

# Do you want to know what's going on in your building?

## Sign up for your respective building's distribution list!

We will notify you by email of any building activities, service interruptions or construction implications that will affect operations in your building (ex. fire alarm testing, fume hood shut downs, or elevator repairs).

### It's easy!

To be added to your building's distribution list, go to: <http://listserv.brown.edu>. In the *Open List Home Page* Section, type in (all lowercase) the appropriate building notification (see below- after Enter:) and click *Search*.
