Dear Incoming Students,

The Principles of the Brown University Community, which Brown upholds for all members of the campus community, declare that “Brown accepts and encourages individuality while also affirming the community dimensions of college life... The Brown community therefore depends on individual self-discipline and mutual respect to further the well-being of all its members.” Individual integrity and self-respect, respect for the rights and concerns of others, respect for property, and respect for the integrity of the academic process are the fundamental tenets of Brown.

During orientation you will learn these principles in greater detail, and they are vital to the health of the Brown community. In addition, orientation provides valuable information about Brown’s extraordinary academic and co-curricular opportunities and introduces you to Brown’s expectations about how to live and learn in your new community.

This schedule provides information for your arrival on campus and events during orientation. Please review this carefully.

For information about department placement tests, administrative offices’ hours and locations, or other campus information, please Google search from Brown’s homepage: https://www.brown.edu.

Current students who transferred to Brown will be your TVRUE Orientation Peer Leaders and will help us welcome you to campus. They are eager to answer any questions you have about your arrival on campus and first semester at Brown.

We all look forward to meeting you soon! If you have any questions, please do not hesitate to contact our office at 401.863.9800.

All the best,
Your Transfer Deans
