Remember that you must leave your room on or before December 17 (fall semester students)/ May 31 (spring semester students and academic year students), the day the program officially closes. You should be sure to book your return flight accordingly.

*University holidays and breaks are dependent on individual academic calendars of the host institution. You must confirm the dates of holidays with your professors - the above dates are only approximate. It is important that you wait to confirm the dates before booking trips during vacations.

Please note also the following Italian National Holidays and the Bologna City Holiday (no classes):

October 4	Saint Petronio: Patron of Bologna
November 1	All Saints
December 8	Immaculate Conception
April 25	End of WWII, Liberation Day
May 1	Labor Day
