

As part of our continuing efforts to enhance benefits and help maintain and improve health, Brown now offers Livongo for Diabetes. The Livongo for Diabetes Program makes living with diabetes easier by providing you with a connected meter, unlimited strips, and coaching.

Eligible Members: The optional program is offered at **no cost** to faculty and staff and dependents with diabetes and coverage through a Brown health plan.

Here are some of the benefits of this program:

- **More Than a Standard Meter:** The Livongo meter is connected and provides real-time tips and automatically uploads your blood glucose readings, making log books a thing of the past.
- **Unlimited Strips at No Cost to You:** Get as many strips and lancets as you need with no hidden costs. When you are about to run out, Livongo ships more supplies, right to your door.
- **Coaching Anytime and Anywhere:** The Livongo coaches are Certified Diabetes Educators who are available anytime via phone, text, and our mobile app to give you guidance on your nutrition and lifestyle questions.
