Please note: these sessions will not be recorded, time will be reserved for Q & A.

The Curricular Practical Training (CPT) segment of this presentation is of particular interest to undergraduate and graduate students who have been in F-1 status for a minimum of one academic year, and who would like to explore options pertaining to internships off campus.

The second part of the presentation addresses questions related to Optional Practical Training (OPT) for F-1 students who are interested in utilizing this employment authorization during the summer, or who plan to complete their academic program in 2021.

Please note: Students who plan to complete their academic program during the spring 2021 semester are strongly advised to apply for post-completion OPT as early as 90 days before their anticipated completion date. Please note that graduation has been changed from May 30, 2021 to May 2, 2021. Therefore, if you intend to graduate this Spring, the first day on which you can apply for OPT is February 1, 2021.
