4	5	Thesis

Health Careers Advising

Form 4

3. Additional Information or Changes since Your Committee Interview

4. If you have been impacted by the COVID-19 Pandemic feel free to use the space below. Consider including information about cancelled job, internship, or volunteer opportunities, health or financial hardship in your family, or significant academic struggles since the beginning of the pandemic. This will help you model your narrative for the application and will give us helpful context to include in institutional letters, if appropriate and necessary.
