Dear Student,

Congratulations on your decision to attend Brown University. We are excited to have you join our community this fall. We would like to take this opportunity to give you some information about the housing process for transfer, RUE, and visiting students entering at the start of the fall semester.

Please take a few minutes to visit the Residential Life website before your arrival to campus. It contains information regarding the residence halls, residential programming and campus policies. When making your assignment and whenever possible, Residential Life will take into consideration your semester level so that you will be near students who are in or close to the same graduation year.

You should also complete a NEW STUDENT QUESTIONNAIRE, which can be found under the forms link on our website by July 1, 2015.

You will be notified of your residence hall assignment via your Brown e-mail account no later than August 17th. More specific information regarding times and location of key pick-up will be included in your assignment e-mail.

During the start of your semester, you will meet the Residential Peer Leader (RPL) for your building or area. In the upper class residential areas, Community Assistants (CAs) are upper class students employed by the Office of Residential Life to assist in a student’s transition to Brown. If you are assigned to a first year unit, Residential Counselors (RCs) and Women Peer Counselors (WPCs) are available to assist new students in transitioning to residential living at Brown. At your former institution these students may have been known as a Resident Assistant. These students are a great resource for you to meet new people, by attending their programming, or to ask any questions that you may have along the way.

Please feel free to contact our office with any questions you may have. We can be reached at 401-863-3500 or by e-mailing Res_Life@brown.edu. We are looking forward to welcoming you to Brown University in the fall.

Take care,
The Office of Residential Life

Spring Transfer Students see reverse
Dear Student,

Congratulations on your decision to attend Brown University. We are excited to have you join our community this spring. We would like to take this opportunity to give you some information about the housing process for transfer, RUE, and visiting students entering at the start of the second semester.

Please take a few minutes to visit the Residential Life website before your arrival to campus. It contains information regarding the residence halls, residential programming and campus policies. When making your assignment, Residential Life will take into consideration your semester level so that you will be near students who are in or close to the same graduation year.

If you are interested, you can fill out a Housing Preference Form, which can be found under the forms link on our website. If you provide us with preferences, we will make every effort to consider your requests when making your assignments. Our website has information about each residence hall. Please take a few minutes to read about our communities to assist you in determining your preferences. The Housing Preference Form must be received by our office no later than December 15, 2015 to be considered.

You will be notified of your residence hall assignment via your Brown e-mail account no later than January 16, 2016. More specific information regarding times and location of key pick-up will be included in your assignment e-mail.

During the start of your semester, you will meet the Community Assistant (CA) for your building or area. The CA is an upper class student employed by the Office of Residential Life. At your former institution they may have been known as a Resident Assistant. These students are a great resource for you to meet new people, by attending their programming, or to ask any questions that you may have along the way.

Please feel free to contact our office with any questions you may have. We can be reached at 401-863-3500 or by e-mailing Res_Life@brown.edu. We are looking forward to welcoming you to Brown University in January.

Take care,

The Office of Residential Life
