May 2015

Dear Student,

Congratulations on your acceptance to Brown University. Prior to starting at Brown, all incoming students are required to provide the medical information listed below. The deadline for submitting all forms is July 1, 2015 for incoming first year and fall transfers and January 5, 2016 for mid-year transfers.

All forms and detailed instructions are available on our website at www.brown.edu/health; please visit the “New Student Forms” link within the site to complete required materials.

1. Print the Brown Health Services Immunization Record and forward to your medical provider for completion. Rhode Island state law requires all students to provide written documentation of their immunizations.

2. Print and complete the TB screening form. If indicated after completing the form, a TB test within the past 6 months will be required for some students.

3. Complete the online Health History Form accessible from the website.

4. Enter your immunization dates from your completed Immunization Record Form into the online immunization section.

5. Complete the Authorization for Medical Care and Treatment form accessible on the website.

6. If you will not be 18 years old by August 15, 2015, please print and have your parent/guardian complete the Authorization for Medical Care and Treatment of a Minor form.

7. If you intend to participate in intercollegiate athletics, print and complete the Sports Pre-Participation History and Physical form – this form is required before you may practice or participate in any intercollegiate sports.

8. If you waived and will not be participating in the Brown Student Health Insurance plan, make a copy of your health insurance card and your pharmacy prescription benefits card.

9. Upload the completed Immunization Record, TB Screening form, a copy of your insurance card and pharmacy benefits card, and if applicable, the Authorization for Medical Care and Treatment of a Minor form and the Sports Pre-Participation History and Physical form, along with any additional medical information to be included in your medical record at Brown Health Services. Instructions for uploading these forms is available on our website.

Our website provides detailed information regarding completion of all medical forms and information regarding the specific services we provide at Health Services. If you have any questions about completing or uploading our forms, or about our services, please do not hesitate to contact Health Services.

Phone: (401) 863-1330 Fax: (401) 863-7953 E-mail: nursing@brown.edu

Thank you for your cooperation. Your compliance in completing the medical forms protects the health of the entire University community.

Sincerely,

Lynn Dupont, RN
Associate Director
Health Services
