IMPORTANT — PLEASE NOTE

This calendar is subject to change. Brown OIP will continue to work with our program staff in Paris to make any necessary modifications to the Spring 2022 program so that local health regulations are followed in classes, housing, and during program activities.

*Orientation activities and classes represent a full time schedule. They are mandatory, conducted in French, and, therefore, not appropriate for friends and family. In addition, students should not make travel plans during the orientation period, as several cultural outings and the regional seminar will take place during that time.

University holidays and breaks are dependent on individual academic calendars of the host institutions (Lettres Sorbonne Université and Université Paris 8).
