

## **Robert Wood Johnson Barnabas Health Medical Scribe Positions- multiple sites in New Jersey**

We currently employ over 275 medical scribes at 12 Emergency Department and Hospitalist sites in New Jersey and I am reaching out to share information with you about the scribe position that we have available.

Our scribes are hard-working, focused, and reliable individuals who work in fast-paced environments requiring high level attention to detail. The vast majority of our applicants are prospective medical school, PA school, MHA and nursing school students. We are looking to hire graduating seniors/recent graduates who would like to work in a healthcare setting, develop valuable skills, and gain direct experience working with clinicians.

Our department is hiring now for current open positions and positions to start Summer 2022. We offer full-time, part-time, and per diem positions depending on each site's need. Please see the appended flyer with information about the position, sites, and qualifications.

Candidates who reside in New Jersey or are interested in relocating to the metropolitan area, please see our Careers website to view our current job postings (search for "scribe"): <https://www.rwjbarabashealthcareers.org/jobs/>

Candidates who have questions regarding our job or the application process can direct them to our department's Recruiter, Nicolette Bunag ([Nicolette.Bunag@rwjbh.org](mailto:Nicolette.Bunag@rwjbh.org)).

## MEDICAL SCRIBES

*Come work in a fast-paced Emergency Department (ED) and become a valuable member of the healthcare team! Witness the medical decision-making process of clinicians - Physicians, Physician Assistants, and/or Nurse Practitioners. Document patient notes in an Electronic Medical Record under the direction of a clinician, gaining advanced knowledge of medical terminology and ED operations.*

### GENERAL REQUIREMENTS

- High school diploma
- Completion of Biology/Science coursework at the undergraduate level.
- Work experience in a direct patient care clinical setting may be considered in lieu of Biology/Science coursework.
- Work, volunteer, or shadowing experience in the healthcare field.
- Experience in a direct patient care environment preferred (e.g. medical scribe, clinical technician in a hospital, medical assistant in a doctor's office, EMT)
- A responsible and mature individual with a passion for medicine!
