COURSE SELECTION AND PLACEMENT EXAMS

LANGUAGE PLACEMENT
If you have taken courses at a previous institution that are equivalent to courses offered at Brown and you wish to register for higher level courses, you should consult with a department placement advisor about which level courses you can take and whether you should take a placement exam.

All entering students who intend to study a foreign language with which they have some familiarity, and who have not previously submitted scores from the SAT Achievement Test or an Advanced Placement Test in that language, are required to take a Brown foreign language placement test at the beginning of the term. If you have submitted such scores but plan to gain significant language experience before taking a language course at Brown, you should also plan to take a Brown foreign language placement test. If you know a second foreign language, we suggest you also take a placement test in that language.

French: Please consult the French Studies website for placement tests, which are offered online. http://www.brown.edu/academics/french-studies/home/language-placement

Spanish: Please consult the Hispanic Studies website for placement tests, which are offered online. http://www.brown.edu/academics/hispanic-studies/language-placement

BIOLOGY PLACEMENT
Available Online
January 10, 2017—February 22, 2017
Administered online through Banner throughout orientation and registration periods. Log into self-service Banner: selfservice.brown.edu/, then go to Enter Secure Area>Applicant and Student>Biology Placement Exam. For additional information contact Jody_Hall@brown.edu or visit the Biology Department website at brown.edu/academics/biology/undergraduate-education/.

CHEMISTRY PLACEMENT
The Chemistry Department offers a one-semester general chemistry course, CHEM 0330. Students with little or no background in chemistry may need to start with CHEM 0100, which is an introductory S/NC course offered in Semester I. CHEM 0100 is designed to prepare students to enroll in CHEM 0330 in Semester II.

Please note: CHEM 0330 will be offered in both Semester I and Semester II. For more information, call 863 - 9618.

No Brown credit is awarded for the results of Chemistry AP exams. Students may not place out of CHEM 0330, including the laboratory, unless they have passed the IB-Higher Level Chemistry exams, the British A-level exam, or an equivalent college course at another university or college. Information about Chemistry course placement is available on Banner and the Chemistry Department website: brown.edu/academics/chemistry

MATH PLACEMENT
If you have studied calculus and intend to continue your study of mathematics at Brown, it is advisable to consult with the placement advisor, or one of the instructors of the course you are considering. For further information and FAQ, please visit the Math Placement Website: https://www.math.brown.edu/~calcplacement
You may also contact the Math Placement Advisor, Professor Katz, at Dkatz@math.brown.edu

MUSIC PLACEMENT EXAMS
Placement in many music courses is determined by an audition process during the first week or so of the fall semester. Mid-year transfers are encouraged to contact individual performance group directors or Applied Music division heads to see if spring placement is possible. Introduction to Music Theory requires a placement exam, and most performance course offerings require auditions and written permission for enrollment. Consult the Music Department website for a complete list of course offerings and prerequisites: brown.edu/Departments/Music/courses/
