent with custody of the child;

b. Second, the Plan of the parent’s spouse with the custody of the child;

c. Third, the Plan of the parent not having custody of the child;

d. Fourth, the Plan of the parent’s spouse not having custody of the child.

Notwithstanding the foregoing, if the specific terms of a court decree state that one of the parents is responsible for the healthcare expenses (or health insurance coverage) of the child, and the entity obligated to pay or provide the benefits of the Plan of that parent has actual knowledge of those terms, that Plan is the Primary Plan. If the parent with responsibility for healthcare expenses has no health insurance coverage for the dependent child, but that parent’s spouse does have coverage, the spouse’s Plan is the Primary Plan. This paragraph does not apply with respect to any claim determination period or plan year during which any Benefits are actually paid or provided before the Plan has actual knowledge of the existence of an applicable court decree.

If the specific terms of a court decree state that the parents shall share joint custody without stating that one of the parents is responsible for the healthcare expenses of the child (or if the order provides that both parents are responsible), the Plans covering the child shall follow the order of determination rules outlined in Article IV(D)(2).

4. Active and Inactive Employees

The Plan that covers a person as an Employee who is neither laid off nor retired or as that Employee’s dependent is the Primary Plan. If the Secondary Plan does not have this rule, and if, as a result, the Plans do not agree on the order of Covered Expenses, this rule does not apply.

5. Medicare

The Employer’s Group Health Plan is a Primary Plan except where federal law mandates that the Employer’s Group Health Plan is the Secondary Plan. Any claims where Medicare is primary must be filed by the Member after Medicare payment is made.

6. Longer and Shorter Length of Coverage

If none of the above rules determines the order of benefits, the Plan that has covered the Member longer is the Primary Plan.

7. COBRA

COBRA allows coverage to begin or continue under certain circumstances if the Member already has or obtains coverage under a Group Health Plan. In these instances, two policies may cover the Member, and the Plan providing COBRA coverage will be the Secondary Plan.
E. EFFECT ON BENEFITS OF THIS PLAN OF BENEFITS

1. The Employer’s Group Health Plan as Primary Plan

   When the Employer’s Group Health Plan is the Primary Plan, the Benefits shall be determined without consideration of the benefits of any other Plan.

2. The Employer’s Group Health Plan as Secondary Plan

   When the Employer’s Group Health Plan is a Secondary Plan, the Benefits will be reduced when the sum of the following exceeds the Covered Expenses in a Benefit Year:

   a. The Covered Expenses in the absence of this coordination of benefits provision; plus

   b. The expenses that would be payable under the other Plan, in the absence of provisions with a purpose like that of this coordination of benefits provision, whether or not a claim is made.

   When the sum of these two (2) amounts exceeds the maximum amount payable for Covered Expenses in a Benefit Year, the Covered Expenses will be reduced so that they and the Benefits payable under the Primary Plan do not total more than the Covered Expenses. When the Covered Expenses of the Employer’s Group Health Plan are reduced in this manner, each Benefit is reduced in proportion and then charged against any applicable limit of the Employer’s Group Health Plan. The benefits payable by the Primary Plan and the Benefits payable by the Employer’s Group Health Plan will not total more than the Allowable Charge.

3. When a Plan provides benefits in the form of services, the reasonable cash value of each service rendered will be a Covered Expense.

4. The difference between the cost of a private Hospital room and the cost of a semi-private Hospital room is not a Covered Expense unless the Member’s Admission in a private Hospital room is Medically Necessary. When benefits are reduced under a Primary Plan because a Member does not comply with the Primary Plan’s requirements, the amount of such reduction in benefits will not be a Covered Expense.

F. RIGHT TO RECEIVE AND RELEASE NEEDED INFORMATION

   The Employer’s Group Health Plan (including through the Corporation) is entitled to such information as it deems reasonably necessary to apply these coordination of benefit provisions and the Member and the Employer must provide any such information as reasonably requested.

G. PAYMENT

   A payment made under another Plan may include an amount that should have been paid under the Employer’s Group Health Plan. In such a case, the Employer’s Group Health Plan may pay that amount to the organization that made such payment. That amount will then be treated as though it had been paid under the Employer’s Group Health Plan. The term “payment” includes providing Benefits in the form of services, in which case “payment” means the reasonable cash value of the Benefits provided in the form of services.
H. RIGHT OF RECOVERY

If the amount of the payments made by the Employer’s Group Health Plan is more than the Employer’s Group Health Plan should have paid under this Coordination of Benefits section, the Employer’s Group Health Plan may recover the excess or overpayment from the Member on whose behalf it has made payments, from a Provider, from any group insurer, Plan, or any other person or organization contractually obligated to such Member with respect to such overpayments.

ARTICLE V – CONTINUATION OF COVERAGE

A. CONTINUATION

1. COBRA

   a. Plan Administrator and Sponsor

      The Employer is both the Plan Administrator and Plan Sponsor for the Employer’s Group Health Plan. The Employer agrees to offer continuation of coverage pursuant to the provisions of COBRA, if required, to eligible Members while the Employer’s Group Health Plan is in force. COBRA requires the Employer to allow eligible individuals to continue their health coverage for eighteen (18), twenty-nine (29) or thirty-six (36) months, depending on the Qualifying Event.

   b. Disabled Members

      To be eligible for up to twenty-nine (29) months of continuation of coverage due to disability, an Employee or dependent who:

         i. is determined to be disabled under Title II or XVI of the Social Security Act,

         ii. with a disability onset date either before the COBRA event or within the first sixty (60) days of the COBRA continuation coverage must provide a copy of the notice of the determination of disability to the Employer within:

             aa. sixty (60) days of the determination of disability; and,

             bb. before the end of the first eighteen (18) months of COBRA coverage.

      Such Employee or dependent must also notify the Employer within thirty (30) days of any determination that the Employee or dependent is no longer disabled.

   c. Notice of Qualifying Event by the Member

      Each Member is responsible for notifying the Employer within sixty (60) days of such Member’s Qualifying Event due to divorce, legal separation or when a dependent ceases dependency. If the Member does not give such notice, the Member is not entitled to continuation coverage.
d. Notice by the Employer to the Member

The Employer must notify the COBRA Administrator no later than thirty (30) days after the date the Member loses coverage due to a COBRA event. The COBRA Administrator must send a COBRA Election Notice to each Member no later than fourteen (14) days after receipt of the notice from the Employer. Notice to the dependent spouse is deemed notice to any dependent of the spouse.

e. Election of Coverage

Continuation coverage is not automatic. The Member must elect continuation coverage within sixty (60) days of the later of:

i. The date the Member's coverage under the Employer's Group Health Plan ceases because of the Qualifying Event;

ii. The date the Member is sent notice by the Employer of the right to elect continuation coverage; or,

iii. The date the Member becomes an "eligible individual" (as that term is used in the Trade Act of 2002) provided that such election is made not later than six (6) months after the Qualifying Event that gives rise to eligibility under the Trade Act of 2002.

f. Premium Required

The Member will be required to pay a premium for the continuation coverage and shall have the option to make payment in monthly installments. The Member has forty-five (45) days from the date of election to pay the first premium, which includes the period when coverage commenced, regardless of the date that the first premium is due.

The Trade Act of 2002 (TAA) created a new tax credit for certain individuals who become eligible for trade adjustment assistance and for certain retired Employees who are receiving pension payments from the Pension Benefit Guaranty Corporation (PBGC) (eligible individuals). Under the new tax provisions, eligible individuals can either take a tax credit or get advance payment of a percentage of the premiums paid for qualified health insurance, including continuation coverage. If you have questions about these new tax provisions, you may call the Health Coverage Tax Credit Customer Contact Center toll free at 1-866-628-4282. TTD/TTY callers may call toll free at 1-866-626-4282. More information about the TTA is also available at www.doleta.gov/tradeact/.
g. Length of COBRA Coverage

The maximum period for continuation coverage for a Qualifying Event involving termination of employment or a reduction in hours is generally eighteen (18) months. An Employee or dependent who is determined to be disabled under Title II or XVI of the Social Security Act before the COBRA event or within the first sixty (60) days of COBRA continuation coverage is entitled to twenty-nine (29) months of continuation coverage, but only if such Employee or dependent has provided notice of the determination of disability within sixty (60) days after determination is issued and before the end of eighteen (18) months of coverage. If a second Qualifying Event occurs within this period of continuation coverage, the coverage for any affected dependent who was a Member under the Employer’s Group Health Plan both at the time of the first and the second Qualifying Events may be extended up to thirty-six (36) months from the first Qualifying Event. For all other Qualifying Events, the maximum period of coverage is thirty-six (36) months. Below is a list of circumstances and the period of COBRA coverage for each circumstance.

i. Eighteen (18) months for Employees whose working hours are reduced, from full-time to part-time for instance and any dependents who also lose coverage for this reason.

ii. Eighteen (18) months for Employees who voluntarily quit work and any dependents who also lose coverage for this reason.

iii. Eighteen (18) months for Employees who are part of a layoff and any dependents who also lose coverage for this reason.

iv. Eighteen (18) months for Employees who are fired, unless the firing is due to gross misconduct, and any dependents who also lose coverage for this reason.

v. Twenty-nine (29) months for Employees and all covered dependents who are determined to be disabled under the Social Security Act during the first sixty (60) days after termination of employment or reduction of hours of employment. Notice of the Social Security Disability determination must be given to the COBRA Administrator within sixty (60) days of the determination of disability and before the end of the first eighteen (18) months of continuation of coverage.

vi. Thirty-six (36) months for Employees' widows or widowers and their dependent children.

vii. Thirty-six (36) months for legally separated or divorced husbands or wives and their dependent children.

viii. Thirty-six (36) months for dependent children who lose coverage because they no longer meet the Plan's definition of a dependent child.

ix. Thirty-six (36) months for dependents who are not eligible for Medicare when the Employee is eligible for Medicare and no longer has coverage with the Employer. This does not apply to any Employees or their dependents if the Employee voluntarily quit work. See Article V(A)(1)(g)(ii) of this section for coverage for Employees who voluntarily quit.
x. For Plans providing coverage for retired Employees and their dependents, a special rule applies for such persons who would lose coverage due to the Employer filing for Title 11 Bankruptcy. (Loss of coverage includes a substantial reduction of coverage within a year before or after the bankruptcy filing.) Upon occurrence of such an event, retired Employees and their eligible dependents may continue their coverage under the Plan until the date of death of the retiree. If a retiree dies while on this special continued coverage, surviving dependents may elect to continue coverage for up to thirty-six (36) additional months.

2. USERRA

a. In any case in which an Employee or any of such Employee’s dependents has coverage under the Plan of Benefits, and such Employee is not actively at work by reason of active duty service in the uniformed services, the Employee may elect to continue coverage under the Plan of Benefits as provided in this Article V(A)(2). The maximum period of coverage of the Employee and such Employee’s dependents under such an election shall be the lesser of:

i. The twenty-four (24) month period beginning on the date on which the Employee’s absence from being actively at work by reason of active duty service in the uniformed services begins; or,

ii. The day after the date on which the Employee fails to apply for or return to a position of employment, as determined under USERRA.

The continuation of coverage period under USERRA will be counted toward any continuation of coverage period available under COBRA.

b. An Employee who elects to continue coverage under this section of the Employer’s Group Health Plan must pay one hundred and two percent (102%) such Employee’s normal premium. Except that, in the case of an Employee who performs service in the uniformed services for less than thirty-one (31) days, such Employee will pay the normal contribution for the thirty-one (31) days.

c. An Employee who is qualified for re-employment under the provisions of USERRA will be eligible for reinstatement of coverage under the Employer’s Group Health Plan upon re-employment. Except as otherwise provided in this Article upon re-employment and reinstatement of coverage no new exclusion or probationary period will be imposed in connection with the reinstatement of such coverage if an exclusion would normally have been imposed. This Article applies to the Employee who is re-employed and to a dependent who is eligible for coverage under the Employer’s Group Health Plan by reason of the reinstatement of the coverage of such Employee.

d. The Article V(A)(2)(c) shall not apply to the coverage of any illness or injury determined by the Secretary of Veteran’s Affairs to have been incurred in, or aggravated during, performance of service in the uniformed services.
B. QUALIFIED MEDICAL CHILD SUPPORT ORDER

The Employer’s Group Health Plan shall pay Covered Expenses in accordance with the applicable requirements of any Qualified Medical Child Support Order.

1. Procedural Requirements

a. Timely Notifications and Determinations

In the case of any Medical Child Support Order received by the Employer’s Group Health Plan:

i. The Employer as the Plan Administrator shall promptly notify the Employee and each Alternate Recipient of the receipt of the Medical Child Support Order and the Corporation’s procedures for determining whether Medical Child Support Orders are Qualified Medical Child Support Orders; and,

ii. Within a reasonable period after receipt of such Qualified Medical Child Support Order, the Employer shall determine whether such order is a Qualified Medical Child Support Order and notify the Employee and each Alternate Recipient of such determination.

b. Establishment of Procedures for Determining Qualified Status of Orders

The Employer as the Plan Administrator shall establish reasonable procedures to determine whether Medical Child Support Orders are Qualified Medical Child Support Orders and to administer the provision of Covered Expenses under such qualified orders. The Employer’s procedures:

i. Shall be in writing;

ii. Shall provide for the notification of each person specified in a Medical Child Support Order as eligible to receive Benefits under the Plan of Benefits (at the address included in the Medical Child Support Order) of the Employer’s procedures promptly upon receipt by the Plan Administrator of the Medical Child Support Order; and,

iii. Shall permit an Alternate Recipient to designate a representative for receipt of copies of notices that are sent to the Alternate Recipient with respect to a Medical Child Support Order.

c. Actions Taken by Fiduciaries

If a Plan fiduciary for the Employer’s Group Health Plan acts in accordance with these procedural requirements in treating a Medical Child Support Order as being (or not being) a Qualified Medical Child Support Order, then the Employer’s Group Health Plan obligation to the Member and each Alternate Recipient shall be discharged to the extent of any payment made pursuant to such act of the fiduciary.

2. Treatment of Alternate Recipients

a. Under ERISA
A person who is an Alternate Recipient under any Medical Child Support Order shall be considered a beneficiary under the Employer’s Group Health Plan for purposes of any provisions of ERISA, as amended, and shall be treated as a participant under the reporting and disclosure requirements of ERISA.

b. Direct Provision of Benefits Provided to Alternate Recipients

Any payment for Covered Expenses made by the Employer’s Group Health Plan pursuant to a Medical Child Support Order in reimbursement for expenses paid by an Alternate Recipient or an Alternate Recipient’s custodial parent or legal guardian shall be made to the Alternate Recipient or the Alternate Recipient’s custodial parent or legal guardian.

c. Plan Enrollment and Payroll Deductions

If an Employee remains covered under the Employer’s Group Health Plan but fails to enroll an Alternate Recipient under the Plan of Benefits after receiving notice of the Qualified Medical Child Support Order from the Employer, the Employer shall enroll the Alternate Recipient and deduct the additional premium from the Employee’s paycheck.

d. Termination of Coverage

Except for any coverage continuation rights otherwise available under the Employer’s Group Health Plan, the coverage for the Alternate Recipient shall end on the earliest of:

i. The date the Employee’s coverage ends;

ii. The date the Qualified Medical Child Support Order is no longer in effect;

iii. The date the Employee obtains other comparable health coverage through another insurer or Plan to cover the Alternate Recipient; or,

iv. The date the Employer eliminates family health coverage for all of its Employees.

ARTICLE VI – SUBROGATION AND REIMBURSEMENT

A. BENEFITS SUBJECT TO THIS PROVISION

This provision shall apply to all Benefits provided under any section of the Plan of Benefits. All Benefits under this Plan are being provided by a self-funded ERISA plan.

B. STATEMENT OF PURPOSE

Subrogation and Reimbursement represent significant Plan assets and are vital to the financial stability of the Plan. Subrogation and Reimbursement recoveries are used to pay future claims by other Plan members. Anyone in possession of these assets holds them as a fiduciary and constructive trustee for the benefit of the Plan. The Employer’s Group Health Plan has a fiduciary obligation under ERISA to pursue and recover these Plan assets to the fullest extent possible.
C. DEFINITIONS

1. Another Party

Another Party shall mean any individual or entity, other than this Plan, who is liable or legally responsible to pay expenses, compensation or damages in connection with a Member’s injuries or illness.

Another Party shall include the party or parties who caused the injuries or illness; the liability insurer, guarantor or other indemnifier of the party or parties who caused the injuries or illness; a Member’s own insurance coverage, such as uninsured, underinsured, medical payments, no-fault, homeowner’s, renter’s or any other insurer; a workers’ compensation insurer or governmental entity; or, any other individual, corporation, association or entity that is liable or legally responsible for payment in connection with the injuries or illness.

2. Member

As it relates to the Subrogation and Reimbursement Provision, a Member shall mean any person, dependent or representatives, other than the Plan, who is bound by the terms of the Subrogation and Reimbursement Provision herein. A Member shall include but is not limited to any beneficiary, dependent, spouse or person who has or will receive Benefits under the Plan, and any legal or personal representatives of that person, including parents, guardians, attorneys, trustees, administrators or executors of an estate of a Member, and heirs of the estate.

3. Recovery

Recovery shall mean any and all monies identified, paid or payable to the Member through or from Another Party by way of judgment, award, settlement, covenant, release or otherwise (no matter how those monies may be characterized, designated or allocated) to compensate for any losses caused by, or in connection with, the injuries or illness. A Recovery exists as soon as any fund is identified as compensation for a Member from Another Party. Any recovery shall be deemed to apply, first, for Reimbursement of the Plan’s lien. The amount owed from the Recovery as Reimbursement of the Plan’s lien is an asset of the Plan.

4. Reimbursement

Reimbursement shall mean repayment to the Plan of recovered medical or other Benefits that it has paid toward care and treatment of the injuries or illness for which there has been a Recovery.

5. Subrogation

Subrogation shall mean the Plan’s right to pursue the Member’s claims for medical or other charges paid by the Plan against Another Party.

D. WHEN THIS PROVISION APPLIES

This provision applies when a Member incurs medical or other charges related to injuries or illness caused in part or in whole by the act or omission of the Member or another person; or Another Party may be liable or legally responsible for payment of charges incurred in connection with the injuries or illness; or Another Party may otherwise make a payment without an admission of liability. If so, the Member may have a claim against that other person or Another Party for payment of the medical or other charges. In that event, the Member agrees, as a condition of receiving Benefits from the Plan, to transfer to the Plan all rights to recover damages in full for such Benefits.
E. DUTIES OF THE MEMBER

The Member will execute and deliver all required instruments and papers provided by the Employer’s Group Health Plan/Corporation, including an accident questionnaire, as well as doing and providing whatever else is needed, to secure the Plan’s rights of Subrogation and Reimbursement, before any medical or other Benefits will be paid by the Plan for the injuries or illness. The Employer’s Group Health Plan/Corporation may determine, in its sole discretion, that it is in the Plan’s best interests to pay medical or other Benefits for the injuries or illness before these papers are signed (for example, to obtain a prompt payment discount); however, in that event, the Plan will remain entitled to Subrogation and Reimbursement. In addition, the Member will do nothing to prejudice the Plan’s right to Subrogation and Reimbursement and acknowledges that the Plan precludes operation of the made-whole and common-fund doctrines. A Member who receives any Recovery (whether by judgment, settlement, compromise, or otherwise) has an absolute obligation to immediately tender the portion of the Recovery subject to the Plan’s lien to the Plan under the terms of this provision. A Member who receives any such Recovery and does not immediately tender the Plan’s portion of the Recovery to the Plan will be deemed to hold the Plan’s portion of the Recovery in constructive trust for the Plan, because the Member is not the rightful owner of the Plan’s portion of the Recovery and should not be in possession of the Recovery until the Plan has been fully reimbursed. The portion of the Recovery owed by the Member for the Plan’s lien is an asset of the Plan.

As a condition of receiving Benefits, the Member must:

- Immediately notify the Employer’s Group Health Plan/Corporation of an injury or illness for which Another Party may be liable, legally responsible or otherwise makes a payment in connection with the injuries or illness;
- Execute and deliver an accident questionnaire within one hundred eighty (180) days of the accident questionnaire being mailed to the Member;
- Deliver to the Employer’s Group Health Plan/Corporation a copy of the Personal Injury Protection Log, Medical Payments log and/or Medical Authorization within ninety (90) days of being requested to do so;
- Deliver to the Employer’s Group Health Plan/Corporation a copy of the police report, incident or accident report, or any other reports issued as a result of the injuries or illness within ninety (90) days of being requested to do so;
- Authorize the Plan to sue, compromise and settle in the Member’s name to the extent of the amount of medical or other Benefits paid for the injuries or illness under the Plan and the expenses incurred by the Plan in collecting this amount, and assign to the Plan the Member’s rights to Recovery when this provision applies;
- Include the Benefits paid by the Plan as a part of the damages sought against Another Party. Immediately reimburse the Plan, out of any Recovery made from Another Party, the amount of medical or other Benefits paid for the injuries or illness by the Plan up to the amount of the Recovery and without reduction for attorneys’ fees, costs, comparative negligence, limits of collectability or responsibility, or otherwise;
- Immediately notify the Employer’s Group Health Plan/Corporation in writing of any proposed settlement and obtain the Employer’s Group Health Plan/Corporation’s written consent before signing any release or agreeing to any settlement; and,
• Cooperate fully with the Employer’s Group Health Plan/Corporation in its exercise of its rights under this provision, do nothing that would interfere with or diminish those rights and furnish any information required by the Employer’s Group Health Plan/Corporation.

F. FIRST PRIORITY RIGHT OF SUBROGATION AND/OR REIMBURSEMENT

Any amounts recovered will be subject to Subrogation or Reimbursement. The Plan will be subrogated to all rights the Member may have against that other person or Another Party and will be entitled to first priority Reimbursement out of any Recovery to the extent of the Plan’s payments. In addition, the Plan shall have a first priority equitable lien against any Recovery to the extent of Benefits paid and to be payable in the future. The Plan’s first priority equitable lien supersedes any right that the Member may have to be “made whole.” In other words, the Plan is entitled to the right of first Reimbursement out of any Recovery the Member procures or may be entitled to procure regardless of whether the Member has received full compensation for any of his or her damages or expenses, including attorneys’ fees or costs and regardless of whether the Recovery is designated as payment for medical expenses or otherwise. Additionally, the Plan’s right of first Reimbursement will not be reduced for any reason, including attorneys’ fees, costs, comparative or contributory negligence, limits of collectability or responsibility, characterization of Recovery as pain and suffering or otherwise. As a condition to receiving Benefits under the Plan, the Member agrees that acceptance of Benefits is constructive notice of this provision.

G. WHEN A MEMBER RETAINS AN ATTORNEY

An attorney who receives any Recovery (whether by judgment, settlement, compromise, or otherwise) for an injury or illness in which the Plan has paid or will pay Benefits, has an absolute obligation to immediately tender the portion of the Recovery subject to the Plan’s equitable lien to the Plan under the terms of this provision. As a possessor of a portion of the Recovery, the Member’s attorney holds the Recovery as a constructive trustee and fiduciary and is obligated to tender the Plan’s portion of the Recovery immediately over to the Plan. A Member’s attorney who receives any such Recovery and does not immediately tender the Plan’s portion of the Recovery to the Plan will be deemed to hold the Recovery in constructive trust for the Plan, because neither the Member nor the attorney is the rightful owner of the portion of the Recovery subject to the Plan’s lien. The portion of the Recovery owed for the Plan’s lien is an asset of the Plan.

If the Member retains an attorney, the Member’s attorney must recognize and consent to the fact that this provision precludes the operation of the “made-whole” and “common fund” doctrines, and the attorney must agree not to assert either doctrine against the Plan in his or her pursuit of Recovery. The Plan will not pay the Member’s attorneys’ fees and costs associated with the recovery of funds, nor will it reduce its Reimbursement pro rata for the payment of the Member’s attorneys’ fees and costs, without the expressed written consent of the Corporation.

H. WHEN THE MEMBER IS A MINOR OR IS DECEASED OR INCAPACITATED

This Subrogation and Reimbursement Provision will apply with equal force to the parents, trustees, guardians, administrators, or other representatives of a minor, incapacitated, or deceased Member and to the heirs or personal and legal representatives, regardless of applicable law. No representative of a Member listed herein may allow proceeds from a Recovery to be allocated in a way that reduces or minimizes the Plan’s claim by arranging for others to receive proceeds of any judgment, award, settlement, covenant, release or other payment or releasing any claim in whole or in part without full compensation therefore or without the prior written consent from the Employer’s Group Health Plan/Corporation.
I. WHEN A MEMBER DOES NOT COMPLY

When a Member does not comply with the provisions of this section, the Employer’s Group Health Plan/Corporation shall have the authority, in its sole discretion, to deny payment of any claims for Benefits by the Member and to deny or reduce future Benefits payable (including payment of future Benefits for other injuries or illnesses) under the Plan by the amount due as satisfaction for the Reimbursement to the Plan. The Employer’s Group Health Plan/Corporation may also, in its sole discretion, deny or reduce future Benefits (including future Benefits for other injuries or illnesses) for the Member under any other group benefits plan maintained by the Employer. The reductions will equal the amount of the required Reimbursement; however, under no circumstances shall the Reimbursement, denial or reduction of Benefits exceed the amount of the Recovery. If the Plan must bring an action against a Member to enforce the provisions of this section, then the Member agrees to pay the Plan’s attorneys’ fees and costs, regardless of the action’s outcome.

J. PRIOR RECOVERIES

In certain circumstances, a Member may receive a Recovery that exceeds the amount of the Plan’s payments for past and/or present expenses for treatment of the injuries or illness that is the subject of the Recovery. In other situations, based on the extent of the Member’s injuries or illness, the Member may have received a prior Recovery for treatment of the injuries or illness that is the subject of a claim for Benefits under the Plan. In these situations, the Plan will not provide Benefits for any expenses related to the injuries or illness for which compensation was provided through a current or previous Recovery. The Member is required to submit full and complete documentation of any such Recovery in order for the Plan to consider eligible expenses. To the extent a Member’s Recovery exceeds the amount of the Plan’s lien, the Plan is entitled to deny that amount as an offset against any claims for future Benefits relating to the injuries or illness. In those situations, the Member will be solely responsible for payment of medical bills related to the injuries or illness. The Plan also excludes operation of the made-whole and common-fund doctrines in applying this provision.

The Employer’s Group Health Plan/Corporation has sole discretion to determine whether expenses are related to the injuries or illness to the extent this provision applies. Acceptance of Benefits under the Plan for injuries or illness which the Member has already received a Recovery may be considered fraud, and the Member will be subject to any sanctions determined by the Employer’s Group Health Plan/Corporation, in their sole discretion, to be appropriate, including denial of present or future Benefits under the Plan.

ARTICLE VII - WORKERS’ COMPENSATION PROVISION

This Plan does not provide benefits for diagnosis, treatment or other service for any injury or illness that is sustained or alleged by a Member that arises out of, in connection with, or as the result of, any work for wage or profit when coverage under any Workers’ Compensation Act or similar law is required or is otherwise available for the Member. Benefits will not be provided under this Plan if coverage under the Workers’ Compensation Act or similar law would have been available to the Member but the Member or the Employer elected exemption from available workers’ compensation coverage; waived entitlement to workers’ compensation benefits for which he/she is eligible; failed to timely file a claim for workers’ compensation benefits; or the Member sought treatment for the injury or illness from a Provider not authorized by the Member’s Employer or Workers’ Compensation carrier.
Although treatment for work-related or alleged work-related injuries or illness is excluded under this Plan of Benefits, the Employer’s Group Health Plan/Corporation may, in its sole discretion, agree to extend Benefits to a Member for the injury or illness. In this instance, the Member agrees, as a condition of receiving Benefits, to reimburse the Plan in full from any workers’ compensation recovery as described herein. The Member further agrees as a condition of receiving Benefits, to execute and deliver all required instruments and papers provided by the Employer’s Group Health Plan/Corporation, including an accident questionnaire, as well as doing and providing whatever else is needed, to secure the Plan’s right of recovery, before any medical or other Benefits will be paid by the Plan for the injuries or illness. The Employer’s Group Health Plan/Corporation may determine, in its sole discretion, that it is in the Plan’s best interests to pay medical or other Benefits for the injuries or illness before these papers are signed (for example, to obtain a prompt payment discount); however, in that event, the Plan will remain entitled to reimbursement from any workers’ compensation recovery the Member may receive.

As a condition of receiving Benefits, the Member must:

1. Immediately notify the Employer’s Group Health Plan/Corporation of an injury or illness for which his/her Employer and/or Employers’ Workers’ Compensation carrier may be liable, legally responsible, or otherwise makes a payment in connection with the injuries or illness;

2. Execute and deliver an accident questionnaire within one hundred eighty (180) days of the accident questionnaire being mailed to the Member;

3. Deliver to the Employer’s Group Health Plan/Corporation a copy of the police report, incident or accident report or any other reports issued as a result of the injury or illness within ninety (90) days of being requested to do so;

4. Assert a claim or lawsuit against the Employer and/or Employer’s Workers’ Compensation carrier or any other insurance coverage to which the Member may be entitled;

5. Include the Benefits paid by the Plan as a part of the damages sought against his/her Employer and/or Employer’s Workers’ Compensation carrier. Immediately reimburse the Plan, out of any recovery made from the Employer and/or Employer’s Workers’ Compensation carrier, the amount of medical or other Benefits paid for the injuries or illness by the Plan up to the amount of the recovery and without reduction for attorneys’ fees, costs, comparative negligence, limits of collectability or responsibility, or otherwise;

6. Immediately notify the Employer’s Group Health Plan/Corporation in writing of any proposed settlement and obtain the Employer’s Group Health Plan/Corporation’s written consent before signing any release or agreeing to any settlement; and,

7. Cooperate fully with the Employer’s Group Health Plan/Corporation in its exercise of its rights under this provision, do nothing that would interfere with or diminish those rights and furnish any information required by the Employer’s Group Health Plan/Corporation.

The Employer’s Group Health Plan/Corporation has sole discretion to determine whether claims for Benefits submitted to the Plan are related to the injuries or illness to the extent this provision applies. If the Employer’s Group Health Plan/Corporation pays Benefits for an injury or illness and the Employer’s Group Health Plan/Corporation determines the Member also received a recovery from the Employer and/or Employer’s Workers’ Compensation carrier by means of a settlement, judgment, or other payment for the same injury or illness, the Member shall reimburse the Plan from the recovery for all Benefits paid by the Plan relating to the injury or illness. However, under no circumstances shall the Member’s reimbursement to the Plan exceed the amount of such recovery.
If the Member receives a recovery from the Employer and/or Employer’s Workers’ Compensation carrier, the Plan’s right of reimbursement from the recovery will be applied even if: liability is denied, disputed or is made by means of a compromised, doubtful and disputed, clincher or other settlement; no final determination is made that the injury or illness was sustained in the course of or resulted from the Member’s employment; the amount of workers’ compensation benefits due to medical or healthcare is not agreed upon or defined by the Member, Employer or the Workers’ Compensation carrier; or, the medical or healthcare benefits are specifically excluded from the settlement or compromise.

Failure to reimburse the Plan from the recovery as required under this section will entitle the Employer’s Group Health Plan/Corporation to invoke the Workers’ Compensation exclusion and deny payment for all Claims relating to the injury or illness.

ARTICLE VIII - CLAIMS FILING AND APPEAL PROCEDURES

A. CLAIMS FILING PROCEDURES

1. Where a Participating Provider renders services, generally the Participating Provider should either file the claim on a Member’s behalf or provide an electronic means for the Member to file a claim while the Member is in the Participating Provider’s office. However, the Member is responsible for ensuring that the claim is filed.

2. Written notice of receipt of services on which a claim is based must be furnished to the Corporation, at its address listed in the booklet, within twenty (20) days of the beginning of services, or as soon thereafter as is reasonably possible. Failure to give notice within the time does not invalidate nor reduce any claim if the Member can show that it was not reasonably possible to give the notice within the required time frame and if notice was given as soon as reasonably possible. Upon receipt of the notice, the Corporation will furnish or cause a claim form to be furnished to the Member. If the claim form is not furnished within fifteen (15) days after the Corporation receives the notice, the Member will be deemed to have complied with the requirements of this Plan of Benefits as to proof of loss. The Member must submit written proof covering the character and extent of the services within the time fixed for filing proof of loss.

3. For Benefits not provided by a Participating Provider, the Member is responsible for filing claims with the Corporation. When filing the claims, the Member will need the following:

   a. A claim form for each Member. Members can get claim forms from a member services representative at the telephone number indicated on the Identification Card or via the Corporation’s website, www.MyHealthToolkitRI.com.

   b. Itemized bills from the Provider (s). These bills should contain all the following:

      i. Provider’s name and address;

      ii. Member’s name and date of birth;

      iii. Member’s Identification Card number;

      iv. Description and cost of each service;

      v. Date that each service took place; and

      vi. Description of the illness or injury and diagnosis.
c. Members must complete each claim form and attach the itemized bill(s) to it. If a Member has other insurance that already paid on the claim(s), the Member should also attach a copy of the other Plan’s EOB notice.

d. Members should make copies of all claim forms and itemized bills for the Member’s records since they will not be returned. Claims should be mailed to the Corporation’s address listed on the claim form.

4. The Corporation must receive the claim within ninety (90) days after the beginning of services. Failure to file the claim within the ninety (90) day period, however, will not prevent payment of Covered Expenses if the Member shows that it was not reasonably possible to file the claim timely, provided the claim is filed as soon as is reasonably possible. Except in the absence of legal capacity, claims must be filed no later than twelve (12) months following the date services were received.

5. Receipt of a claim by the Corporation will be deemed written proof of loss and will serve as written authorization from the Member to the Corporation to obtain any medical or financial records and documents useful to the Corporation. The Corporation, however, is not required to obtain any additional records or documents to support payment of a claim and is responsible to pay claims only on the basis of the information supplied at the time the claim was processed. Any party who submits medical or financial reports and documents to the Corporation in support of a Member’s claim will be deemed to be acting as the agent of the Member. If the Member desires to appoint an Authorized Representative in connection with such Member’s claims, the Member should contact the Corporation for an Authorized Representative form.

6. There are four (4) types of claims: Pre-Service Claims, Urgent Care Claims, Post-Service Claims, and Concurrent Care claims. The Employer’s Group Health Plan will make a determination for each type of claim within the following time periods:

a. Pre-Service Claim

i. A determination will be provided in writing or in electronic form within a reasonable period of time, appropriate to the medical circumstances, but no later than fifteen (15) days from receipt of the claim.

ii. If a Pre-Service Claim is improperly filed, or otherwise does not follow applicable procedures, the Member will be sent notification within five (5) days of receipt of the claim.

iii. An extension of fifteen (15) days is permitted if the Corporation (on behalf of the Employer’s Group Health Plan) determines that, for reasons beyond the control of the Corporation, an extension is necessary. If an extension is necessary, the Corporation will notify the Member within the initial fifteen (15) day time period that an extension is necessary, the circumstances requiring the extension, and the date the Corporation expects to render a determination. If the extension is necessary to request additional information, the extension notice will describe the required information. The Member will have at least forty-five (45) days to provide the required information. If the Corporation does not receive the required information within the forty-five (45) day time period, the claim will be denied. The Corporation will make its determination within fifteen (15) days of receipt of the requested information, or, if earlier, the deadline to submit the information. If the Corporation receives the requested information after the forty-five (45) days, but within two hundred twenty-five (225) days, the claim will be reviewed as a first level appeal. Reference the section entitled “Appeal Procedures for an Adverse Benefit Determination” below for details regarding the appeals process.
b. Urgent Care Claim

i. A determination will be sent to the Member in writing or in electronic form as soon as possible taking into account the medical exigencies, but no later than seventy-two (72) hours from receipt of the claim.

ii. If the Member’s Urgent Care Claim is determined to be incomplete, the Member will be sent a notice to this effect within twenty-four (24) hours of receipt of the claim. The Member will then have seventy-two (72) hours to provide the additional information. Failure to provide the additional information within seventy-two (72) hours may result in the denial of the claim.

iii. If the Member requests an extension of Urgent Care Benefits beyond an initially determined period and makes the request at least twenty-four (24) hours prior to the expiration of the original determination period, the Member will be notified within twenty-four (24) hours of receipt of the request for an extension.

c. Post-Service Claim

i. A determination will be sent within a reasonable time period, but no later than thirty (30) days from receipt of the claim.

ii. An extension of fifteen (15) days may be necessary if the Corporation (on behalf of the Employer’s Group Health Plan) determines that, for reasons beyond the control of the Corporation, an extension is necessary. If an extension is necessary, the Corporation will notify the Member within the initial thirty (30) day time period that an extension is necessary, the circumstances requiring the extension, and the date the Corporation expects to render a determination. If the extension is necessary to request additional information, the extension notice will describe the required information. The Member will have at least forty-five (45) days to provide the required information. If the Corporation does not receive the required information within the forty-five (45) day time period, the claim will be denied. The Corporation will make its determination within fifteen (15) days of receipt of the requested information, or, if earlier, the deadline to submit the information. If the Corporation receives the requested information after the forty-five (45) days, but within two hundred twenty-five (225) days, the claim will be reviewed as a first level appeal. Reference Article VIII(B) for details regarding the appeals process.

d. Concurrent Care Claim

ii. The Member will be notified if there is to be any reduction or termination in coverage for ongoing care sufficiently in advance of such reduction or termination to allow the Member time to appeal the decision before the Benefits are reduced or terminated.

7. Notice of Determination

a. If the Member’s claim is filed properly, and the claim is in part or wholly denied, the Member will receive notice of an Adverse Benefit Determination, in a culturally and linguistically appropriate manner, that will:

i. Include information sufficient to identify the claim involved (including date of service, healthcare Provider, claim amount (if applicable) and a statement describing the availability, upon request, of the diagnosis and treatment codes and their corresponding meanings;
ii. State the specific reason(s) for the Adverse Benefit Determination, including the denial code and its corresponding meaning, as well as description of the standard (if any) that was used in denying the claim;

iii. State that the Member is entitled to receive, upon request and free of charge, reasonable access to and copies of all documents, records, and other information relevant to the Member’s claim;

iv. Reference the specific Plan of Benefits provisions on which the determination is based;

v. Describe additional material or information, if any, needed to complete the claim and the reasons such material or information is necessary;

vi. Describe the claims review procedures and the Plan of Benefits and the time limits applicable to such procedures, including a statement of the Member’s right to bring a civil action under section 502(a) of ERISA following an Adverse Benefit Determination on review;

vii. Disclose any internal rule, guideline, or protocol relied on in making the Adverse Benefit Determination (or state that such information is available free of charge upon request);

viii. If the reason for denial is based on a lack of Medical Necessity or an Experimental and Investigational Services exclusion or similar limitation, explain the scientific or clinical judgment for the determination (or state that such information will be provided free of charge upon request);

ix. Disclose any internal rule, guideline, or protocol relied on in making the Adverse Benefit Determination (or state that such information will be provided free of charge upon request);

x. Provide a description of available internal appeals and external review process, including information regarding how to initiate such appeals;

xi. Disclose the availability of, and contact information for, any applicable office of health insurance consumer assistance or ombudsman established under section 2793 of the Public Health Service Act to assist individuals with the internal claims and appeals and external review processes; and,

xii. Include a statement regarding the Member’s right to bring an action under section 502(a) of ERISA.

b. The Member will be provided, as soon as practicable upon request, the diagnosis and treatment codes and their corresponding meanings, associated with the Adverse Benefit Determination.

c. No decisions regarding hiring, compensation, termination, promotion, or other similar matters with respect to any individual will be made based upon the likelihood that the individual will support the denial of Benefits.

d. The Member will also receive a notice if the claim is approved.

B. APPEAL PROCEDURES FOR AN ADVERSE BENEFIT DETERMINATION

1. A Member has one hundred eighty (180) days from receipt of an Adverse Benefit Determination to file an appeal. An appeal must meet the following requirements:

a. An appeal must be in writing;

b. An appeal must be sent (via U.S. mail) to the address below:

BlueCross BlueShield
P.O. Box 100121
Columbia, South Carolina 29202
c. The appeal request must state that a formal appeal is being requested and include all pertinent information regarding the claim in question; and,

d. An appeal must include the Member’s name, address, identification number and any other information, documentation or materials that support the Member’s appeal.

2. The Member may submit written comments, documents, or other information in support of the appeal, and will (upon request) have access to all documents relevant to the claim. A person other than the person who made the initial decision will conduct the appeal. No deference will be afforded to the initial determination.

3. The Member must raise all issues and grounds for appealing an Adverse Benefit Determination at every stage of the appeals process, or such issues and grounds will be deemed permanently waived.

4. If the appealed claim involves an exercise of medical judgment, the Employer will consult with an appropriately qualified healthcare practitioner with training and experience in the relevant field of medicine. If a healthcare professional was consulted for the initial determination, a different healthcare professional will be consulted on the appeal.

5. The final decision on the appeal will be made within the time periods specified below:

   a. Pre-Service Claim

      The Corporation (on behalf of the Employer’s Group Health Plan) will decide the appeal within a reasonable period of time, taking into account the medical circumstances, but no later than fifteen (15) days after receipt of the appeal.

   b. Urgent Care Claim

      The Member may request an expedited appeal of an Urgent Care Claim. This expedited appeal request may be made verbally, and the Corporation (on behalf of the Employer’s Group Health Plan) will communicate with the Member by telephone or facsimile. The Corporation (on behalf of the Employer’s Group Health Plan) will decide the appeal within a reasonable period of time, taking into account the medical circumstances, but no later than seventy-two (72) hours or two (2) business days after receipt of the request for an expedited appeal.

   c. Post-Service Claim

      The Corporation (on behalf of the Employer’s Group Health Plan) will decide the appeal within a reasonable period of time, but no later than fifteen (15) days after receipt of the appeal.

   d. Concurrent Care Claim

      The Corporation (on behalf of the Employer’s Group Health Plan will decide the appeal of Concurrent Care Claims within the time frames set forth in the three previous paragraphs depending on whether such claim is also a Pre-Service Claim, an Urgent Care Claim or a Post-Service Claim.
6. Notice of Final Internal Appeals Determination

   a. If a Member's appeal is denied in whole or in part, the Member will receive notice of an Adverse Benefit Determination that will:

      i. State specific reason(s) for the Adverse Benefit Determination;
      ii. Reference specific provision(s) of the Plan of Benefits on which the Benefit determination is based;
      iii. State that the Member is entitled to receive, upon request and free of charge, reasonable access to and copies of all documents, records, and other information relevant to the claim for Benefits;
      iv. Disclose and provide any internal rule, guideline, or protocol relied on in making the Adverse Benefit Determination;
      v. If the reason for denial is based on a lack of Medical Necessity or an Experimental and Investigational Services exclusion or similar limitation, explain the scientific or clinical judgment for the determination (or state that such information will be provided free of charge upon request);
      vi. Include a statement regarding the Member's right to request an external review; and,
      vii. Include a statement regarding the Member's right to bring an action under section 502(a) of ERISA.

   b. The Member will also receive a notice if the claim on appeal is approved.

      The Employer has retained the Corporation to assist the Employer in making the initial claims determination as well as determinations on appeal as the claims fiduciary. Accordingly, the Employer has delegated to the Corporation discretionary authority to construe and interpret questions related to claims for Benefits under the terms of the Employer's Group Health Plan. The Employer delegates to the Corporation the discretionary authority to make utilization review and Pre-Certification determinations for the purpose of making claim decisions under the Plan of Benefits and to interpret and construe the Plan of Benefits as necessary to make such determinations. It is understood and agreed that the Corporation is a fiduciary with respect to its exercise of such discretionary authority. In making its decision, the Corporation will rely on the Plan of Benefits, its internal procedures and will rely on eligibility data provided by the Employer. The Corporation will undertake the responsibility for providing the initial and appellate review and final determination of claims that have been denied in whole or in part in accordance with the rules set forth in ERISA Section 503 and the regulations thereunder.

7. External Review Procedures

   a. After a Member has completed the appeal process, a Member may be entitled to an additional, external review of the Member's claim at no cost to the Member. An external review may be used to reconsider the Member's claim if the Corporation has denied, either in whole or in part, the Member's claim. In order to qualify for external review, the claim must have been denied, reduced, or terminated.

   b. After a Member has completed the appeal process, (and an Adverse Benefit Determination has been made) such Member will be notified in writing of such Member's right to request an external review. The Member should file a request for external review within four (4) months of receiving the notice of the Corporation's decision on the Member's appeal. In order to receive an external review, the Member will be required to authorize the release of such Member's medical records (if needed in the review for the purpose of reaching a decision on Member's claim).
c. Within five (5) business days of the date of receipt of a Member’s request for an external review, the Corporation will respond by either:

i. Assigning the Member’s request for an external review to an independent review organization and forwarding the Member’s records to such organization; or,

ii. Notifying the Member in writing that the Member’s request does not meet the requirements for an external review and the reasons for the Corporation’s decision.

d. The external review organization will take action on the Member’s request for an external review within ten (10) days after it receives the request for external review from the Corporation.

e. Expedited external reviews are available if the Member’s Physician certifies that the Member has a serious medical condition. A serious medical condition, as used in this section, means one that requires immediate medical attention to avoid serious impairment to body functions, serious harm to an organ or body part, or that would place the Member’s health in serious jeopardy. If the Member may be held financially responsible for the treatment, a Member may request an expedited review of the Corporation’s decision if the Corporation’s denial of Benefits involves Emergency Medical Care and the Member has not been discharged from the treating Hospital. The external review organization will take action on the Member’s request for an expedited external review within two (2) business days after it receives the request for external review from the Corporation.

f. If a Member needs assistance during the external review process, the Member may contact the Rhode Island Department of Health at the following address and telephone number:

Office of Managed Care Regulation
Rhode Island Department of Health
3 Capital Hill
Providence, RI 02908
Telephone: (401) 222-6015

ARTICLE IX - GENERAL PROVISIONS

ADMINISTRATIVE SERVICES ONLY

The Corporation provides administrative claims payment services only and does not assume any financial risk or obligation with respect to claims. The Employer’s Group Health Plan is a self-funded health Plan and the Employer assumes all financial risk and obligation with respect to claims.

AMENDMENT

Upon thirty (30) days prior written notice, the Employer may unilaterally amend the Employer’s Group Health Plan. Increases in the Benefits provided or decreases in the premium are effective without such prior notice. Notice of an amendment will be effective when addressed to the Employer. The Corporation has no responsibility to provide individual notices to each Member when an amendment to the Employer’s Group Health Plan has been made.
AUTHORIZED REPRESENTATIVES

A Provider may be considered a Member’s authorized representative without a specific designation by the Member when the Preauthorization request is for Urgent Care Claims. A Provider may be a Member’s authorized representative with regard to non-Urgent Care Claims only when the Member gives the Corporation or the Provider a specific designation, in a format that is reasonably acceptable to the Employer’s Group Health Plan to act as an authorized representative. If the Member has designated an authorized representative, all information and notifications will be directed to that representative unless the Member gives contrary directions.

BLUECARD PROGRAM

Out-of-Area Services
BCBSRI has a variety of relationships with other Blue Cross and/or Blue Shield Licensees referred to generally as “Inter-Plan Programs.” Whenever you obtain healthcare services outside of BCBSRI service area, the claims for these services may be processed through one of these Inter-Plan Programs, which include the BlueCard Program and may include negotiated National Account arrangements available between us and other Blue Cross and Blue Shield Licensees. The BlueCard Program does not apply to dental services, vision services, or pharmacy services.

Typically, when accessing care outside BCBSRI service area, you will obtain care from healthcare Providers that have a contractual agreement (i.e. are “Participating Providers”) with the local Blue Cross and/or Blue Shield Licensee in that other geographic area (“Host Blue”). In some instances, you may obtain care from nonparticipating healthcare Providers. BCBSRI payment practices in both instances are described below.

A. BlueCard Program

Under the BlueCard Program, when you access covered healthcare services within the geographic area served by a Host Blue, BCBSRI will remain responsible for fulfilling BCBSRI contractual obligations. However, the Host Blue is responsible for contracting with and generally handling all interactions with its participating healthcare Providers.

Whenever you access covered healthcare services outside BCBSRI’s service area and the claim is processed through the BlueCard Program, the amount you pay for covered healthcare services is calculated based on the lower of:

- The billed covered charges for your covered services; or
- The negotiated price that the Host Blue makes available to BCBSRI.

Often, this “negotiated price” will be a simple discount that reflects an actual price that the Host Blue pays to your healthcare Provider. Sometimes, it is an estimated price that takes into account special arrangements with your healthcare Provider or Provider group that may include types of settlements, incentive payments, and/or other credits or charges. Occasionally, it may be an average price, based on a discount that results in expected average savings for similar types of healthcare Providers after taking into account the same types of transactions as with an estimated price.

Estimated pricing and average pricing, going forward, also take into account adjustments to correct for over or underestimation of modifications of past pricing for the types of transaction modifications noted above. However, such adjustments will not affect the price BCBSRI uses for your claim because they will not be applied retroactively to claims already paid.
Federal law or laws in a small number of states may require the Host Blue to add a surcharge to your calculation. If federal law or any state laws mandate other liability calculation methods, including a surcharge, we would then calculate your liability for any covered healthcare services according to applicable law.

If you receive covered healthcare services under a Value-Based Program inside a Host Blue’s service area, you will not bear any portion of the Provider Incentives, risk-sharing, and/or Care Coordinator Fees of such arrangement (other than through your premium contributions), except when a Host Blue passes these fees to us through average pricing or actual pricing.

As part of this agreement we and your Employer will not impose cost sharing for Care Coordinator Fees.

**BlueCard Program defined terms:**
- Care Coordinator Fee is a fixed amount paid by us to Providers periodically for Care Coordination under a Value-Based Program.
- Care Coordination is organized, information-driven patient care activities intended to facilitate the appropriate responses to a member's healthcare needs across the continuum of care.
- Value-Based Program (VBP) is an outcomes-based payment arrangement and/or a coordinated care model facilitated with one or more local Providers that is evaluated against cost and quality metrics/factors and is reflected in Provider payment.
- Provider Incentive is an additional amount of compensation paid to a healthcare Provider by us, based on the Provider's compliance with agreed-upon procedural and/or outcome measures for a particular group of covered persons.
- Negotiated Arrangement is an agreement negotiated between a Control/Home Licensee and one or more Par/Host Licensees for any National Account that is not delivered through the BlueCard program. If we enter into a Negotiated Arrangement with a Host Blue to provide Value-Based Programs to your Employer on your behalf, we will follow the same procedures for Value-Based Programs administration and Care Coordination Fees as noted in the BlueCard program section above.

**B. Non-Participating Healthcare Providers Outside BCBSRI Service Area**

1. **Subscriber Liability Calculation**
   When covered healthcare services are provided outside of BCBSRI service area by non-participating healthcare Providers, the amount you pay for such services will generally be based on either the Host Blue's non-participating healthcare Provider local payment or the pricing arrangements required by applicable state law. In these situations, you may be liable for the difference between the amount that the non-participating healthcare Provider bills and the payment BCBSRI will make for the covered services as set forth in this paragraph.

2. **Exceptions**
   In certain situations, BCBSRI may use other payment bases, such as billed covered charges, the payment we would make if the healthcare services had been obtained within our service area, or a special negotiated payment, as permitted under Inter-Plan Programs Policies, to determine the amount BCBSRI will pay for services rendered by non-participating healthcare Providers. In these situations, you may be liable for the difference between the amount that the non-participating healthcare Provider bills and the payment BCBSRI will make for the covered services as set forth in this paragraph.

**CLERICAL ERRORS**

Clerical errors by the Corporation or the Employer will not cause a denial of Benefits that should otherwise have been granted, nor will clerical errors extend Benefits that should otherwise have ended.
DISCLOSURE OF PHI TO PLAN SPONSOR

The Employer’s Group Health Plan will disclose (or will require BlueCross BlueShield to disclose) Member’s PHI to the Plan Sponsor only to permit the Plan Sponsor to carry out plan administration functions for the Employer’s Group Health Plan not inconsistent with the requirements of HIPAA. Any disclosure to and use by the Plan Sponsor will be subject to and consistent with the provisions of paragraphs A and B of this section.

A. Restrictions on Plan Sponsor’s Use and Disclosure of PHI.

1. The Plan Sponsor will neither use nor further disclose Member’s PHI, except as permitted or required by the Plan Documents, as amended, or required by law.

2. The Plan Sponsor will ensure that any agent, including any subcontractor, to whom it provides Member PHI agrees to the restrictions and conditions of the Plan of Benefits, with respect to Member’s PHI.

3. The Plan Sponsor will not use or disclose Member PHI for employment-related actions or decisions or in connection with any other benefit or Employee benefit Plan of the Plan Sponsor.

4. The Plan Sponsor will report Employer’s Group Health Plan any use or disclosure of Member PHI that is inconsistent with the uses and disclosures allowed under this section promptly upon learning of such inconsistent use or disclosure.

5. The Plan Sponsor will make PHI available to the Member who is the subject of the information in accordance with HIPAA.

6. The Plan Sponsor will make Member PHI available for amendment, and will on notice amend Member PHI, in accordance with HIPAA.

7. The Plan Sponsor will track disclosures it may make of Member PHI so that it can make available the information required for the Employer’s Group Health Plan to provide an accounting of disclosures in accordance with HIPAA.

8. The Plan Sponsor will make its internal practices, books and records, relating to its use and disclosure of Member PHI, to the Plan and to the U.S. Department of Health and Human Services to determine compliance with HIPAA.

9. The Plan Sponsor will, if feasible, return or destroy all Member PHI, in whatever form or medium (including in any electronic medium under the Plan Sponsor’s custody or control), received from the Employer’s Group Health Plan, including all copies of and any data or compilations derived from and allowing identification of any Member who is the subject of the PHI, when the Member’s PHI is no longer needed for the Plan administration functions for which the disclosure was made. If it is not feasible to return or destroy all Member PHI, the Plan Sponsor will limit the use or disclosure of any Member PHI it cannot feasibly return or destroy to those purposes that make the return or destruction of the information infeasible.

10. The Plan Sponsor will implement administrative, physical and technical safeguards that reasonably and appropriately protect the confidentiality, integrity and availability of the ePHI that Plan Sponsor creates, receives, maintains, or transmits on behalf of the Employer’s Group Health Plan.
11. The Plan Sponsor will ensure that any agent, including a subcontractor, to whom Plan Sponsor provides ePHI (that Plan Sponsor creates, receives, maintains or transmits on behalf of the Employer’s Group Health Plan), agrees to implement reasonable and appropriate security measures to protect this information.

12. Plan Sponsor shall report any security incident of which it becomes aware to the Employer’s Group Health Plan as provided below.

   i. In determining how and how often Plan Sponsor shall report security incidents to Employer’s Group Health Plan, both Plan Sponsor and Employer’s Group Health Plan agree that unsuccessful attempts at unauthorized access or system interference occur frequently and that there is no significant benefit for data security from requiring the documentation and reporting of such unsuccessful intrusion attempts. In addition, both parties agree that the cost of documenting and reporting such unsuccessful attempts as they occur outweigh any potential benefit gained from reporting them. Consequently, both Plan Sponsor and Employer’s Group Health Plan agree that this Agreement shall constitute the documentation, notice and written report of any such unsuccessful attempts at unauthorized access or system interference as required above and by 45 C.F.R. Part 164, Subpart C and that no further notice or report of such attempts will be required. By way of example (and not limitation in any way), the Parties consider the following to be illustrative (but not exhaustive) of unsuccessful security incidents when they do not result in unauthorized access, use, disclosure, modification, or destruction of ePHI or interference with an information system:

   aa. Pings on a Party’s firewall;

   bb. Port scans;

   cc. Attempts to log on to a system or enter a database with an invalid password or username;

   dd. Denial-of-service attacks that do not result in a server being taken offline and,

   ee. Malware (e.g., worms, viruses).

   ii. Plan Sponsor shall, however, separately report to Employer’s Group Health Plan (i) any successful unauthorized access, use, disclosure, modification or destruction of the Group Health Plan’s ePHI of which Plan Sponsor becomes aware if such security incident either (a) results in a breach of confidentiality; (b) results in a breach of integrity but only if such breach results in a significant, unauthorized alteration or destruction of Group Health Plan’s ePHI; or (c) results in a breach of availability of Group Health Plan’s ePHI, but only if said breach results in a significant interruption to normal business operations. Such reports will be provided in writing within ten (10) business days after Plan Sponsor becomes aware of the impact of such security incident upon Group Health Plan’s ePHI.

B. Adequate Separation between the Plan Sponsor and the Employer’s Group Health Plan.

1. Only Employees or other workforce members under the control of the Plan Sponsor (“Employees”) who, in the normal course of their duties, assist in the administration of Employee Benefits or the Employer’s Group Health Plan or the Employer’s Group Health Plan finances or other classes of Employees as designated in writing by the Plan Sponsor may be given access to Member PHI received from the Employer’s Group Health Plan or business associate servicing the Employer’s Group Health Plan.
2. These Employees will have access to Member PHI only to perform the Plan administration functions that the Plan Sponsor provides for the Employer’s Group Health Plan.

3. These Employees will be subject to disciplinary action and sanctions, including termination of employment or affiliation with the Plan Sponsor, for any use or disclosure of Member PHI in breach or violation of or noncompliance with the provisions of this section to the Plan of Benefits. Plan Sponsor will promptly report such breach, violation or noncompliance to the Employer’s Group Health Plan, and will cooperate with the Employer's Group Health Plan to correct the breach, violation or noncompliance, to impose appropriate disciplinary action or sanctions on each Employee or other workforce member causing the breach, violation or noncompliance, and to mitigate any deleterious effect of the breach, violation or noncompliance on any Member, the privacy of whose PHI may have been compromised by the breach, violation or noncompliance.

4. The Plan Sponsor will ensure that the separation required by the above provisions will be supported by reasonable and appropriate security measures.

Plan Sponsor certifies that the Plan of Benefits contains and that the Plan Sponsor agrees to the provisions outlined above.

EMPLOYER IS AGENT OF MEMBERS

By accepting Benefits, a Member agrees that the Employer is the Member’s agent for all purposes of any notice under Employer’s Group Health Plan. The Member further agrees that notifications received from, or given to, the Employer by the Corporation are notification to the Employees except for any notice required by law to be given to the Members by the Corporation.

GOVERNING LAW

The Employer’s Group Health Plan (including the Schedule of Benefits) is governed by and subject to applicable federal law. If and to the extent that federal law does not apply, the Employer’s Group Health Plan is governed by and subject to the laws of the State of Rhode Island. If federal law conflicts with any state law, then such federal law shall govern. If any provision of the Employer’s Group Health Plan conflicts with such law, the Employer’s Group Health Plan shall automatically be amended solely as required to comply with such state or federal law.

IDENTIFICATION CARD

A Member must present his or her Identification Card prior to receiving Benefits.

Identification Cards are for identification only. Having an Identification Card creates no right to Benefits or other services. To be entitled to Benefits, the cardholder must be a Member whose premium has been paid. Any person receiving Covered Expenses to which the person is not entitled will be responsible for the charges.

INFORMATION AND RECORDS

The Corporation and the Employer are entitled to obtain such medical and Hospital records as may reasonably be required from any Provider incident to the treatment, payment and healthcare operations for the administration of the Benefits hereunder and the attending Provider’s certification as to the Medical Necessity for care or treatment.
LEGAL ACTIONS

No Member may bring an action at law or in equity to recover on the Employer’s Group Health Plan until such Member has exhausted the appeal process as set forth in Article VIII. No such action may be brought after the expiration of any applicable period prescribed by law.

NEGLIGENCE OR MALPRACTICE

The Corporation and Employer do not practice medicine. Any medical treatment, service or Medical Supplies rendered to or supplied to any Member by a Provider is rendered or supplied by such Provider and not by the Corporation or the Employer. The Corporation and Employer are not liable for any improper or negligent act, inaction or act of malfeasance of any Provider in rendering such medical treatment, service, Medical Supply or medication.

NOTICES

Except as otherwise provided in the Employer's Group Health Plan, any notice under the Employer’s Group Health Plan may be given by United States registered or certified mail, postage paid, return receipt requested or nationally recognized carrier and addressed:

1. To the Corporation:
   BlueCross BlueShield
   P.O. Box 100121
   Columbia, South Carolina 29202

2. To a Member: To the last known name and address listed for the Employee related to such Member on the membership application. Members are responsible for notifying the Corporation of any name or address changes within thirty-one (31) days of the change.

3. To the Employer: To the name and address last given to the Corporation. The Employer is responsible for notifying the Corporation and Members of any name or address change within thirty-one (31) days of the change.

NO WAIVER OF RIGHTS

On occasion, the Corporation (on behalf of the Employer’s Group Health Plan) or the Employer may, at their discretion, choose not to enforce all of the terms and conditions of the Employer’s Group Health Plan. Such a decision does not mean the Employer’s Group Health Plan or Employer waives or gives up any rights under the Employer’s Group Health Plan in the future.

OTHER INSURANCE

Each Member must provide the Employer’s Group Health Plan (and its designee, including the Corporation) and Employer with information regarding all other health insurance coverage to which such Member is entitled.
PAYMENT OF CLAIMS

A Member is expressly prohibited from assigning any right to payment of Covered Expenses or any payment related to Benefits. The Employer’s Group Health Plan may pay all Covered Expenses directly to the Member upon receipt of due proof of loss when a Non-Participating Provider renders services. When payment is made directly to the Member, the Member is responsible for any payment to the Provider. Where a Member has received Benefits from a Participating Provider, the Employer’s Group Health Plan will pay Covered Expenses directly to such Participating Provider.

PHYSICAL EXAMINATION

The Employer’s Group Health Plan has the right to have examined, at their own expense, a Member whose injury or sickness is the basis of a claim (whether pre-service, post-service, concurrent or urgent care). Such physical examination may be made as often as the Employer’s Group Health Plan (through its designee, including the Corporation) may reasonably require while such claim for Benefits or request for Preauthorization is pending.

REPLACEMENT COVERAGE

If the Employer’s Group Health Plan replaced the Employer’s prior Plan, all eligible persons who were validly covered under that Plan on its termination date will be covered on the Plan of Benefits Effective Date of the Employer’s Group Health Plan, provided such persons are enrolled.

This index contains instances of the use of defined terms in the Employer’s Group Health Plan. This index does not include Benefits or excluded items.
