

BioCON

Industry Seminar Series

LOCATION: Virtual Zoom Meeting

DATE: June 25th, 2020

RSVP for seminar and discussion 4 - 5:00 pm EST

Patrick J. Devine, Ph.D.

Discovery and Investigative Safety
Department of Preclinical Safety at Novartis

Dr. PJ Devine earned his PhD in toxicology at the University of Maryland, Baltimore in 1999. He went on to a post-doc at University of Arizona where he studied ovarian function and reproductive toxicology. He continued his work as a professor at the Institut National de la Recherche Scientifique in Laval, Quebec City in Canada in 2003. In 2010, Dr. Devine transitioned to Novartis for Discovery and Investigative Safety in the department of Preclinical Safety.

Please RSVP using the QR code to the right.
Graduate, medical, post-doctoral students, and
laboratory technicians from all departments are
invited to attend.

@BioCONRI

This seminar series aims to provide students with an opportunity to hear from and converse with speakers outside of academia. This seminar series is associated with BioCON (Bio Career Opportunities Now) and is sponsored by the Biotechnology Graduate Program and the Brown BioMed Office of Graduate & Postdoctoral Studies.
