

# Workday Learning's New Look

The Workday Learning homepage is changing in late January - here's a preview!

## 1. Highlights

View various content appropriate for all Brown learners suggested by the Talent Development team

## 2. Personalize Your Learning Preferences

Set your topical learning preferences to influence suggested content

## 3. Search Available Learning

Browse internal instructor-led courses and digital courses currently available

## 4. My Transcript

Open a report of all content in which you are enrolled or have been assigned, including the status for each course

## 5. My Learning

Go here to drop courses, view your waitlist, and create learning paths. Content assigned to you will also be here under Required for You.

## 6. Discover

Browse topics, explore recently added courses, view popular courses based on current enrollments, and more!
