Registration for Honors in Computational Biology

In order to be considered a candidate for honors, students will be expected to maintain an outstanding record, with no "C's" in concentration courses and with a minimum of an "A-" average in concentration courses. In addition, students should take at least one semester, and are strongly encouraged to take 2 semesters, of reading and research with a CCMB faculty member or approved advisor. Students must submit to a public defense of their theses to be open to the CCMB community.

Name: ___________________________________________________________ Graduation Year: ______

Concentration:

☐ Sc.B. Computational Biology - Computer Science Track
☐ Sc.B. Computational Biology - Biological Sciences Track
☐ Sc.B. Computational Biology – Applied Mathematics & Statistics Track
☐ A.B. Computational Biology

Advisor’s name: ___________________________ Advisor’s home department: ______________________

☐ Student registers for CSCI 1970 or BIOL 1950/1960 for the semesters honors research is being done.

If the student is graduating in May, then s/he should adhere to the dates for the “May grads.” For students graduating in December, the due dates are labeled “Dec grad.”

☐ May grad: by October 1st
Dec grad: by February 15th
1-3 page proposal submitted to the director of undergraduate studies

☐ May grad: by February 1st
Dec grad: by September 15th
• reader selected;
• CCMB Faculty and Manager (ccmb@brown.edu) is notified;
• ~3 page progress report submitted to the director of undergraduate studies

☐ May grad: by April 15th
Dec grad: by November 15th
final draft of thesis submitted to committee and director of undergraduate studies

☐ Prior to the first Friday of the last month of the semester
• Public defense completed (last week of April seminar)
• Final PDF of honors thesis submitted to CCMB Faculty and CCMB Manager (ccmb@brown.edu) no later noon (12:00 P.M.)
