TIMETABLE AND DEADLINES FOR THE 2017-2018 APPLICATION PROCESS

FALL 2016
Brown students and alumni close to campus attend one mandatory Applicant Seminar #1 The Big Picture (4 dates offered October through December). Alumni far from campus participate through WebEx live. The schedule is at: www.brown.edu/go/healthcareers

JANUARY 23 - FEBRUARY 10, 2017
To ensure the best support in the highly-competitive application process, students and alumni are urged to meet with George Vassilev for a detailed discussion before they submit an HCAD if they have experienced challenges that have affected their academic or non-academic records. Based on medical application data over many years we have observed that applicants with GPAs of 3.20 or lower, 2 or more Cs and MCAT scores lower than 30/~508, or sub-scores lower than 9/~126 have significantly lower admission chances. Visit in office hours or schedule an appointment so we can provide comprehensive and timely guidance when it can make the greatest positive impact on your preparation to apply. The numbers above do not indicate that you may not be able to succeed in the application process or will not have our office’s support but give you important guidelines about medical schools’ expectations. We are here to help you assess and plan ahead.

FEBRUARY 20 - 23, 2017
Sign up in JWW 313 for an interview with a member of the Health Careers Advisory Committee between 9 AM and 4 PM. Interviews take place March-May. If you meet all requirements and are placed on a temporary wait list, you are guaranteed an interview. 2017-2018 Applicants who do not sign up between February 20 and 23 are not guaranteed an interview. A separate wait list will be created for individuals who miss this sign-up period.
