

Approved Capstone Courses

The Biology AB capstone requirement may be satisfied through the following options: Completion of a senior Honors thesis, an independent study (such as BIOL 1950/60) course, or via an approved capstone course. These courses have been pre-approved, with appropriate paper/project assignments, to count as your capstone course:

BIOL 1100, 1250, 1515, 1555, 1565, 1575, 1600, 1820, 1970. Courses over the 2000 level may be used with the approval of Dean Achilli
