The following message is being sent on behalf of the Office of Global Engagement (OGE)

Dear International Students and Scholars,

A week ago, the Office of International Student & Scholar Services (OISSS) sent out an email with instructions for filing taxes.

<https://www.brown.edu/about/administration/international-student-and-scholar-services/taxes/annual-income-tax-return-filing>

A copy of that email is attached in a word document. If after attempting to do your taxes through GLACIER and SPRINTAX you still are having questions and/or concerns, please consider attending this **tax workshop**:

On Monday, March 12, Certified Public Accountant Kenneth Richards will provide a presentation covering the basics of U.S. tax return preparation for international students and scholars, followed by a Q & A session.

The presentation will take place Monday, MARCH 12 at 6:30 pm in 85 Waterman St., Room 130.

[RSVP Here](#)

Mr. Richards will also hold evening hours on several nights beginning March 14th, to answer individual tax questions. More details and a link to sign up for an individual appointment with him will be sent in an email next week.

Please let us know if you have any questions!
