   a. Course Proposal Comments (if any)
   b. Approval of Previous Meeting Minutes (votes required)
   c. Executive Committee Report-out
      i. Approval of Public Health Concentration Changes
         On 05 February 2019, the Executive Committee approved a proposal to add a Biology/Human Physiology elective course requirement to the AB Public Health concentration and reduce the number of general electives to two (of which no more than one may be in Biology). This change is effective beginning with the Class of 2021.
      ii. Approval of Biology AB Concentration Changes
         On 05 February 2019, the Executive Committee approved the addition of a capstone requirement to the Biology AB concentration, beginning with students who declare after Fall 2019.
